

## School of Life and Environmental Sciences

### Potential Organisations for Professional Practice Placements

PLEASE NOTE: The organisations listed are suitable for a professional practice placement, however, you must contact each organisation individually about the possibility of undertaking a placement with them. It is up to each organisation if they can accommodate a placement for you. Where there is a unit/s listed in the column below, this indicates that there is an agreement in place with the organisation.

Organisation	Trading name or Business Name; Website; Special information and / or instructions for students	Unit/s
