## Scholarships at Deakin

### Scholarship application tips

Whether it's by helping them overcome disadvantage or by recognising their academic merit, our scholarships could transform your students' lives and futures.

As the deadline for some scholarships approaches, it is important for students to set aside time to thoroughly organise their scholarship applications to ensure they are high-quality and ready to submit on time.

Students must:

- ensure they understand the scholarship eligibility and application process
- be aware of the supporting documentation required to support their scholarship.

### Where to apply

Applicants can apply for selected scholarships through the VTAC system and are also encouraged to complete a separate application through the [Deakin University Course and Scholarship Applicant Portal](#). The closing dates for scholarships through Deakin University and VTAC are different; applicants should check the information on both websites.

New scholarship opportunities will open regularly until the start of Trimester 1. Students are encouraged to routinely check for new opportunities on the Deakin University Scholarships website:

[deakin.edu.au/courses/scholarships](http://deakin.edu.au/courses/scholarships).

## Step on campus

### Missed Open Day? Visit us in the term 3 school holidays

Step on Campus allows students and their families an opportunity to take a personalised tour of Deakin University during the term 3 school holidays. Participants will be offered a 45-minute tour with a current Deakin student to learn more about Deakin's study areas, campus life and how to make the best transition into university.

The school holiday program will be held at all four Deakin campuses: Burwood, Waurm Ponds, Waterfront and Warrnambool. Tours will be conducted at 10am and 12pm each day of the event. Dates for each campus are listed below.

- **Geelong Waterfront Campus**  
Tuesday 25 September 2018
- **Warrnambool Campus**  
Tuesday 25 September 2018
- **Melbourne Burwood Campus**  
Wednesday 26 September and 3 October 2018
- **Geelong Waurm Ponds Campus**

## Warrnambool and Geelong VCE Exam Revision Lectures

Deakin University is proud to bring the 2018 Access Education VCE Exam Revision Lectures to our Warrnambool and Geelong Campuses.

The VCE Revision Lecture program allows students studying a VCE Unit 3 or 4 to revise the unit content in a supported structured environment, to help prepare them for their end-of-year exam. The lectures are facilitated by VCE professionals, who are subject experts in their fields.

### Students will access:

- a team of highly experienced lecturers who are experts in their fields
- extensive and detailed exam revision lectures of up to three hours
- a greater level of confidence
- tips to better understand and tackle exam questions
- pointers on previous year's exam pitfalls
- subject-specific study notes prepared by the lecturer
- general and subject specific exam strategies.

### Warrnambool VCE Exam Revision Lectures

**Date:** Tuesday 25 and Wednesday 26 September 2018

**Location:** Deakin University Warrnambool Campus

### Geelong VCE Exam Revision Lectures

**Date:** Saturday 6 and Sunday 7 October 2018

**Location:** Deakin University Geelong Waterfront Campus

# Faculty features

## Faculty of Arts and Education

### Upcoming information sessions:

#### ► CASPer: non-academic selection tool for initial teacher courses

If students are applying for the Bachelor of Education (Early Years), Bachelor of Education (Primary), Bachelor of Health and Physical Education, Master of Applied Learning and Teaching or Master of Teaching, they will need to sit the CASPer test on one of the following dates:

#### Date and times

- Tuesday 25 September 2018 8pm (AEST)
- Sunday 14 October 2018 1pm (AEDT)
- Thursday 29 November 2018 6pm (AEDT)
- Sunday 9 December 2018 1pm (AEDT)
- Friday 4 January 2019 10am (AEDT)
- Tuesday 22 January 2019 6pm (AEDT)
- Thursday 7 February 2019 6pm (AEDT)

The CASPer test is not a pre-requisite for the Bachelor of Arts/Master of Teaching (Secondary), Bachelor of Science/Master of Teaching (Secondary) or Associate Degree of Education. In both secondary teaching courses, students will need to sit the CASPer test towards the end of their Bachelor Degree before beginning the Master of Teaching component. When transitioning from the Associate Degree of Education to a target bachelor's course, students will need to undertake CASPer during the application process.

*\*Please note times are listed in Australian Eastern Standard Time (AEST) and Australian Eastern Daylight Time (AEDT) as specified. Ensure you are aware of any time zone differences before the test.*

If your student requires additional support or modified testing conditions, a formal request and supporting documentation must be provided at least three weeks in advance of the applicant taking the test, to allow sufficient time for document review and a decision on support required.

## Faculty of Business and Law

Congratulations to 'Flower Power' from Yarra Valley Grammar for winning the Nextgen illuminate challenge! Deakin Business School (DBS) partners with Illuminate Education to deliver the *NextGen challenge*. This week-long program allows secondary students to experience first-hand what it takes to be an entrepreneur and small business champion. The program is developed by Adam Mostogl (Top 30 Under 30 Australian Entrepreneurs 2017, Tasmanian Young Australian of the Year 2015), and is facilitated by DBS Academic staff and student ambassadors, with the support of the local business community.

