Trimester 3
Nov 2014

Melbourne | Geelong | Warrnambool | Cloud

WELCOME TO TRIMESTER 3

Are you new to Deakin this trimester? If so, welcome to Deakin and congratulations on your decision to study with us!

Starting at university is very exciting, but can also be a little daunting at the same time. You probably have lots of questions and may not know who to ask.

At Deakin, we make it a priority to support your transition into university and there are many services and resources available to help you while you're here.

If you haven't already visited the Get Started website, go and have a look now. The site has been designed specifically for new students and will give you an excellent introduction to Deakin.

While you're at Deakin, you should make the most of your time and get involved on campus. To help you do this and to stay in touch with events and activities on campus, check out:

- [Get Involved](#)
- Facebook – facebook.com/deakinlife
- Twitter – [@deakinlife](https://twitter.com/deakinlife)
- Instagram – [#deakinlife](https://instagram.com/deakinlife)

Good luck and enjoy your time at Deakin!

TIME MANAGEMENT MATTERS

There is always plenty to do when you are uni student: attending classes and seminars; reading, researching and writing assignments; but also catching up with friends, playing sport and working your part-time job.

Effective time management is not just critical to success at university, but can also help you enjoy the experience and reduce stress. Managing your time might be easier than you think. For great time management tips and free trimester and weekly planners, visit Study Support at

deakin.edu.au/students/study-support

YOUR DREAM JOB IS OUT THERE

SPORT AND RECREATION

YOUNG ALUMNI OF THE YEAR

Congratulations to Madison Robinson – young alumni of the year:
» Professional Netballer – Melbourne Vixens and Australian Team
» Bachelor of Education (Primary) 2010

One of Deakin's most successful female sporting alumni, Madison began her professional career in 2006, when she was selected to play for the Melbourne Kestrels.

Throughout this time, she continued her studies and graduated with a distinction average. She currently plays for both the Melbourne Vixens and the Australian Diamonds, and was voted ANZ Championships Player of the Year, International Player of the Year and Liz Ellis Diamond Winner in 2012. With a raft of awards throughout her distinguished career, Madison is considered to be not only one of our most valuable players, but also a remarkable and inspiring sporting leader.

In 2014, she represented Australia in the Glasgow Commonwealth Games, winning gold. Madison is also an ambassador for the Cotton On Foundation, Run Geelong and various other community charities in both Melbourne and Geelong.

deakin.edu.au/deakin-spirit

RUN GEELONG – DEAKIN UNIVERSITY TEAM

It is time to register for 2014 Run Geelong on Sunday 23 November. Deakin has previously won the Corporate Cup, with over 200 Deakin students and staff participating.

So, join our team!

If you register before 19 November, you can receive a \$10 rebate on your Deakin Card, a Deakin Cap and a pancake voucher for the Deakin Corporate tent.

How to register

- Go to Run Australia
- Select 'Run Geelong'
- Select 'Team', then 'Public School' and select 'Deakin University' from the drop-down menu

deakin.edu.au/sport-recreation

DEAKIN DRAGONS HOLD THEIR OWN AT 2014 AUG

The 2014 Australian University Games in Sydney were a successful campaign for the Deakin Dragons! The Deakin Dragons competed across ten sports and athletics, including basketball, beach volleyball, cycling, football, handball, hockey, netball, tennis, ultimate frisbee and water polo.

The successful results on and off the field highlighted the excellent leadership provided by our team captains, Jess Hollett and Danny Hardisty, all of our sport team managers, and the overall spirit of the entire university team.

The Deakin Dragons will look to build on this performance in 2015!

facebook.com/pages/Deakin-Dragons

DEAKIN INDIGENOUS DRAGONS – A SUCCESSFUL TOURNAMENT

The Deakin Indigenous Dragons flew into Perth for the 19th National Indigenous Tertiary Education Student Games (NITESG).

The team competed in five mixed sports – basketball, netball, touch, football and volleyball, as well as a traditional Indigenous game called 'fly'.

