

## Candidature Agreement Quick Reference Card

---

### Quick Trouble shooting Guide

#### 1. I am a Deakin staff member as well as a Deakin HDR student and I can't log-in.

You have to use your Deakin **student log-in** details to access the online Candidature Agreement system. Your staff details are not recognised by the online Candidature Agreement system because it is in your capacity as a student that you are required to complete the Agreement.

#### 2. I don't know my student username or password so how can I log-in?

Go to: <http://www.deakin.edu.au/password/> and follow the instructions to create your username and password.

#### 3. I have logged in using my Deakin student username and password but there is nothing showing for me.

The agreement may not yet have been created for you. Please contact Deakin Research at [research-hdr@deakin.edu.au](mailto:research-hdr@deakin.edu.au) or 92445613 or 92517124.

#### 4. I am a transferred student and my thesis is close to submission. Do I still need to complete the Agreement?

Yes. All Deakin research degree students are required to complete the Candidature Agreement.

#### 5. Can I save my answers half way through, or log back in and change my answers later?

Yes.

- The form will save automatically as you complete a page and move to the next one.
- OR click on the save button      at the top of the screen.
- **Do not** use the forward or back buttons in your browser as this will not save your agreement and your work will be lost.

#### 6. I can't find the "SUBMIT" button to submit the form.
