1 Introduction

This guide is an important reference for student fees and charges information at Deakin University. Not all sections will apply to you, however we recommend you take time to read this guide and familiarise yourself with its contents.

The guide will help you familiarise with terminology such as census dates, eCAN, TFN, eCAF, discipline clusters, HECS-HELP, student status, FEE-HELP, encumbrance and termination.

We advise you keep this guide for future reference.

1.1 Census date

What is a census date?

Census date is the date when all your enrolment arrangements for a teaching period (semester/trimester/quarter) must be finalised. If you withdraw from your studies after this date, you are still responsible for any fees incurred.

The census date is the last date you can:

- apply for HECS-HELP or FEE-HELP or pay for your studies
- apply for SA-HELP or pay the Student Services and Amenities Fee
- withdraw from a unit without incurring a HECS-HELP or FEE-HELP (domestic students) debt
- withdraw from a unit without incurring the full tuition fee (international and some domestic students)
- withdraw from a unit without a reference appearing on your academic transcript

Each teaching period has a census date.

Trimester census dates for 2015

Trimester 1	31 March 2015
Trimester 2	15 August 2015
Trimester 3	15 December 2015

School of Medicine census dates for 2015

Semester 1	31 March 2015
Semester 2	31 August 2015

Higher Degree by Research census dates for 2015

Quarter 1	31 March 2015
Quarter 2	30 June 2015
Quarter 3	30 September 2015
Quarter 4	31 December 2015

Residential unit census dates for 2015

Residential 1	18 May 2015
Residential 2	31 August 2015
Residential 3	15 December 2015

If your census date is not above, please refer to deakin.edu.au/study-at-deakin/important-dates.

1.2 General fee information for all students

Your fees are determined prior to the start of each teaching period (semester/trimester/quarter).

An online invoice is available at the start of each teaching period. **Paper invoices will not be mailed to you.** It is your responsibility to access your online invoice/s via StudentConnect and check all details carefully. An email will be sent direct to your Deakin email address advising when your invoice is available in [StudentConnect](#).

To access your online invoice select the **Generate your invoice** option under the **Fees and Payments** section in StudentConnect.

Your invoice shows how much you owe and the due date for payment of your fees. It is your responsibility to ensure full payment is made by the due date.

If you are eligible, and have elected to defer your fees via HECS-HELP, FEE-HELP or SA-HELP, **you still need to generate your invoice and check the details are correct.**

If you believe any details on your invoice are incorrect, you must contact [Deakin Central](#) immediately.

All payments must be made in Australian dollars (\$AUD). Where currency conversion occurs, the payer must ensure sufficient funds are paid to allow for currency fluctuations.

If you have provided a valid mobile telephone number, you will receive an SMS regarding your fees. Please make sure your details are up to date in StudentConnect.

1.3 How to pay your fees

You may choose one of the following options:

StudentConnect - pay your invoice online by scrolling to the bottom of your invoice and clicking the **Pay Now** button.

BPay – print the PDF version of your invoice by scrolling to the bottom of your invoice and clicking the **Print Friendly Version** button. Contact your bank or financial institution to make this payment from your cheque, savings, debit, credit card or transaction account.

In person - pay your invoice at the Deakin University Cashiers Office or Deakin Central on any Campus by MasterCard, Visa or EFTPOS debit card. **Please note: Cash is not accepted at Deakin Central or the Cashiers Office for payment of student contributions or tuition fees.**

Postbillpay - print the PDF version of your invoice by scrolling to the bottom of your invoice and clicking the **Print Friendly Version** button. Pay in person at any Australia Post outlet using this invoice, or phone +61 13 18 16 (international call charges apply) or go to www.postbillpay.com.au.

1.4 Non-payment of fees

You must pay your fees by the **due date** specified on your invoice. If your fees are not paid, your enrolment will be at risk.

1.5 What if I make a change to my enrolment?

Prior to census date you can make changes (add or withdraw units) to your enrolment. If you make a change, you must go to the **Fees and Payment** option in [StudentConnect](#) and select **Generate your invoice**.

A new invoice will be generated reflecting the changes (if any) to your fees.

1.6 How do I apply for a refund?

If you discontinue or reduce your enrolment on or before census date you may be eligible for a refund of any fees you paid for that period.

Different conditions apply for domestic and international students. Please refer to the individual sections of this booklet for further information.

Please visit deakin.edu.au/study-at-deakin/fees to access the **Application for Refund of Student Fees form**.

1.7 Remission or refund of debt in special circumstances?

If you withdraw from your units after the relevant census date you can, in special circumstances, apply to have the fees for the unit/s remitted or refunded.

For more information, refer to the individual sections of this booklet.

Please visit deakin.edu.au/study-at-deakin/fees for more information.