The week in Perth at the NITESG was a resounding success for the Deakin Dragons. It was great for Deakin University to have a team competing in the event and we will look to build on the results over the coming years.

The great sportsmanship our students displayed throughout the week was often praised by other teams and officials. Well done to all!

facebook.com/pages/Deakin-Dragons

DIWALI CELEBRATIONS

Thanks to all the students and staff who helped make Diwali a huge success this year. The performances were amazing to watch and the food was delicious as always. Thanks also to all those who attended from Geelong, Burwood and even Warrnambool. What a great event for Deakin to celebrate the diversity of its staff and students!

DEAKIN STUDENTS IMPRESS THE LORD MAYOR

On Thursday 9 October, two outstanding postgraduate Deakin students, and twin brothers, Hussein and Sherif Haggag, were invited to meet with the Lord Mayor of Melbourne, Cr Robert Doyle, at Melbourne's Town Hall.

The Lord Mayor was very interested in hearing about the various activities they have been involved in since arriving in Australia, and congratulated both of them on their achievements.

This was followed up with a message commending our two students on Twitter, which was also picked up by our Vice-Chancellor.

The brothers have both competed on the world stage in swimming, with Hussein winning a gold medal in the 200m Butterfly and a silver medal in the 100m Butterfly. On arriving in Australia, they continued their success in the pool, racking up several gold and silver medals at State Championships and the Australian Masters Games. Earlier this year, at the 2014 Victorian state swimming championship, Hussein again collected gold in the 50m Butterfly final, breaking a record that has stood for 23 years. Sherif came second in the 50m Freestyle and third in

both the 50m Butterfly and 50m Backstroke.

In addition to their research and swimming, both brothers find time to give back to the community. They volunteer to teach other international students how to swim, as part of the Deakin Sport and Recreation Learn to Swim Program. Many international students have never swam before and this program offers them an opportunity to learn to swim in a safe, non-threatening environment. After the eight-week program, many of the participants who had never swam, or even put their face under the water before, were able to swim confidently.

After seeing a visually impaired lady arrive at the gym to work out with her guide dog, Hussein also applied to be a volunteer with Vision Australia, and he now supports people who need help with their disability. Meanwhile, Sherif volunteers with Deakin University's Student Association, Red Shirts, where he assists with different activities. This includes creating a community partnership of knowledge, skills and expertise to provide new students with everything they need.

Finally, the twins volunteer with Deakin's Connect program to help students make a great start at Deakin, and have been involved in many community events in and around Geelong.

Well done Hussein and Sherif – we cannot wait to see what you will achieve next!

STUDENTS HELPING STUDENTS (SHS)

CONNECT, ENGAGE, ACHIEVE!

Deakin students love to help other Deakin students, and they are so good at it!

If you want to discuss academic, social or practical issues with an experienced Deakin student, then visit the Students Helping Students to see what is possible.

deakin.edu.au/students-helping-students

T3 QUIET? NOT FOR WRITING MENTORS!

Some may think Trimester 3 is quieter than Trimesters 1 and 2. Not the Writing Mentors!

If you want to discuss any aspects of your studies with an experienced student, whether it is about getting started with an assignment or getting the structure right, just ask away. Sometimes just talking about what you are doing helps to clarify your ideas! Writing Mentors pride themselves in helping other students, whether the issue is academic, practical or something else.

Writing Mentors are available on your campus and online.

deakin.edu.au/students-helping-students

PASS FOR PLACEMENTS – A NEW SHS PROGRAM

Lynn Milburn, Imogen Piper, Sophie Schultz and Helen Larkin

Fieldwork placement is essential for Occupational Therapy students, and they must pass placement to progress through their course.

PASS for Placements assists students with some of the essential fieldwork skills and competencies. The program is facilitated by peer leaders who have done well in placements and demonstrate a high level of insight into the challenges involved. It enables students to work with peers in a relaxed environment to practise key placement skills, discuss challenges and share preparation strategies.

Imogen Piper and Sophie Schultz, the two PASS for Placements Leaders, worked with staff to develop relevant content using PASS methodology, which focuses on collaboration and developing independent learning skills. This successful program was well attended by students across all year levels of the Bachelor of Occupational Therapy, and is likely to continue in 2015.

