Health and physical education
If you’re inspired to teach, you’ve got the power to make a huge difference in the lives of young people. Our education and teaching courses focus on leadership, communication and organisational skills to provide a solid foundation for your future career.

Teaching at Deakin

Get a first-class learning experience
The teaching courses at Deakin are ranked in the top 30 universities in the world. This is based on the 2017 QS World University rankings, which are informed by academic and employer reputation, as well as research impact.

Experience the classroom before you graduate
Research has shown that teachers perform better in the workforce when they have had practical teaching experiences throughout their university course. At Deakin we ensure you have all the practical experience you need to hit the ground running. Starting in your first year, and for the duration of your course, you will benefit from several in-school experiences as part of the Professional Experience Program.

Deakin education connections provide work placement opportunities
Deakin maintains close links with the education sector to ensure our courses are developed and reviewed with industry and professional input. You will be taught by staff members who have industry experience and who have been recognised as leaders and innovators in their fields. This means you can be confident that what you learn at Deakin will be relevant to your future teaching career.

Get work ready – we are the #1 university for skills development
Ranked the number one university for skills development in Victoria*, Deakin’s course curriculum integrates real-world expertise with practical skills to give our students a competitive edge.

* 2016 Student Experience Survey

Professional Experience Program
The Professional Experience Program is a critical part of every Deakin teaching student’s course experience. Working with more than 1400 schools across Australia, we’ll arrange at least 80 days of placements for you in schools where you’ll learn from experienced teachers. Students also have access to specialised teaching spaces on campus to prepare for teaching.
Teaching at Deakin

Take your professional experience one step further
At Deakin you can gain an international perspective on teaching by undertaking your professional experience overseas through our Global Education Program, a teaching practicum that develops a broad range of teaching and learning approaches. Opportunities may be available from overseas locations such as Canada, Chile, Malaysia, Nepal and Switzerland.

Broaden your skill set and gain an understanding of international and intercultural education. We have a strong commitment to Indigenous teacher education and also run a Global Education Program in Australia’s Northern Territory.

We match our students with schools
Deakin works closely with schools to ensure that practical experiences provide the best possible learning opportunities for future teachers. A dedicated team will work with you to find the right placement based on your interests, skills, residential location and mode of transport.

Deakin participates in the Victorian State Government supported teaching academies and alliances program. Our alliance partners in three of Deakin’s campus areas provide pre-service teachers with placement opportunities in local schools. Some of these placements are exclusive to Deakin students.

Learn without limits
Teachers are needed to work in rural, regional and metropolitan areas, and likewise Deakin offers the opportunity to study education in each of these settings, at our campuses in Burwood (Melbourne), Waurn Ponds (Geelong) and Warrnambool, as well as via the Cloud Campus. You may also be able to transfer between campuses as you progress through your course, providing you meet the course requirements and there is availability in the course.

‘Deakin pre-service teachers are supported in all aspects of professional experience and have ongoing communication with the staff to ensure that they have the best opportunity to develop as teachers. Visits to students during placements provide strong mentorship and support. We are extremely fortunate that our partnership schools provide rich experiences and embrace our pre-service teachers into their teaching and learning communities.’

Ian Trend
Manager, Professional Experience Program

The most satisfied students – 8 years in a row*
At Deakin, we pride ourselves on the satisfaction of our students and the success of our graduates. To us, the experience of each student matters, from the quality of teaching they receive to their ongoing employability. When Deakin scores highly in a number of rankings year on year, it’s thanks to many thousands of these great individual experiences.

* Australian Graduate Survey 2010–2015, Graduate Outcomes Survey – Quality Indicators for Learning and Teaching 2016–2017
Study areas

At Deakin we prepare teachers for employment in all sectors and levels of early childhood, primary, secondary/vocational and adult education. Read through these descriptions and, if they interest you, go to the relevant course in the following pages to find out more about the course, what you’ll study and the types of careers it may lead to. You can also visit deakin.edu.au for detailed course information, including a description of the units within each degree.

Early years

Gain a dual accredited degree that provides employment options in early childhood, preschool and primary school settings by studying the Bachelor of Education (Early Years). With extensive professional experience opportunities and the choice to specialise in a range of discipline areas, you will graduate with a qualification that is in high demand to meet the significant growth of the Australian early childhood education sector.