1.8 What sort of a student am I?

The relevance of some information in this guide is determined by the fee category you fit into. Refer to the following three categories to determine what type of student you are then go to the relevant section of this guide for information specific to you:

- **Commonwealth supported student** – you are enrolled in a Commonwealth supported place (CSP) which means the Commonwealth Government provides funding to Deakin University towards the cost of your studies. **See Section 2, 5, 6 and 7.**
- **Full fee-paying domestic student** – you are responsible for paying the full cost of your studies. This category includes Australian citizens, New Zealand citizens and Australian permanent residents in fee-paying places. **See Section 3, 5, 6 and 7.**
- **Full fee-paying international student** – you hold citizenship of a country other than Australia or New Zealand. As an international student you are responsible for paying the full cost of your studies. **See Section 4, 6 and 7.**

2 Information for Commonwealth supported students

Under the **Higher Education Support Act 2003**, if you hold a **Commonwealth supported place (CSP)** you are required to make a contribution towards the cost of your education. This amount, called the **student contribution**, is set by Deakin University according to the discipline cluster in which your unit of study is classified. Your student contribution amount is assessed each teaching period. Online invoices are available immediately prior to the start of each teaching period.

2.1 Who is eligible for a Commonwealth supported place?

To be eligible for a Commonwealth supported place you must:

- be an Australian citizen residing in Australia for at least one unit of study during your course, or
- be a New Zealand citizen or the holder of a permanent visa who will be residing in Australia for the entire duration of your course.

2.2 HECS-HELP

To be eligible for HECS-HELP you must be:

- enrolled in a Commonwealth supported place, **and**
- be an Australian citizen or the holder of a permanent humanitarian visa who will be residing in Australia* for at least one unit of study contributing to your course.

* If you intend studying from overseas via distance education for your entire course, you will not meet the residency requirements.

If you are a permanent visa holder (non-humanitarian) or New Zealand citizen you must pay **all** of your student contribution **up-front** by the invoice due date. No discount is available on your upfront payment.

If you are eligible for HECS-HELP assistance, you may pay your student contribution in one of three different ways:

- pay all your student contribution up-front and receive a discount of 10%
- defer your payment through the taxation system and receive a HECS-HELP loan for your full student contribution, or
- pay some of the student contribution up-front and receive a HECS-HELP loan to defer the balance. Payments over \$500 will receive a 10% discount* on the amount paid.

*legislation to remove this discount is currently before Parliament.

Information guides about HECS-HELP for CSP students are available from all [Deakin Central](#) locations or from the Department of Education website: studyassist.gov.au.

2.3 Commonwealth Assistance Form (CAF)

As a Commonwealth supported student you are required to complete a **Commonwealth Assistance Form (CAF)**. The CAF captures data required by the Commonwealth Government for all Commonwealth supported students. You can complete this form via [StudentConnect](#) using the Commonwealth Assistance Form (eCAF) option.

If you are eligible to apply for HECS-HELP, it is at this stage you can elect to either:

- pay up-front and receive a 10% discount on your fees, or
- defer the whole of your debt, or
- pay part up-front and defer the balance.

When does the eCAF need to be completed?

You must complete your eCAF prior to the census date for your first units of study or if you change the course you are enrolled in. Census date information is in section 1.1 of this guide or visit the Important Dates website - deakin.edu.au/study-at-deakin/important-dates.

2.4 Supplying a Tax File Number (TFN)

If you want to defer any part of your debt through the taxation system you **must** provide your **Tax File Number (TFN)** via the Commonwealth Assistance Form (eCAF) section in StudentConnect. Your TFN is how Deakin University advises the Australian Taxation Office of the debt you are deferring.

Providing your TFN also acts as a safety net. If you have forgotten to pay or only paid a partial amount, any debt unpaid at census date is automatically deferred to HECS-HELP. Your enrolment will not be at risk of termination. (This avoids your termination of your enrolment.)

If you elect to pay your student contributions up-front, but fail to pay or provide your TFN by census date, then Deakin **must** terminate your enrolment according to the Commonwealth Higher Education Support Act 2003 (HESA).

After providing your TFN, you can generate your fees invoice via StudentConnect. Check the top right hand corner of your invoice to ensure that a **YES** is recorded for 'Tax File Number Supplied'. If a **YES** is not displayed, contact [Deakin Central](#) immediately.

2.5 Commonwealth Assistance Notice (CAN)

A **Commonwealth Assistance Notice (CAN)** contains information about your enrolment such as your student contribution amount, any up-front payments received by the University and any HECS-HELP assistance you have received for the units you were enrolled in as a Commonwealth supported student. An electronic CAN (eCAN) is available within 28 days of census date for the relevant teaching period.

CANs at Deakin University are only available online and are accessed by selecting the **Commonwealth Assistance Notice (eCAN)** link on StudentConnect. You should check your eCAN for each teaching period.

