1. The Vice-Chancellor:
   (a) shall be responsible for the administration of the University; and
   (b) may establish or disestablish administrative divisions, units or other operational areas or
        services within the University as he or she considers appropriate for the good management of
        the University.

2. The Vice-Chancellor may, by written notice, delegate any or all of his or her powers under this
   regulation to such person or persons as he or she may think fit. Such notice shall be sufficient authority
   for that person to exercise the powers so delegated, and does not detract from the Vice-Chancellor’s
   right or responsibility to exercise such delegated power or powers.