See Bachelor of Education (Early Years), page 6.

Primary education

Our courses in primary teaching focus on initial professional studies in primary education and qualify you to teach up to Year 8. As a graduate you’ll be equipped to teach young people the knowledge, skills, understandings and values to enable them to make sense of, and contribute to, the world now and in the future. See...

Bachelor of Education (Primary), page 7

Secondary teaching

Deakin’s unique combined secondary education courses allow you to specialise in arts or science while gaining your secondary teaching qualification. You can specialise in various areas and learn to teach subjects from junior secondary to VCE level. Extensive quality school placements in a variety of education settings help you discover your interests as a future teacher.

See...

Bachelor of Arts/Master of Teaching (Secondary), page 10

Bachelor of Science/Master of Teaching (Secondary), page 9

Bachelor of Health and Physical Education, page 8.

Health and physical education

Learn to teach health and physical education in secondary schools and gain a third teaching method from a range of discipline areas, including biology, chemistry, drama, mathematics, English, home economics and history. Working closely with school partners, we have developed the best learning experiences tailored to health and physical education for our student teachers, ensuring Deakin teacher graduates are highly sought-after.

See Bachelor of Health and Physical Education, page 8.

Non-academic assessment tool entry requirements for initial teacher qualifications

Students are required to undertake a non-academic assessment to measure personal and professional characteristics like ethics, empathy, communication, resilience, judgement, teamwork, and more. It is an opportunity for students to demonstrate their personal characteristics and how these are suited to a teaching career. Find out more at deakin.edu.au/teaching.

Courses

Bachelor of Education (Early Years)

Deakin’s Bachelor of Education (Early Years) allows students to gain hands-on experience within early childhood and primary education. Studies focus on contemporary issues in children’s learning and development, curriculum theories and pedagogies, discipline knowledge and the changing work context within early childhood and primary education. Students apply their learning in professional contexts, gaining experience and confidence as pre-service teachers in early childhood, preschool and primary school settings. Meeting new national teaching, education and care standards in early childhood and primary education, this course prepares students for diverse learning contexts in the 21st century.

Professional recognition
This program is approved by the Australian Children’s Education and Care Quality Authority (ACECQA) as an early childhood teaching qualification in Australia, and is accredited by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian professional standards for teachers. This course will prepare you to meet all requirements to register with VIT.

Careers
Increasingly, there is a demand for qualified early childhood teachers who can teach children in early childhood, preschool and primary school settings. Graduates of this course will have varied career opportunities, including working as an early childhood teacher, service director, coordinator, preschool field officer, adviser or senior adviser within early childhood facilities. In addition, graduates can be employed as primary school teachers or seek employment in government agencies, community services and not-for-profit organisations.

Professional experience
This course includes 115 days of supervised professional experience placements. A current Working with Children Check is required before commencing early childhood/school experience placements.

Course structure
32 credit points, including 29 credit points of core units, 115 days of supervised professional experience, 1 credit point of early years teaching specialisation and 2 credit points of primary teaching specialisation.

- Cloud Campus students are required to attend compulsory intensives.
- International students can only enrol at the Melbourne Burwood Campus.
- This course is also available at the Institute of Koorie Education.
- This course is not available to international students.
- This course is also available at the Institute of Koorie Education.
- Trimester 3 intake is offered to Diploma of Early Childhood Education holders only.
- Students with a Diploma of Early Childhood Education and Care are able to complete the course in three years full-time or part-time-equivalent.
- Students with a Diploma of Early Childhood Education are able to complete the course in three years, full-time or part-time-equivalent.
- This course is also available at the Institute of Koorie Education.
- All professional experience placements must be undertaken in an approved school within Australia.

Bachelor of Education (Primary)

Study towards a creative, rewarding and challenging career with Deakin’s Bachelor of Education (Primary). Gain the knowledge, skills, understandings and values required to teach young people. Deakin’s aim is for graduates to be professional educators who can demonstrate that they are classroom-ready and able to make a difference to students’ learning. You will also be supported in your learning through Deakin’s Professional Experience Program. The Professional Experience Program gives you at least 80 days work experience in schools alongside experienced teachers. You will also have the opportunity to undertake a work placement in international or remote Northern Territory settings through our Global Education Program.