2.6 OS-HELP

OS-HELP is a loan scheme to assist eligible Commonwealth supported students, who are based in Australia, to undertake some of their study overseas. The purpose of OS-HELP is to assist students with their study travel expenses, such as airfares and accommodation.

If you are eligible, to the maximum you can borrow for a six month period is:

- \$6,362 (if you will not be studying in Asia); or
- \$7,635 if you will be studying in Asia; and
- an additional \$1,018 if you will be undertaking Asian language study in preparation for study in Asia.

An eCAN is available on StudentConnect within 28 days of the incurral date of your OS-HELP debt. Your debt incurral date is the date you receive your OS-Help loan

Please visit deakin.edu.au/study-at-deakin/fees for more information.

2.7 Refund policy for Commonwealth supported students

The following refund policy applies to all Commonwealth supported students:

- If you have paid your student contribution up-front you are entitled to a 100% refund for unit or course withdrawals made prior to and including the census date for the individual unit(s) in each teaching period.
- If you wish to apply for a refund, complete the Application for Refund of Student Fees form, available from deakin.edu.au/study-at-deakin/fees.
- If you have elected to defer your student contribution, you will not incur a HECS-HELP debt for unit or course withdrawals made prior to and including the census date.
- No refund will be given if you withdraw from a unit or course after the census date for the unit/s.

If you withdraw from a unit after the census date and have elected to defer your student contribution, you will incur a HECS-HELP debt for that unit.

For information on applying for a refund refer to section **1.6 How do I apply for a refund?**

2.8 Remission of HECS-HELP debt and up-front payments in special circumstances

If you withdraw from your units after the relevant census dates due to unexpected circumstances you can apply to have your HECS-HELP debt for those units remitted.

This includes:

- HECS-HELP debt for a unit consisting wholly of work experience in industry (WEI) remitted
- up-front payment of a student contribution in respect of a unit consisting wholly of WEI, refunded
- up-front payment of a student contribution for all other units.

To be eligible for remission, you must:

- apply to Deakin University, in writing within 12 months of the withdrawal date, or
- if you have not withdrawn, apply within 12 months of the end of the teaching period in which the unit was undertaken or was to be undertaken.

You cannot apply for Remission of debt if you have successfully completed, or are still enrolled, in the unit(s) of study.

Deakin University will refund your up-front payment or remit your HECS-HELP debt if we are satisfied that special circumstances apply. Your circumstances must:

- be beyond your control
- have made their full impact on you on, or after, the census date, and
- make it impracticable for you to complete the requirements of the unit during the teaching period when you undertook, or were to undertake, the unit.

Your application must include independent supporting documentation, for example, a letter from your doctor or counsellor, to support your claims.

A lack of knowledge of how HECS-HELP works, not realising you were enrolled or failing to read correspondence relating to your enrolment is not considered beyond your control.

Remission of debt is not available for the Student Services and Amenities Fee under any circumstances.

Please visit deakin.edu.au/study-at-deakin/fees for more information.

2.9 How do I repay HECS-HELP?

You begin repayments of your accumulated HELP debt when your income exceeds the nominated threshold (\$53,345 for the 2014 - 2015 tax year).

You can make voluntary payments at any time after the Australian Taxation Office (ATO) has received your debt from Deakin. Voluntary payments made to the ATO over \$500 will attract a 5% bonus. This means if you pay an amount over \$500 your debt will be reduced by that amount plus an extra 5% of the amount paid.

Information guides about HECS-HELP for CSP students are available from Deakin Central or on the Department of Education website: studyassist.gov.au.

2.10 Student Contribution Rates

The student contribution amount is calculated based on the rate applicable to the discipline cluster of your enrolled units.

Before you calculate the total cost of your units for 2015, you need to know which units you will study, and the units discipline cluster. You should always seek course advice in relation to unit selection and course rules.

The 2015 student contributions are summarised in the table below:

Unit Discipline Cluster	Applies to	Per EFTSL	Per credit point
Dentistry, Medicine, Veterinary Science, Law, Accounting, Administration (including Public Relations), Economics, Commerce	All students	\$10 266	\$1283
Mathematics, Statistics, Computing, Built Environment, Other Health, Allied Health, Science, Engineering, Surveying, Agriculture	All students	\$8768	\$1096
Humanities, Behavioural Sciences, Social Studies, Clinical Psychology, Foreign Languages, Visual and Performing Arts	All students	\$6152	\$769
Education, Nursing	Students who commenced their current course of study on or after 1 January 2010	\$6152	\$769
	Students who commenced their current course of study prior to 1 January 2010	\$4923	\$615

For further details, please refer to deakin.edu.au/study-at-deakin/fees.

3 Information for fee-paying domestic students

Deakin University does not receive any Commonwealth Government funding for fee-paying places. As such, students enrolled in these places are required to pay the full cost of their course.

