

PROVEN IDEAS FOR ENERGY EFFICIENCY WITH YOUR CLIENTS

Electricity, Gas and Water prices are rising.

Rising costs will have an impact on the health and wellbeing of the people we work with.

Through the Southern Grampians & Glenelg Primary Care Partnership (SGGPCP) Kildonan Family Services will facilitate a **FREE** workshop. The session will cover:

- The story so far: Why this is important.....so much more than light bulbs and insulation....
- Tips and strategies to save energy in the home – relevant to you and your clients
- How to start the conversation with your clients and the community