Primary subject specialisation
Students will have the opportunity to develop advanced skills in a key area of the primary school curriculum, which provides a competitive advantage for employment. The following primary specialisations will be offered subject to demand and availability:

- health and physical education
- humanities
- language and literacy
- languages
- mathematics and numeracy
- science
- special educational needs
- visual arts

You can also select the International Baccalaureate Primary Years options as an elective unit in Year 3 of your course. This will allow you to be eligible to apply for the IB PYP teaching certificate from the IBO.

Professional recognition
Deakin’s Bachelor of Education (Primary) is currently undertaking accreditation with the VIT as a nationally accredited course for the purposes of teacher registration in Victoria. Graduates intending to apply for registration in Victoria should carefully check all requirements relating to this process specified at vit.vic.edu.au. The course is the only undergraduate teacher education program in Victoria to be accredited with the International Baccalaureate Organisation to offer a recognised pathway for teaching in the IB Primary Years Program. This course will prepare you to meet all requirements to register with VIT.

Careers
There is a strong demand for qualified teachers and graduate starting salaries for teachers are high compared to the graduate average. An increased demand for teachers has also resulted in improvements in teaching conditions, resources and career advancement opportunities.

Mitchell Norton
Bachelor of Education (Primary) graduate

Professional experience
This course includes 80 days of supervised professional experience placements. You will also have the opportunity to undertake a work placement in international or remote Northern Territory settings through our Global Education Program. A current Working with Children Check is required before commencing school experience placements.

Course structure
32 credit points, including 26 credit points of core units, 80 days of supervised professional experience, 4 credit points of primary subject specialisation and 2 credit points of electives.

- This course is also available at the Institute of Koorie Education.
- This course is not available to international students.
- All professional experience placements must be undertaken in an approved school within Australia.

Associate Degree of Education
Deakin’s Associate Degree of Education provides an accessible pathway to higher education. From day one you will commence studying units from your target bachelor’s degree. You may be eligible for up to 18 months’ Credit for Prior Learning and guaranteed entry into the E359 Bachelor of Education (Primary). You will benefit from small class sizes, state-of-the-art technology and outstanding facilities, allowing you to develop the necessary skills to become a successful university student.

I have been involved with many different projects at local schools through my Deakin Placement. The one that stands out to me was my Global Education Program last year. I was able to put the skills I had learnt into use at a small inner-city school in North Vancouver, Canada.

Mitchell Norton
Bachelor of Education (Primary) graduate
Courses

Bachelor of Health and Physical Education

Prepare for a career in health and physical education with this unique course. Working closely with school partners, we’ve developed the best learning experiences tailored to health and physical education to ensure you gain hands-on practical teaching experience.

You will explore areas including applied sports science, biomechanics, motor learning and development, exercise physiology, health and human development, nutrition, and education.

You will also discover the science and art of movement education and performance skills through mediums such as gymnastics, and gain an understanding of basic anatomical and physiological language and terminology.

Deakin’s aim is for graduates to be professional educators who can demonstrate that they are classroom-ready and able to make a difference to students’ learning. You will also be supported in your learning through Deakin’s Professional Experience Program. The Professional Experience Program gives you at least 30 days hands-on work experience in schools alongside experienced teachers.

Professional recognition

Deakin’s Bachelor of Health and Physical Education has been approved by the Victorian Institute of Teaching (VIT) for the purposes of teacher registration in Victoria. Graduates intending to apply for registration in Victoria should carefully check all requirements relating to this process specified at vit.vic.edu.au. This course will prepare you to meet all requirements to register with VIT.

Careers

As a Deakin graduate you can pursue a range of rewarding career options at schools across Australia and overseas. You can also choose to move into areas such as sports management, recreation and fitness, community and government agencies, professional coaching positions, as well as into private academies and agencies.

Professional experience

In all four years of the course, you’ll undertake professional work placement firstly in primary, then secondary school settings. This gives you the chance to apply your learning in a real-life teaching role in a supported manner. This course includes 80 days of supervised professional experience placements. A current Working with Children Check is required before commencing school experience.