Tuition fees for domestic fee-paying students are calculated for each teaching period and are charged on a unit basis.

These rates are set annually and available from deakin.edu.au/study-at-deakin/fees.

3.1 Award and non-award courses

As a fee-paying domestic student, you can be enrolled in either an award or a non-award course.

What is an award student?

An award student is a student undertaking a course that leads to a higher education award. For example, a bachelor degree or a graduate certificate.

What is a non-award student?

A non-award student is a student undertaking a unit of study from an award course but the unit is not being taken as part of an award course or is additional to the requirements of their course. These are sometimes referred to as single subject enrolments.

3.2 Domestic tuition fees

Tuition fees are calculated based on the rate applicable to the discipline cluster of each of the units in which you are enrolled.

Before you calculate the total cost of your units in 2015, you need to know which units you will study, and the units discipline cluster. You should always seek course advice in relation to unit selection and course rules.

For further details, please refer to deakin.edu.au/study-at-deakin/fees/course-fees-for-domestic-students.

3.3 FEE-HELP

FEE-HELP is a loan program that assists eligible domestic fee-paying students, including those in Employer Reserved Places, to pay tuition fees without having to make an up-front payment.

Am I eligible for FEE-HELP?

If you are an award student you are eligible for FEE-HELP if you:

- are an Australian citizen, or
- hold a permanent humanitarian visa and will be residing in Australia for the duration of the unit/s.

If you are a non-award student you are eligible for FEE-HELP if you:

- are an Australian citizen, or
- hold a permanent visa and will be residing in Australia for the duration of the unit/s,
- and
- be undertaking a bridging course for overseas trained professionals.

For more information about bridging courses, please refer to studyassist.gov.au

If you are eligible, you can borrow up to the limit of the tuition fee charged subject to the following conditions:

- Medical students may borrow up to a maximum of \$122 162 in 2015 indexed annually over their lifetime.
- Other students may borrow up to \$97 728 in 2015 indexed annually over their lifetime.
- A loan fee of 25% will apply to FEE-HELP loans for undergraduate courses of study only.
- No loan fee applies to a FEE-HELP loan for:
 - fee paying postgraduate courses of study, including higher degrees by research
 - enabling courses
 - bridging study for overseas trained professionals.

3.4 How do I repay FEE-HELP?

You begin repayments of your accumulated HELP debt when your income exceeds the nominated threshold (\$53,345 for the 2014 - 2015 tax year).

You can make voluntary payments at any time after the Australian Taxation Office (ATO) has received your debt details from Deakin. Voluntary repayments made to the ATO over \$500 will attract a 5% bonus. This means that if you pay an amount over \$500 your debt will be reduced by that amount plus an extra 5% of the amount paid.

Information guides about FEE-HELP for domestic tuition fee-paying students are available from Deakin Central or on the Department of Education website: studyassist.gov.au/sites/studyassist/help-paying-my-fees/fee-help/pages/fee-help-

3.5 Transferring to a Commonwealth supported place

If you are an **undergraduate** student enrolled in a fee-paying undergraduate award course, you may be able to transfer into a Commonwealth supported place in subsequent teaching periods, subject to specified academic performance criteria.

Please contact your Faculty Course Adviser for more information.

3.6 Refund policy for domestic fee-paying students

The following **refund** policy applies to all domestic fee-paying students:

- If you have paid your student tuition fees up-front you are entitled to a 100% refund for unit or course withdrawals made prior to and including the census date for the individual unit(s) in each teaching period.
- If you wish to apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/study-at-deakin/fees/refunds-and-remissions.
- If you have elected to defer your tuition fees through the tax system, you will not incur a FEE-HELP debt for unit or course withdrawals made prior to and including the census date for those units.
- You are **not** eligible for a refund of any amounts paid for a unit or course if you withdraw after the census date in a teaching period.
- If you elected to defer payment of your tuition fees, you will incur a FEE-HELP debt for any units withdrawn after the census date in a teaching period.

For information on applying for a refund refer to section **1.6 How do I apply for a refund?**

3.7 Remission of FEE-HELP debt and tuition fees paid in special circumstances

If you withdraw from your units **after** the relevant census dates you can, in special circumstances, apply to have your FEE-HELP debt remitted or tuition fees paid for the unit/s refunded, in accordance with the provisions of Commonwealth Higher Education Support Act 2003 (HESA).

To be eligible for a remission you must:

- apply to Deakin University in writing within 12 months of the withdrawal date, or
- if you have not withdrawn, apply within 12 months of the end of the period of study in which the unit was undertaken or was to be undertaken.

You cannot apply for Remission of debt if you have successfully completed, or are still enrolled, in the unit of study.

