

BACHELOR OF PSYCHOLOGICAL SCIENCE 2014

DEAKIN
UNIVERSITY AUSTRALIA

Worldly

**DEAKIN
AT YOUR
DOORSTEP**

START A DEAKIN DEGREE CLOSE TO HOME

As one of Australia's most progressive universities, Deakin strives to provide pathways for students to participate in higher education and recognises that in today's competitive work environment a university degree can make all the difference.

Studying Deakin University's Bachelor of Psychological Science gives you entry to one of the fastest growing professions in the world.

Psychologists are interested in how people think, feel and behave. By studying the scientific discipline of the human mind and behaviour, psychologists are able to assess, prevent and treat a wide range of problems.

BENEFITS OF STUDYING THE BACHELOR OF PSYCHOLOGICAL SCIENCE AT THE HUME GLOBAL LEARNING CENTRE – CRAIGIEBURN

- a chance to study close to home
- part-time or full-time study option
- supported delivery through Deakin at Your Doorstep (DAYD) delivery mode with video conference backed up by face-to-face tutorial support
- courses accredited by the Australian Psychology Accreditation Council that also meet the requirements of the Psychology Board
- undergraduate program focuses on providing the knowledge and skill-base that make our graduates highly valuable in the employment market
- School of Psychology at Deakin offers a range of continuing postgraduate study and career options unparalleled in Australia.

HUME GLOBAL LEARNING CENTRE – CRAIGIEBURN

The newest addition to learning in the City, the Hume Global Learning Centre – Craigieburn offers the growing local community a space to learn, share knowledge and inspire creativity. The contemporary building features iconic architectural design with facilities including IT training rooms, meeting rooms, as well as a large multipurpose room equipped with the latest audio-visual presentation equipment.