Course structure

32 credit points, including 26 credit points of core units, 80 days of supervised experience. A credit unit of discipline study units in a third teaching method, 2 credit points of curriculum study units in the third teaching method area and one safety unit.

Professional experience placements. A current Working with Children Check is required before commencing school experience.

Professional experience

• biology
• chemistry
• drama
• English
• history
• home economics
• mathematics.

Students are also required to complete an Emergency First Aid Certificate (Level 2) and AUSTSWIM qualifications prior to graduation in order to graduate from their course.

Combined courses

Bachelor of Science/Master of Teaching (Secondary)

Fast-track your studies and gain a postgraduate teaching qualification with Deakin’s specialised Bachelor of Science/Master of Teaching (Secondary). This course prepares graduates with the attributes, discipline-specific knowledge, professional behaviours and standards required to practice as a secondary school teacher in Australia, teaching from junior secondary to senior secondary levels.

The course combines a postgraduate teaching qualification with undergraduate discipline studies in the sciences relevant for teaching. The fast-tracked postgraduate level of study allows for some units to be undertaken in Trimester 3 so that graduates are ready to teach after just four years of study†. This postgraduate level initial teacher education degree gives you the edge to get ahead in the employment market.

Deakin’s aim is for graduates to be professional educators who can demonstrate that they are classroom-ready and able to make a difference to students’ learning. You will also be supported in your learning through Deakin’s Professional Experience Program. The Professional Experience Program gives you at least 60 days of professional work experience in schools alongside experienced teachers.

Professional recognition

Our combined secondary education courses are currently undertaking accreditation by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian professional standards for teachers. Graduates intending to apply for registration in Victoria should carefully check all requirements relating to this process specified at vit.vic.edu.au.

This course will prepare you to meet all requirements to register with VIT.

CAREERS

Graduates find careers in Australian and overseas secondary schools, government departments, universities, the public service, TAFE and adult community education institutions, health and welfare organisations, as well as in private academies and agencies.

Graduates also have opportunities to work in science-related areas, such as science writing and interpretation; teaching and university research; in public-sector positions such as with conservation groups; and in other research positions in a variety of organisations and government departments.

Professional experience

This course includes 60 days of supervised professional experience placements. A current Working with Children Check is required before commencing school experience.

Course structure

36 credit points, including 24 credit points at undergraduate level, 12 credit points at postgraduate level, plus 60 days of supervised professional experience. Alongside core education studies you will complete two secondary curriculum studies. Choose from:

• one of animal biology, cell biology, genomics, human biology, natural history and plant biology
• chemistry and materials science
• environmental science
• geography
• mathematical modelling.

The fast-tracked postgraduate level of study means that graduates are ready to teach after just four years of study. This is achieved through a compulsory Trimester 3 study in year 3 of the program.

Following successful completion of the first three undergraduate levels of the course, students with a Weighted Average Mark (WAM) above 60 progress to the postgraduate level of the course. Students cannot progress to the postgraduate level of study without completing all 34 credit points at undergraduate level. A WAM of less than 60 results in an alternative exit from D304 with award S320 Bachelor of Science.

All professional experience placements must be undertaken in an approved school within Australia.
Mentor, guide and educate young adults with this joint qualification. Combine teaching and the arts and go on valuable school placements to help you discover your interests as a future teacher.

The combined course Bachelor of Arts/Master of Teaching (Secondary) prepares graduates with the attributes, discipline-specific knowledge, professional behaviours and standards required to practice as a secondary school teacher in Australia, teaching from junior secondary to VCE levels.

The course combines a postgraduate teaching qualification with undergraduate discipline studies in the arts relevant for teaching. The fast-tracked postgraduate level of study means that graduates are ready to teach after just four years of study. This postgraduate level initial teacher education degree gives you the edge to get ahead in the employment market.

Graduates find careers in Australian and overseas secondary schools, government departments, universities, the public service, TAFE and adult community education institutions, health and welfare organisations, as well as in private academies and agencies. Graduates also have the opportunity to work in arts-related areas, such as youth work, community development programs, government departments, teaching and university research.

Course structure
You must complete a total of 36 credit points of units, including 24 credit points at undergraduate level, 12 credit points at postgraduate level, plus 60 days of supervised professional experience. Alongside core education studies you will complete two secondary curriculum studies.