Deakin University will refund your up-front payment, remit your FEE-HELP debt or refund your tuition fees if we are satisfied that special circumstances apply. Your circumstances must:

- be beyond your control
- have made their full impact on you on, or after, the census date, and
- make it impracticable for you to complete the requirements for the unit during the teaching period when you undertook, or were to undertake, the unit.

Your application should include any independent supporting documentation, for example, a letter from your doctor or counsellor, to support your claims.

A lack of knowledge of how FEE-HELP works or failing to read correspondence relating to your enrolment is not considered beyond your control.

Remission of debt is not available for the Student Services and Amenities Fee under any circumstances.

Please visit deakin.edu.au/study-at-deakin/fees/refunds-and-remissions for more information.

4 Information for fee-paying international students

You are an international student for fee purposes if:

- you are living in Australia with temporary residence status (provided that there is no limitation on study), or
- you are living abroad and are not an Australian citizen, New Zealand citizen or you do not have permanent residency in Australia.

International fee rates apply to all international students, irrespective of who pays your fees.

4.1 Award and non-award courses

As a fee-paying international student, you can enrol in either an award or a non-award course.

What is an award student?

An award student is a student undertaking a course that leads to a higher education award i.e. a bachelor degree or a graduate certificate.

What is a non-award student?

If you are undertaking a unit, but not enrolled in an award course, you are a non-award student. This applies even if the unit you are studying can be taken as part of an award course, or is additional to the requirements for that course.

A non-award unit may be counted as credit towards some award courses at Deakin University should you subsequently be formally admitted to an award course.

4.2 Tuition fees for international students commencing in award courses and non-award courses

Your tuition fees are assessed for each teaching period and are charged on a unit basis.

Rates are set annually and are detailed in section **4.4 International tuition fee rates**.

The tuition fee includes an International Student Services Fee to enable Deakin University to provide you with the level of services required under the **Educational Services for Overseas Students Act (ESOS)** and National Code of Practice (www.aei.gov.au). The International Student Services Fee is set annually and is used by Deakin University to provide you with academic and non-academic support services.

4.3 International tuition fee rates

Tuition fees are calculated based on the rate applicable to the discipline of each of the units in which you are enrolled.

Before you calculate the total cost of your units in 2015, you need to know which units you will study, and the unit discipline cluster. You should always seek course advice in relation to unit selection and course rules.

4.4 Payment of international award course tuition fees

Your international tuition fees are due and payable by the **Due date** indicated on your invoice. If you do not make full payment by this due date, Deakin University will assume you have elected to pay your tuition fees by instalment subject to the following conditions:

- This option does not apply where your fees and charges are paid by a sponsor, employer or any other person or organisation.
- That you have paid at least 50% of the course fees for the units of study you are undertaking by the invoice due date. The remaining balance is due one month after the teaching period census date. However, for Higher Degree by Research students, full payment is due by the quarterly census date.
- If a variation to your enrolment results in an increase in course tuition fees, you will not be granted an extension of time for payment of the additional fees.
- If you fail to make the required payments and do not contact Deakin University by the applicable due date/s for payment, **your enrolment will be terminated**.
- **Please note:** Invoices are only available online via [StudentConnect](#). **You will not receive a paper invoice in the mail.**

4.5 Payment of international non-award course tuition fees

Tuition fees are payable in full by the **Due date** on your invoice.

4.6 Additional fees and charges

Prospective international campus learning students are required to pay an application fee to meet the cost of processing applications for admission.

Located learning (previously known as on-campus) international students will be liable for Medical Health Cover and any other university fees and charges applicable to their study in addition to the tuition fees.

Cloud (online) learning (previously known as off-campus) international students will be liable for other university fees and charges applicable to their study in addition to the tuition fees.

A deposit on an award course place following a Pathway Program* applies to prospective international students, where the Department of Immigration and Border Protection (DIBP) requires those students to apply for both a pathway program and a substantive award program in order to obtain a student visa that covers the total duration of both programs. When the student enrolls in the award course, the deposit is used as part payment of the first teaching period's tuition fees.

* A Pathway Program allows a student to undertake studies in order to meet the entry requirements of the award course.

4.7 Transfer of fees for commencing International students

If you are a commencing international campus learning student and you transfer to another institution, funds paid to Deakin will be transferred to the other institution when you provide evidence of acceptance by the other institution. Such transfers will not be made directly to you. No transfer of fees will be made to another English-language-teaching (ELICOS) centre.

4.8 Change of residency status

Should you obtain Australian permanent resident status before your initial enrolment the offer of a fee-paying international place will be withdrawn. If you wish to continue with your application to study at Deakin University, you must apply for admission into a Commonwealth supported place or a domestic fee-

paying place in competition with Australian citizens and other permanent residents. You will be subject to the same selection criteria applicable to these applicants.

