

DEAKIN
MANAGEMENT
CENTRE

pure conferencing

Deakin Management Centre is a purpose-built residential conference venue dedicated to the art and science of conferencing.

We consistently deliver superior conference outcomes, because that's all we do. It's our pure discipline, our pure focus.

Perfectly positioned within the distraction-free landscape of Deakin University's Geelong Waurm Ponds Campus, Deakin Management Centre offers you a pure conference experience; a peaceful haven that seems a world away from Melbourne, yet is within easy reach.

Conference space for up to 180 delegates and accommodation for 114, superb cuisine and an intuitive service team ... all enhanced by our unique culture and physical environment that are custom - engineered to nurture higher learning and achieve best-possible conference outcomes.

Premium Facilities

All of our meeting and syndicate rooms are complete with fixed data projection, screen, flipchart, audio including facilities for ipod and whiteboard. Free video conferencing equipment is available in selected conference rooms. All functions of the meeting room can be controlled through an automated AMX panel or touch screen lectern. Our meeting rooms have controllable lighting and individual climate control as well as natural light and direct external access. Recreational facilities include a gym, heated pool and spa, tennis courts and walking tracks.

- > Fixed data projection in every conference and syndicate room
- > Free wireless network throughout the Centre
- > Free video conferencing available

Location

Pure access “well within your reach but a world away”

Located on 200 acres of Deakin University’s Geelong Campus at Waurn Ponds, Deakin Management Centre is a haven from external distractions. Approximately a one hour drive from

Melbourne (and the Melbourne Airport) and 30 minutes from Avalon Airport. We are within easy reach.

Pure Conferencing

We cater to virtually all types of meetings and conferences, some of which are;

- > Management development residential programmes
- > National conferences
- > High technology presentations
- > Corporate challenge and team building activities
- > Seminars, meetings and workshops
- > Training programs

Please call or email today to organise a site inspection and complimentary lunch.