In August 2018 the program was delivered at Koonung Secondary College where 40 students in years 9 and 10 from Koonung Secondary College, Whitefriars College and Yarra Valley Grammar came together. The students were given the skills and support to develop a social enterprise and complete several tasks and presentations. On the last day, Deakin hosted an awards ceremony where family and friends were invited and the students were given the opportunity to showcase their businesses.

Congratulations to all who participated!

If your school is interested in being a part of this exciting free initiative in 2019, please contact [bl-recruitment@deakin.edu.au](mailto:bl-recruitment@deakin.edu.au).

## Faculty of Health

### ► Health Masterclasses

Designed specifically for Career Practitioners, the Faculty of Health will be offering 2 masterclasses towards late November/early December.

Our 2018 masterclasses will give you an insight into the future of Occupational Therapy and the differences between Nutrition and Dietetics.

Each masterclass will be facilitated by our academic experts and current students and will include tours of our brand new OT labs at the Waterfront campus, and our state-of-the-art Nutrition labs at our Burwood campus.

Places are limited, so keep an eye out for invitations to be sent via email in the coming weeks with further details on how to register.

## Faculty of Science, Engineering and Built Environment (SEBE)

### Exclusive scholarships available for commencing students

#### ► Global Science and Technology Program

If you have students interested in travelling as part of their degree, then consider the Global Science and Technology Program. This scholarship program is open to all courses offered by the Faculty of Science, Engineering and Built Environment, and aims to recognise, reward and support high achieving students interested in conducting part of their studies overseas, in order to develop new skills and a broader worldview. Successful applicants will receive a \$3000 scholarship to assist with travel costs and will participate in the Deakin Global Citizenship Program. The Global Science and Technology Program has a two-step application process. For further details please visit: [deakin.edu.au/sebe/study-opportunities/global-science-and-technology-program](https://deakin.edu.au/sebe/study-opportunities/global-science-and-technology-program).

#### ► IGNITED Scholarship

The IGNITED Scholarship has been created to ignite female interest in areas of study and work that are traditionally underrepresented by women, including engineering, information technology and construction management. This scholarship is open to female students entering an approved undergraduate degree. Each scholarship is valued at \$5000 per year for the normal duration of the course and recipients are also assigned an academic mentor. For further details about applicable courses and how to apply, please visit: [deakin.edu.au/courses/scholarships/find-a-scholarship/ignited-scholarship-igniting-female-interest-in-engineering-information-technology-and-construction-management](https://deakin.edu.au/courses/scholarships/find-a-scholarship/ignited-scholarship-igniting-female-interest-in-engineering-information-technology-and-construction-management).

#### ► AusNet Services Scholarship

Scholarships are awarded to successful female applicants entering Deakin's Bachelor of Electrical and Electronics Engineering (Honours) undergraduate degree. Each scholarship is valued at \$10,000 per year over the normal duration of your course and includes vocational work and a mentoring program. For full details about the scholarship, including selection criteria, how to apply and closing dates please visit: [deakin.edu.au/courses/scholarships/find-a-scholarship/ausnet-services-women-in-power-engineering-scholarship](https://deakin.edu.au/courses/scholarships/find-a-scholarship/ausnet-services-women-in-power-engineering-scholarship).

#### ► PaperSpace Exhibition

A reminder that The School of Architecture and Built Environment will be hosting its annual student exhibition PaperSpace in November. The exhibition showcases the outstanding work completed by undergraduate and postgraduate students from our architecture, construction management and landscape architecture courses. The exhibition is free and open to the public daily. Guided tours can be arranged for school groups. Please email the School of Architecture and Built Environment to arrange tours: [ab-hos-assistant@deakin.edu.au](mailto:ab-hos-assistant@deakin.edu.au).

## Deakin Accommodation

### Live at Deakin – Your launch Pad

With on-campus accommodation now available at each of our four campuses, living on campus at Deakin means your students are part of a future-focused community that provides a safe environment for personal development as they transition into their future. Deakin residents are more likely to achieve higher academic grades than their peers and feel better connected with the Deakin community.

Year-round events and activities, including a tailored orientation program, ensures your students enjoy a healthy social and academic balance when living on campus.

Applications open for T1 2019. Learn more about the Deakin residential experience and how to apply at [deakin.edu.au/live](http://deakin.edu.au/live).

### STEM program

Deakin Warrnambool's new STEM program offers endless opportunities for school groups to experience and stay at our Warrnambool Campus. Our state-of-the-art facilities and resources aim to challenge young minds and discover future prospects at Deakin Warrnambool. Victorian curriculum-linked activities are aimed at early years primary, right through to middle years secondary and include:

- create and explore virtual worlds
- introduction to robotics
- introduction to coding
- promotion of critical and creative thinking.

Packages can be customised for your school and can include our new STEM program, accommodation and other Deakin University and Warrnambool activities. For more information contact: [wrsadmin@deakin.edu.au](mailto:wrsadmin@deakin.edu.au) or 03 5563 3111.