Choose from:
- anthropology
- Arabic, Chinese, Indonesian or Spanish
- children’s literature or literature studies
- dance
- drama
- history
- media studies
- philosophy
- politics and policy studies or sociology
- visual arts or photography
- The fast-tracked postgraduate level of study means that graduates are ready to teach after just four years of study.
- Not all majors and secondary teaching specialist areas are available at the Cloud Campus.
- Following successful completion of the first three undergraduate levels of the course, students with a Weighted Average Mark (WAM) above 80 progress to the postgraduate level of the course. Students cannot progress to the postgraduate level of study without completing all 24 credit points at undergraduate level. A WAM of less than 60 results in an alternative exit from D303 with award A300 Bachelor of Arts.
- All professional experience placements must be undertaken in an approved school within Australia.

For more information and to click through to course structures and unit descriptions, please visit deakin.edu.au/courses.

Completing practicum rounds each year was a huge highlight of the teaching course. I have had the chance to build and sustain relationships with so many schools that I have been involved with. It has been the best way for me to prepare myself for the future.

Emma Kelly
Bachelor of Education (Primary) graduate
Teacher, Mount Pleasant Road Primary School
Graduate entry teaching degrees

Are you thinking of changing career into teaching? Teaching is an extremely rewarding career, working with young people who are inspiring and creative. The skills gained from the industry you currently work in gives you life experience that will help you in a teaching career.

Master of Applied Learning and Teaching⁴

The Master of Applied Learning and Teaching is a secondary-teacher qualification that allows you to work in secondary schools and other youth settings such as the Victorian Certificate of Applied Learning (VCAL) and the Vocational Education & Training System (TAFE).

The course uses a problem-based approach that is closely aligned with authentic school-improvement initiatives and links theory and practice through strong work integrated learning partnerships.

Professional recognition
This initial teacher program is approved by the Victorian Institute of Teaching (VIT) against the National Graduate Teacher standards for the purposes of teacher registration in Victoria. Graduates intending to apply for registration in Victoria should carefully check all VIT requirements relating to this process specified at vit.vic.edu.au.

Professional experience
This course prepares graduate teachers with the advanced professional knowledge, skills and attributes required of educators working in secondary schools and other youth learning contexts where applied and vocational learning are being implemented.

Course structure
16 credit points – visit deakin.edu.au/teaching for individual course breakdowns.

Pathways
Graduate Certificate of Applied Learning and Teaching (E530)

Master of Teaching (Early Childhood) E761 T1 B
Master of Teaching (Primary and Early Childhood) E762 T1 B
Master of Teaching (Primary) E763 T1 B
Master of Teaching (Primary and Secondary) E764 T1 B
Master of Teaching (Secondary) E765 T1 B

The Master of Teaching is a teaching qualification in early childhood, primary or secondary teaching, and also gives you the option of a dual qualification in early childhood and primary or in primary and secondary.

These courses provide extensive hands-on experience, preparing you for an in-demand career in education. Students undertaking the single strand courses in early childhood, primary or secondary, have the option of taking an additional four units in a specialisation pathway or internship.

Professional recognition
Our courses are nationally accredited and career focused and have been developed in consultation with principals, teachers, Victorian Institute of Teaching (VIT) and the Australian Children’s Education and Care Quality Authority (ACECQA). This ensures that our courses address the needs of the education sector and that our graduates are fully skilled when they enter the workforce.

Professional experience
Practical teaching experiences throughout your course ensure you have the practical experience you need to launch into your teaching career. Professional experience placements are undertaken in approved schools and early childhood settings (where appropriate) within Australia.

Careers
There is a strong demand for qualified teachers and graduate starting salaries for teachers are high compared to the graduate average. The increased demand for teachers has also resulted in improvements in teaching conditions, resources and career advancement opportunities. As a graduate of this course you may find employment as a teacher within the private or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

Course structure
16 credit points – visit deakin.edu.au/teaching for individual course breakdowns.

⁴ CloudCampus is not available to international students.
Applying to Deakin

How do I apply?