The outcomes of this program are also currently being evaluated.

SARAH STEEN – OUTSTANDING SENIOR LEADER AND MENTOR

Congratulations to Sarah Steen for winning the Outstanding Senior Leader/Mentor award at the 2014 Australasian Peer Assisted Study Sessions (PASS) Leader Achievement Awards at the 10th Australasian PASS Forum held at the University of Wollongong.

Sarah was up against stiff competition in her shortlisted category, but won the overall award for demonstrating exceptional qualities as a mentor and facilitator, and for enhancing fellow students' learning and engagement.

Sarah, who is now a PhD candidate at Deakin, started with the Peer Assisted Study Program (PASS) almost three years ago and has taken on a number of roles and responsibilities in her time as a PASS leader at Deakin. She now not only facilitates PASS sessions, but also mentors new leaders, appraises leader performance and provides feedback to other leaders. She also engages in the initial training of new leaders for the program.

The PASS program has been running at Deakin University since 2011 and is a free, voluntary, academic assistance program that uses peer-led group study to help students succeed. During Trimester 2 this year, the PASS program at Deakin offered 96 sessions in 36 units across four faculties. In the first four weeks of the trimester, 1000 students on average attended PASS each week.

For more information on the PASS program at Deakin, visit our website:

deakin.edu.au/pass

DUSA — FREE BREAKFASTS!

Don't miss DUSA's free breakfasts on every campus during T3!

- Burwood: every Wednesday outside DUSA's home in Building A
- Geelong Waurm Ponds and Waterfront: every Wednesday outside DUSA's Waurm Ponds and Waterfront offices
- Warrnambool: every Wednesday at the DUSA lounge

dusa.org.au

GET THE HELP YOU NEED WITH DUSA'S FREE, ACADEMIC ADVOCACY SERVICE

Are you concerned about academic progress or misconduct allegations, require special consideration or a review of results? DUSA's professional advocates can help. Even if you're just unsure and feeling stuck, talking with an Advocate will get you moving again.

If your faculty is proposing to restrict your enrolment or exclude you from your course, we recommend making an appointment with a DUSA Advocate ASAP, as there are strict timelines to respond to your faculty – delay could impact your future studies at Deakin. A DUSA Advocate will help you understand your options and guide you through this formal process, and if needed, will attend a hearing with you. Contact our advocates on 1300 555 528 or email dusa-advocacy@deakin.edu.au for an appointment on your campus.

Group appointments are recommended for students facing similar issues. Contact DUSA to find out about the next available group appointment regarding your circumstances. If in doubt, refer to the [free advocacy resources and information sheets](#) available on the DUSA website.

dusa.org.au/Need-help-Just-Ask/About-Advocacy

SORT IT! DEAKIN LEGAL SERVICES FOR STUDENTS

Sort it! Deakin Legal Service for Students is your FREE and confidential, on campus legal service. The service is staffed by fully qualified lawyers and migration agents, and is available to all currently enrolled Deakin students.

Deakin students come to us looking for advice on lots of different problems. The graph below shows the types of legal issues we have advised students on so far this year.

So if you think you may have a legal problem, visit our webpage and fill out our confidential online form.

Sort it! Deakin Legal Service for Students is a partnership between Deakin University Student Association (DUSA), Eastern Community Legal Centre (ECLC) and Barwon Community Legal Service (BCLS).

Join the conversation:

MOTIVATION, MEMES AND FUN

Did you take part in DUSA's motivation meme contest on Facebook during the T2 exam period? There were certainly some great submissions in there, some cheeky and some salient. Here are some of our favourite images. Make sure you like the [DUSA Facebook](#) page to stay in the loop with what's on and cool competitions like this.

WANT A FREE HOODIE? TOP UP YOUR MYKI CARD ON CAMPUS!

