Construction activity

Several major building projects are under way.
Visit **www.deakin.edu.au/about-deakin/major-projects-and-initiatives** for more information.

Parking

On-campus parking is very limited (particularly at the start of Trimester 1), so you are encouraged to seek alternatives such as public transport, cycling, or carpooling.
Visit **www.deakin.edu.au/travelsmart**
or **www.ptv.vic.gov.au**

To park on campus, you will normally need a parking permit. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available. Different permits apply in different areas, so please follow the signs. Staff and students can buy permits from Deakin Central. Day permits are available from permit vending machines in car parks and near campus entrances. See T icon on map for locations.

Visitors may also park in the hourly permit zones on level 1 of Car Park 6 and level 3 of Car Park 12.

Visit **www.deakin.edu.au/services/parking** for more information.

Security

Security Officers are available on campus **24 hours a day, seven days a week.** Call **222** from an internal phone, or **1800 062 579** or **9244 6222** from any phone. Subject to availability, a Security Officer can accompany you to your vehicle or another location on campus whenever you do not feel comfortable making the trip alone. Call 10 minutes before you wish to leave. For more information, visit **www.deakin.edu.au/services/security**

Smoke-free Deakin