Applying for your undergraduate degree at Deakin couldn’t be easier. Most applications are straightforward and easy to complete. Follow these steps to make the process as simple as possible. Visit deakin.edu.au/courses/how-to-apply.

What type of applicant am I?

Recent secondary education applicant

• Current Year 12 student
• Completed Year 12 in 2017 or 2016
• Interstate Year 12 student
• New Zealand school leaver
• International Baccalaureate (IB) student
• Gap-year student

Non-Year 12 applicant

Applicants with higher education study
Applicants with VET study
Applicants with work and life experience.

For more information on admission requirements and the type of applicant you are, visit deakin.edu.au/courses/how-to-apply. You can also call us on 1800 693 888 to discuss your options.

Contact us

There are many different ways you can get into an undergraduate course at Deakin. No matter your ATAR or education history, we’re here to help you find your pathway to Deakin. Give us a call on 1800 693 888 to discuss your options or email myfuture@deakin.edu.au.

You can also try our Pathway Finder tool and explore the options that may be available to you at deakin.edu.au/courses/entry-pathway/pathway-finder.

Find your course

Browse from the hundreds of exciting undergraduate courses we have on offer at deakin.edu.au. Undergraduate courses at Deakin generally begin in March, and some courses also have intakes in July and November. Once you find the course you’re after, make sure you understand the entry requirements, application methods and application dates.

Understand the entry and documentation requirements

Make sure you understand the entry requirements for your chosen course by reading the course page carefully (online at deakin.edu.au/course or in this booklet). For recent secondary education applicants, in addition to the listed ATAR, some courses may require you to have studied a prerequisite subject(s), while others may require you to provide extra materials, such as a portfolio or personal statement.

Selection requirements for non-Year 12 applicants may include personal statement, entrance tests as specified, e.g. STAT (Special Tertiary Admissions Test), or the non-academic assessment (for all applicants to teaching courses), supplementary information form, audition, interview or folio presentation.

Gather supporting documents

When applying direct to Deakin as a non-Year 12, it’s important to attach any requested supporting documentation, which may include a CV, academic transcripts, STAT results or a personal statement, otherwise your application may be delayed. We recommend gathering all this documentation before you commence the application process to ensure you can complete it in one sitting.

Apply

Depending on your course, our flexible trimester system means you may be able to start in Trimester 1 (March), 2 (July) or 3 (November). If you’re a recent secondary education applicant, applications for Trimester 1 should be made through VTAC (vtac.edu.au).

If you are a non-Year 12 applying for Trimester 1 for one Deakin course only, you may apply direct to Deakin.* Applications for Trimester 2 or 3 should be made directly to Deakin via the applicant portal at applicantportal.deakin.edu.au.

What type of applicant am I?

Recent secondary education applicant

• Current Year 12 student
• Completed Year 12 in 2017 or 2016
• Interstate Year 12 student
• New Zealand school leaver
• International Baccalaureate (IB) student
• Gap-year student

Non-Year 12 applicant

Applicants with higher education study
Applicants with VET study
Applicants with work and life experience.

For more information on admission requirements and the type of applicant you are, visit deakin.edu.au/courses/how-to-apply. You can also call us on 1800 693 888 to discuss your options.

The 2018 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change. The 2019 annual course fee for international students indicates the tuition fee for two trimesters of full-time study, or 8 credit points, unless otherwise indicated. Additional fees may apply. This fee is subject to change for 2020. Visit deakin.edu.au/international-students.

International student entry requirements can be found at deakin.edu.au/teaching.

International students:
- All applicants must complete an additional selection tool for non-academic attributes.
- Cloud Campus students are required to attend compulsory intensives at Geelong Waurn Ponds Campus.
- International students can only enrol at the Melbourne Burwood Campus.
- This course is also available at the Institute of Koorie Education. Find out more at deakin.edu.au/courses.
- Trimester 1 intake is offered to Diploma of Early Childhood Education holders only.
- This course is not available to international students.
- Trimester 2 at level 3 is a compulsory study period.
- E770 course is 28-months duration over four consecutive trimesters, or part-time equivalent.
- Not all majors and secondary teaching specialist areas are available at the Cloud Campus.
- Cloud Campus is not available to international students.
- Full-time paying place.
- RC means admission is based on a range of criteria.