Did you know that you can top up your myki at any DUSA Bookstore? Getting to and from campus has never been easier, thanks to your local bookstore on campus. It's not just about textbooks when you visit a DUSA bookstore – you can also cater to your sweet tooth, pick up a new lucky pen or buy a stamp for that card you were meant to send to your aunt last week. The DUSA bookstore has got you covered.

DUSA bookstore locations and opening hours:

Burwood, Building F

- Mon – Fri: 8.30 am-5 pm

Waurm Ponds, Geelong, Building A

- Mon – Thu: 8.30 am-5 pm
- Fri: 8.30 am-4 pm

Waterfront, 1 Gheringhap Street, Geelong

- Mon – Thu: 9 am-5 pm
- Fri: 9 am-4 pm

Warrnambool, Building H2-3

- Mon – Fri: 8.30 am-4 pm

Special offer! Receive a FREE DUSA hoodie when you top up your myki card at any DUSA Bookstore anytime during T3 (while stocks last).

DUSA E-NEWSLETTER

The DUSA E-Newsletter is a must for all Deakin students. It's FREE to join and includes amazing content. Subscribe online at <http://bit.ly/dusa-enuws>

DEAKIN MEDICAL CENTRES

Deakin Medical Centres are located on each campus, providing free medical and nursing services to students. There is an out-of-pocket cost for staff of approximately \$20 per consultation.

The medical centres have a fantastic team of dedicated doctors, nurses and health professionals working on campus. Appointments can be made by contacting Student Life or using our 24/7 Online Appointment booking system. Please note that all appointments are listed online, so if you cannot see a provider or a suitable time, then please give us a call.

New Doctors: Burwood campus

Dr Vani Reddi and Dr Julie McClellan have recently joined the centre at Burwood. Both Vani and Julie have previously worked in university health services. They are highly experienced GPs with interests in mental health and wellbeing, offering maternity shared care services.

New Doctors: Waurm Ponds campus

Dr Gerry McKeague has recently joined Dr Eileen Cole at Waurm Ponds and is working Monday and Tuesday mornings. Gerry has recently moved with his family to Geelong from Ireland, where he worked at the University of Dublin Student Health Service, and is keen to continue his work at Deakin University.

Welcome to International Students

The on-campus medical centres have direct billing to BUPA, Medibank Private and OSHC Worldcare. If you have any of these cards, there will be no out-of-pocket cost to see a doctor on campus.

All visits are confidential, which means 'you tell us, we tell no one'. Australian has very strict laws to ensure privacy of health information, which we must follow. If you need to see a nurse/doctor or need health advice or information, then please contact the Medical Centre. We wish you all the best with your studies.

deakin.edu.au/medical-centres

SMOKE FREE DEAKIN

Smoking is banned on all Deakin campuses. If you do smoke, support is available through the QUIT Victoria organisation and the Deakin Medical Centres on campus. Free Nicotine Replacement therapies are available or you can sign up for a free QUIT or hypnotherapy session. A great app to assist you is My Quit Buddy.

deakin.edu.au/smoke-free

SUNSMART

As we head into summer, we all hear about being SunSmart. Here are some really useful tips for everyone to follow:

- Book a skin check at your local GP or the medical centre on campus before summer
- Slip on clothing
- Slop on sunscreen
- Slap on a hat
- Seek out shade
- Wear sunglasses
- Download the free SunSmart app.

Find out more at:

sunsmart.com.au/uv-sun-protection/slip-on-clothing

SURVIVING SUMMER AT UNIVERSITY

Whether you are new to Deakin University, doing a catch-up trimester, or are trying to get ahead in your course work, Trimester 3 (T3) certainly has its challenges! Will the sun seduce you away from your studies? Or will it be your friends who are on holiday during what is traditionally known as the festive season for Australians? Or for those of you commencing your study in T3, will the new faces, new rules, and uncertainty feel overwhelming and isolating? These sort of challenges can make you wonder whether you have made the right decision to study in T3.

