Graduate Certificate of Diabetes Education

Information on:

- Postgraduate courses: http://www.deakin.edu.au/future-students

- How to apply **online**: http://www.deakin.edu.au/future-students/applications-enrolments

- Applicant portal: http://applicantportal.deakin.edu.au/connect/webconnect

- Fees: http://www.deakin.edu.au/fees

Note: **The application portal for completion of an online application form for commencement in Trimester 1 2017 will open later this year. The date is yet to be confirmed.**

Documentation required in support of an application for this course include:

- Curriculum Vitae

- Proof of registration or accreditation as a health professional where appropriate

- Full Transcript of results for all Tertiary Degrees [certified copy in PDF]

- Evidence of Australian Permanent Residency or Citizenship, such as a birth certificate or passport [certified copy in PDF]

All supporting documents should either be uploaded onto the website following completion of your online application form or, alternatively, emailed to submit-docs@deakin.au.

As a last resort, they can be posted to:

Admissions, Enrolments and Records
Division of Student Administration
Deakin University
Geelong Vic 3217

Please Note: Not providing supporting documentation or omitting any documents will result in a delay in the selection process.

Following selection, an offer into the course will be completed online. An applicant will receive an email from Deakin Student Administration requesting they go online to accept their offer, following which an enrolment package will be mailed out requesting an applicant to enrol in units for both trimester 1 and trimester 2.

Please direct any queries to the Postgraduate Enrolment Officer, School of Nursing and Midwifery, Melbourne Campus at Burwood: postgrad-nurs@deakin.edu.au
