Units available at Burwood (Melbourne) campus or cloud (online) – please refer to handbook for availability
Units available at the Waterfront (Geelong) campus or cloud (online) – please refer to handbook for availability

This course maps is for illustrative purposes. Students must meet the course rules and unit requirements as set out in the Handbook (http://www.deakin.edu.au/students/university-handbook/2016)

^ available at Burwood (Melbourne) from 2017

Important to note:

Students commence this course by completing the property and real estate requirements of the course at the Melbourne Burwood Campus in the first two-three years of the course. Students will then complete the construction management requirements of the course at the Geelong Waterfront Campus in the fourth and fifth year of this course. There is flexibility to undertake some construction management core units in their first two years of the course and a number of units will be available in trimester 3 allowing students the flexibility to spread their load over additional teaching periods.

Course Requirements:

The course comprises a total of 40 credit points, which must include the following:

- 37 core units (38 credit points), including 16 core units from the Bachelor of Property and Real Estate and 21 core units (22cp) from the Bachelor of Construction Management (Honours)
- 2 credit points of elective units
- 1 zero-credit point Communication for Academic Studies unit (MCA010)
- 1 zero-credit point Safety Induction Program unit (SRA010)
- Note – students will be precluded from the following two core Construction Management units in the single degree course structure:
- SRT151 Construction and Structures 1
- SRT251 Construction and Structures 2

To exit with ***M348 Bachelor of Property and Real Estate***, students must complete 24 credit points of study, please refer to the course entry for M348 Bachelor of Property and Real Estate for course requirements.

Students are advised to discuss the exit option prior to enrolling in Year 3 of the combined degree.
