[3] *BBV*- Not required for Exercise & Nutrition, Psychology, Social work, Occupational Therapy & Speech Pathology

STUDENT NAME_____ **DOB**_____ **STUDENT ID #**_____

COURSE NAME: Bachelor of Medical Imaging **COURSE CODE: H309 - 2026 intake**

This student **has not yet** completed the requirements for the below	Indicate due date for completion or action required

Doctor/Nurse Immuniser Signature_____

Doctor/Nurse Immuniser full name (please print) _____

Provider No/Stamp_____ **Date:** _____

Check list must be completed by an independent nurse/doctor not a family member/relation of the above-mentioned student

Hepatitis B

In the event a student is deemed a non-responder to the Hepatitis B vaccination a letter from a Registered Health Practitioner stating they can attend placement safely is required.

Blood Borne Viruses

Students are required to meet the criteria to undertake Exposure Prone Procedures as per the Australian National Guidelines for the Management of Healthcare Workers Living with Blood Borne Viruses and Healthcare Workers who Perform Exposure Prone Procedures at Risk of Exposure to Blood Borne Viruses

Tuberculosis

If a student receives a positive Tuberculosis test or has 'Latent TB' they must supply written documentation from a Registered Health Practitioner advising, they do not have active tuberculosis infection or student is receiving appropriate treatment and is deemed non-infectious and fit for placement.

Influenza & COVID-19 Vaccine

Some health care settings require staff/students to provide evidence of vaccine. Follow your school/subjects' requirements.

-Students are responsible for the cost of any vaccinations/tests that are required as part of their clinical placement.
-Pathology tests completed overseas will require assessment in Australia as these may not be accepted and will need to be repeated.

Privacy Statement
Deakin University is collecting the information on this form to confirm the named student's eligibility for practical placement. It will also provide this information to placements sites, including hospitals and private medical offices.