Quick Survival tips

1. Sometimes it can take several months to really get used to being at university over the summer. Allow yourself time to settle in.
2. Take time to connect with other students early on in the trimester. It will help you settle in quicker.
3. Share your experience with fellow students, you may be surprised by the similarities in challenges experienced amongst students.
4. Always keep your eye on your ultimate goal (e.g., completing a course) and how your study over the summer assists you with reaching these goals.
5. Allow yourself to enjoy the summer whilst still studying. Reward yourself for completing a study task by catching up with friends, or allow yourself to take an afternoon off to go to the beach once you submit that assignment.

For more helpful information and ideas to help you succeed in your studies, visit the Counselling Service on your campus or the counselling website:

deakin.edu.au/life-at-deakin/health-safety-wellbeing

16 DAYS OF ACTIVISM AGAINST GENDER VIOLENCE

The 16 Days of Activism against Gender Violence is a global campaign to raise awareness about violence against women and its impact on a woman's physical, psychological, social and spiritual wellbeing. Human rights cannot be universal without human rights for women.

The 16 Days of Activism begin on Tuesday 25 November, on International Day for the Elimination of Violence Against Women and ends on Wednesday 10 December, International Human Rights Day. These two dates highlight that violence against women is a human rights abuse.

During this campaign, Deakin's Equity & Diversity will further raise awareness about the prevalence and devastating impact of gender violence in Australia and the world.

One of our main events this year will be an experiential workshop by Professor Bob Pease, Chair of Social Work at Deakin. Bob's session, titled 'Take a stand: what all men can do to prevent violence', will raise awareness about the forms and prevalence of men's violence against women and encourage non-violent men to challenge the sexism and violence of other men.

All members of the Deakin community are encouraged to attend these events. Our aim is to make our working and learning environments a safe place, where there is an increased awareness of this serious issue, and where people are empowered to speak out to end violence against women.

TAKE A STAND:

HOW MEN CAN HELP PREVENT VIOLENCE

Join Professor Bob Pease to discuss why men need to be involved and what they can do to end violence against women. This workshop seeks to change the attitudes and behaviours that lead to and perpetuate men's violence against women, by engaging boys and men to facilitate social change.

Title: 'Take a stand: what all men can do to help prevent violence'
Date: Friday 28 November, 11 am-1 pm
Venue: Burwood Corporate Centre, Room East 1, Level 2, Building BC
RSVP: www.take-a-stand.eventbrite.com.au

deakin.edu.au/equity-diversity/violence-against-women

LIBRARY NEWS

If you are new to Deakin, or just new to the Library, it's never too late to drop in and visit. Orientation week is a great opportunity to learn about all of our important library services and spaces, meet our friendly and expert staff, and discover where to go to get more information.

But don't worry if you can't come to campus for orientation. Our website and social media pages also have all the information you'll need to stay in the loop! You can ask us for help and learn about library services at any time, whether it's online, in person, or by phone.

LIBRARY WORKSHOPS AND ORIENTATION TOURS

Melbourne Burwood Campus, Building V

Library tours will be offered from the Library foyer on Level 2

- Orientation Week and Week 1 (Monday 3 November – Friday 14 November): 10 am-3 pm, tours commence on the hour; 3 pm-7 pm, tours offered on request, please ask at the Library service desk.

Workshops will be offered from Library training lab v2.51 (orange lab)

- Introduction to Library resources workshops (duration: 15 minutes)
- Orientation Week and Week 1 (Monday 3 November – Friday 14 November): 10 am-2 pm, workshops commence every hour, please ask at the Library service desk.

Geelong Warrn Ponds Campus, Building JC

Library tours will be available on request from the Library service point on Level 2.

- Orientation Week (Monday 3 November – Friday 7 November): 10 am-1 pm
- Weeks 1 and 2 (Monday 10 November – Friday 21 November): 11 am-1 pm

Workshops commence every hour from Library training lab JC2.011

- Introduction to Library resources workshops (duration: 15 minutes)
- Orientation Week (Tuesday 3 November – Thursday 5 November): 11 am-1 pm
- Week 1 (Tuesday 10 November – Thursday 12 November): 11 am-1 pm
- eSolutions support for 'Connecting your mobile devices to the University WiFi is available from the Level 2 Newspaper area in the Library
- Orientation Week (Monday 3 November – Friday 6 November): 9.30 am-4 pm

Geelong Waterfront Campus, Building D, Level 3

Library tours will be available on request from the Library service point on Level 3.