If you obtain Australian permanent resident status during the first teaching period of your enrolment, you will still be classified as an international student for the remainder of that teaching period. If you wish to continue to study in subsequent teaching periods, you must apply for admission to a Commonwealth supported place or a domestic fee-paying place in competition with Australian citizens and other permanent residents, and be subject to the same selection criteria applicable to all applicants.

4.9 Refund of tuition fees

Commencing international students

You are a **commencing** international student if you are in your first period of study at Deakin University.

The following refund policy applies:

- For those commencing international students who have withdrawn after paying their fees, the refund policy allows that:
 - a 90% refund is payable if the student withdraws from unit(s) at least 4 weeks prior to the start of the teaching period,
 - a 50% refund is payable if the student withdraws between 4 weeks prior to the start of the teaching period and the census date of the relevant unit(s), and
 - no refund is payable if the student withdraws after census date.

The retention of 10% of the fees for commencing students is in recognition of the additional costs involved in administering the initial enrolment of international students.

For information on the applicable dates, please refer to deakin.edu.au/study-at-deakin/fees/withdrawals-and-penalties.

Continuing international students;

The following refund policy will apply if you are a continuing international student:

- If you are withdrawing and have paid your fees:
 - a 100% refund if withdrawal from the unit(s) is prior to the start of the third week of the teaching period
 - a 50% refund if withdrawal from the unit(s) is between the start of the third week and the census date for the unit(s), and
 - no refund if withdrawal from the unit(s) is after census date.

For information on the applicable dates, please refer to deakin.edu.au/study-at-deakin/fees/withdrawals-and-penalties.

All international students

No fees will be retained by Deakin University if one of the following circumstances applies:

- You withdraw from a unit on the advice of a Faculty Enrolment Officer before the census date for that unit, and you do not enrol in a replacement unit.
- You are refused a student visa by the Commonwealth Government.
- You changed residency status before the census date for your enrolled units and you are not offered a Commonwealth supported place or an Australian fee-paying place at Deakin University.
- Your offer is withdrawn or your enrolment cancelled because Deakin University is unable to provide the course of study.
- Deakin University changes the course structure and is unable to offer unit(s) so you are prevented from studying those unit(s) and no credit is given towards other unit(s).
- The course does not commence on the agreed start date and you still have a status of enrolled.

- The Commonwealth Government has prevented Deakin University from conducting courses for overseas students.

If you wish to apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/study-at-deakin/fees or apply in person at [Deakin Central](#) on your Campus.

Consistent with the ESOS Act, the University's refund policy for international students does not remove your right to take further action under Australia's consumer protection laws and other legal remedies.

4.10 Refund of debt in special circumstances

If you withdraw from your units **after** the relevant census dates you can, in special circumstances, apply to have your up-front payments refunded.

You cannot apply for a remission if you have successfully completed the unit of study. To be eligible for a remission you must:

- apply to Deakin University in writing within 12 months of the withdrawal date, or
- if you have not withdrawn, apply within 12 months of the end of the period of study in which the unit was undertaken or was to be undertaken.

You cannot apply for Refund of debt if you have successfully completed, or are still enrolled, in the unit of study.

An application for Refund of debt should include independent supporting documentation, for example, a letter from your doctor or counsellor, to support your claims.

Deakin University will refund your up-front payment if we are satisfied that special circumstances apply to you that:

- are beyond your control
- do not make their full impact on you until on, or after, the census date, and
- make it impracticable for you to complete the requirements for the unit during the period during which you undertook, or were to undertake, the unit.

Your application should include any independent supporting documentation, for example, a letter from your doctor or counsellor, to support your claims.

Failing to read correspondence relating to your enrolment is not considered beyond your control.

Please visit deakin.edu.au/study-at-deakin/fees/refunds-and-remissions for more information.

5 Information for all domestic students – Student services and amenities fee

5.1 Student services and amenities fee (SSAF)

The student services and amenities fee (SSAF) is a fee levied on students for student services and amenities of a non-academic nature. Eligible students are able to defer the payment of this fee through a Higher Education Loan Program (HELP) scheme called SA-HELP, which is similar to FEE-HELP and HECS-HELP.

These student services may include (but not limited to):

- supporting a sporting or other recreational activity by students
- supporting the administration of a club whose members are mostly students
- caring for children of students
- providing legal services to students
- promoting the health and welfare of students
- helping students secure accommodation
- helping students obtain employment or advice on careers
- helping students with their financial affairs
- helping students develop skills for study
- advocating students' interests in matters arising under the University's rules

Whilst this fee is compulsory, no student is forced to join any student organisation or union and the legislation expressly prohibits fee revenue being used to support a political party.

