Open to School of Health and Social Development students
A fantastic opportunity to combine an international experience with academic credit.

$3000 SCHOLARSHIPS AVAILABLE!!
9 – 23 January 2016

You will gain:
• Significant insight into healthcare, health social policy, disease prevention and health and disability issues in a country with very different challenges and infrastructure to Australia.
• An introduction to experience Indian culture through a range of cultural activities as well as social engagements with the local community, gaining hands on experience of the challenges faced by the community.
• A potential international network and career opportunities.
• 1 credit point as a Health Elective (HSH360 / HSH760).

Applications close 8 MAY 2015, 5pm