- Orientation Week and week 1 (Monday 3 November – Friday 14 November): on request

Workshops are held in the Library Training Room

- Introduction to Library resources workshop (duration: 10 minutes)
- Orientation Week and week 1 (Monday 3 November – Friday 14 November): 1 pm
- Searching for information workshop (duration: 20 minutes – bookings not required)
- Weekdays (Monday 24 November – Friday 28 November): 1 pm

Warrnambool Campus, Building B

Library tours will be available on request from the Library service point. Monday 3 November – Friday 7 November: 10 am-2 pm

For a great overview of what your Library can do for you, check out Getting Started with your Library.

BROWZINE – A FREE APP YOU SHOULD KNOW ABOUT!

Browzine is an app that brings together key journals from across your discipline area into one convenient location. See the latest issues of journals, from Early Childhood Education Journal, Nature, The Modern Law Review and many more, as they are released.

By logging in with your Deakin username and password, the app provides access to a selection of Library-subscribed content, allowing you to browse journals by subject, create a personalised bookshelf and bring together content from multiple publishers and platforms.

Using Browzine you can:

- read complete scholarly journals, optimised for mobile devices
- read, annotate and save specific articles, for later reference
- receive alerts when new issues of your favourite journals are published
- save articles to Zotero, Mendeley, Dropbox and other services
- Browzine is a free app, available for iPad and Android tablets and smartphones.

For more information, visit the [Browzine homepage](#) and [knowledge base](#).

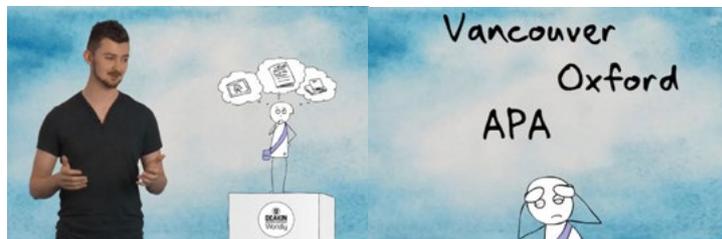

thirdiron.com/browzine

Good luck with your T3 studies! Remember, the Library is open a range of hours to suit your study needs, with expert staff to help. Whether you're on campus or online anywhere in the world, contact us in the way that suits you best:

DEAKINSYNC

Getting to Deakin using DeakinSync

DeakinSync can assist you in so many ways. Your DeakinSync experience is designed to keep you connected and in control, so you can always access what's important to you from one location. You will have direct access to StudentConnect, your timetable, your units in CloudDeakin, including tools to manage your inbox, your calendar, and your life.

Did you know you can check when the next cube bus is leaving from the Geelong or Burwood campuses? DeakinSync knows what campus you are on and can give you the information you need about that campus. Cafés, transport, library opening hours, and so much more.

DeakinSync – your new personal hub with easy access to everything you need to succeed.

deakin.edu.au/deakinsync

WATSON

Watson is coming in 2015. But what is Watson?

Well, in the future Watson will be able to answer that question for you.

Watson is a cognitive technology that processes information more like a human than a computer.

In 2015, students will be able to ask Watson questions relating to Deakin, and Watson will provide the answers. You can ask Watson about your course, tuition and fees, financial assistance, student housing, how to get involved with university life, health and wellness, facilities, job placement, employment preparation, job skills assessment and academic help, and any other Deakin questions you may have.

Watson will be available to all students in 2015 via DeakinSync.

Initially, it will be able to respond to questions relating to incoming students. The more it is used, the smarter it gets, and eventually Watson will be able to help you answer any Deakin question you may have.

Help us train Watson

We are currently collecting content to prepare Watson. If you know of a question (or two) that you think Watson should know, submit it online at:

qa.softwaresupportnext.com/deakin

Learn more about Watson:

youtube.com/watch?v=Y_cqBP08yuA