A summary of the student services and amenities fee for 2015 is detailed in the table below:

Student type	Enrolment	Amount
Domestic campus learning undergraduate and postgraduate students*	Full time (3 credit points or more)	\$95 per trimester/semester
	Part time (less than 3 credit points)	\$59 per trimester/semester
Domestic Cloud (online) learning undergraduate and postgraduate students*	Full time and part time	\$45 per trimester/semester

* International students will not be charged this fee in 2015 as their fees include a component for the provision of services required under the Education Services for Overseas Students Act, presently \$22 per credit point.

* Higher Degree by Research students are not charged the SSAF.

The SSAF is calculated based on your study load for the applicable teaching period. Any adjustments to your enrolment prior to the census date may result in an increase or decrease of the amount owed. You are encouraged to access your online invoice each time you vary your enrolment.

5.2 SA-HELP

SA-HELP is a loan scheme that assists eligible students to pay their SSAF. Eligible students can choose to defer all or part of their fee for the relevant year.

Am I eligible for a SA-HELP loan?

To receive an SA-HELP loan, you need to:

- be an Australian citizen or holder of a permanent humanitarian visa;
- be enrolled in a course of study with your home provider*;
- meet the tax file number (TFN) requirements by giving your provider either your TFN or a Certificate of application for a tax file number from the Australian Taxation Office (ATO) as proof that you have applied for a TFN (you can obtain this document from the ATO);
- have lodged your Request for SA-HELP assistance form by the relevant teaching period census date.

*Cross institutional students are not eligible for SA-HELP.

5.3 How do I repay SA-HELP?

You begin repaying your accumulated HELP debt when your income exceeds the nominated threshold (\$53,345 for the 2014 - 2015 tax year).

You can make voluntary payments at any time after the Australian Taxation Office (ATO) has received your debt details from Deakin. Voluntary repayments made to the ATO over \$500 will attract a 5% bonus. This means that if you pay an amount over \$500 your debt will be reduced by that amount plus an extra 5% of the amount paid.

Information guides about SA-HELP are available from Deakin Central or on the Department of Education website: www.studyassist.gov.au.

5.4 Refund policy for the Student services and amenities fee

The following **refund** policy will apply to SSAF:

- If you paid your SSAF up-front, you are entitled to a 100% refund if you withdraw from your course, or all units of study, on or before the census date for that teaching period.
- If you wish to apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/study-at-deakin/fees/refunds-and-remissions, or apply in person at [Deakin Central](#) on your Campus.
- If you elected to defer your SSAF through the tax system, you will not incur a SA-HELP debt if you withdraw from your course, or all units of study, on or before the census date for the applicable teaching period.
- You are not eligible for a refund of any amount paid towards your SSAF if you withdraw from your course, or all units of study, **after** the census date for the applicable teaching period.
- If you elected to defer payment of your SSAF, you will incur an SA-HELP debt if you withdraw from your course, or all units of study, **after** the census date in the applicable teaching period.

Refund or remission of the SSAF is **not** available under any circumstances, if you have:

- elected to defer payment of your SSAF you will still incur a SA-HELP debt
- Paid your SSAF up-front you will not be entitled to a refund
- Not yet paid your SSAF you will remain liable for payment of the SSAF.

6 Information for all students - encumbrance and termination of enrolment

6.1 Encumbrance (Block on your enrolment)

An encumbrance is a restriction or block placed on your enrolment if you fail to meet specified due dates and conditions of payment for your fees or charges.

Fees and charges include tuition fees, library loans, residential fees, student loans or other administrative charges. For example, an encumbrance will be placed on your enrolment if a student loan has not been repaid.

Encumbrances may limit your access to services provided by Deakin University, including library access, access to assessment results, enrolment variations, academic transcripts and approval to graduate.

Please note an encumbrance will be applied to your enrolment if you have an overdue tuition fee debt between \$30 and \$300 in any teaching period.

Please visit deakin.edu.au/study-at-deakin/fees/withdrawals-and-penalties for more information.

6.2 Termination of enrolment

If you have breached specified due dates and you owe more than \$300 in any teaching period your enrolment **will be terminated**.

When your enrolment is terminated you lose access to all Deakin University services including DSO, email, StudentConnect and the library.

If your enrolment is terminated for non-payment of fees, you can apply to Deakin University for re-instatement of your enrolment in the same academic year provided you pay all outstanding fees and charges, and do not hold a CSP. A re-instatement charge (see 7.2 for explanation) also applies. The application for re-instatement must be made **within two weeks of your enrolment being terminated. Your enrolment will not be re-instated into the teaching period after this time.**

For CSP students, if your enrolment is terminated for non-payment of an up-front student contribution and you have not provided your tax file number, you **cannot** have your enrolment re-instated for that teaching period. This is in accordance with Commonwealth legislation.

Please visit deakin.edu.au/study-at-deakin/fees/withdrawals-and-penalties for more information.

6.3 Re-instatement after voluntary withdrawal from your course

If you voluntarily withdraw from studies while owing fees you may apply for re-instatement of your enrolment in the same academic year provided you pay any outstanding fees and charges.

6.4 Re-admission in subsequent years/periods

If your enrolment ceases for any reason (e.g. termination for non-payment of fees, withdrawal from studies or allowing your enrolment to lapse) you may apply for re-admission directly to Deakin University provided you pay any outstanding fees and charges applicable to the prior studies.

Please refer to deakin.edu.au/study-at-deakin/apply/other-types-of-application/apply-for-re-admission for full details.

7 Information for all students - other fees and charges

There are a number of charges applied for various academic services provided to students. These may apply to students irrespective of fee status. Rates are shown in Section 7.17.

7.1 Late re-enrolment charge

This charge applies if you do not re-enrol by the scheduled re-enrolment deadline.

7.2 Re-instatement charge

This charge applies if your enrolment is terminated for any reason and is re-instated in the same academic year.

7.3 Academic transcript charge

You will receive one original Academic Transcript **free of charge** when you are deemed eligible to graduate. A charge applies if you request additional transcripts.

A search fee applies for transcripts issued prior to 1987 (Warrnambool), 1979 (Geelong) and 1985 (Melbourne) as this was prior to computerisation of records.

7.4 Testamur charges

You will receive one original testamur **free of charge** when your award is conferred at a conferral or graduation ceremony.

A charge applies for the replacement and mailing of a testamur which may have been lost or destroyed, or to cover the cost of the replacement and mailing of a testamur in an alternative name from the original testamur.

7.5 Australian Higher Education Graduation Statement (AHEGS) charge

You will receive one original graduation statement **free of charge** when your award is conferred at a conferral or graduation ceremony. A charge applies if you request additional graduation statements.

7.6 Graduation and academic dress charges

The fee for participation in local and overseas graduation ceremonies include:

- the hire of academic regalia (dress),
- two guest tickets and
- light refreshments after the ceremony for you and your two guests.

Payment should be made by credit card at the time of lodging the online Application to Graduate via [StudentConnect](#).

7.7 Late change of examination location charge – Cloud (online) students

This charge applies if you change your examination location between two and four weeks before the commencement of the scheduled examination period.

No change of examination location is permitted within two weeks of the commencement of the applicable scheduled examination period.

7.8 Examination charges for Deakin Study Abroad students

If you are enrolled as an Exchange or Study Abroad student at another university and you wish to complete your host university examinations at Deakin, with the approval of the host institution, a charge will apply. The charge applies to **each unit of study** examined.

Deakin International will arrange an examination at a Deakin Campus for you through direct contact with and request by the host institution.

All fees and charges relating to examinations owed to the host university are to be paid by you to that university.

7.9 Dishonoured payment charge

This charge applies to all payments of your enrolment fees that are dishonoured by the drawer's bank for any reason.

7.10 Higher doctorate assessment fee

If you apply to have previously published works assessed for the award of Higher Doctorate an assessment fee is charged. It is set to recover the costs associated with external examination of this work.

7.11 Higher Degree by Research candidates late completion fee

This fee applies if you do not complete your annual review of HDR candidature within set timelines.

7.12 Exchange program administration charge

This charge applies if you are a Deakin student offered a place in an exchange program at an overseas university. The charge contributes towards the cost of processing applications, holding interviews, liaising with overseas institutions and other administrative costs associated with the program.

7.13 Replacement of Deakin Card charge

This charge covers the cost of issuing you with a new student ID card because the original has been lost or destroyed.

7.14 Residential services fees

Residential services fees relate to the provision of services if you live in Deakin University residences. Services may include accommodation, catering, building maintenance fee, room contents insurance and telecommunication facilities.

Catering costs vary between Campuses. The Geelong Waurin Ponds Campus cost includes five meals per week, and the Warrnambool Campus cost includes three meals per week, except during university breaks. The Burwood residence is self-catering.

7.15 Parking fees

Parking fees apply at all Deakin Campuses.

Permits can be purchased from the Cashiers Office and [Deakin Central](#) on the relevant Campus.

Permits are available for the following zones.

No#	Zone	Type
1	Purple	Deakin Residence students only
2	Yellow	Deakin vehicles only
3	General	General parking
4	Orange	Reserved parking at Burwood and Geelong Waterfront
5	White	Pay-per-hour parking

Please visit deakin.edu.au/services/parking for relevant rates and information.

7.16 Internet charges

Where internet access is provided to you as a Deakin University student, the level of usage is limited to that which is appropriate to your particular units and course of study. If your usage is excessive or inappropriate, charges are applied. Further details of the University's internet charge conditions are available from Information Technology Services Division.

Please visit deakin.edu.au/about-deakin/administrative-divisions/esolutions/it-help/internet-and-network-services for more information.
