

Course:	S678 Graduate Diploma of Information Technology		
Campus:	Burwood (Melbourne), Cloud (online)		
Student name:		ID#:	
CoE expiry:		CTR (credit):	

Use the course rules beneath this table to create your personal enrolment map. Your course map will vary if you are commencing in trimester 2.

Sample Enrolment Map

Year 1				
Tri-1	SIT771 Object-Oriented Development	SIT773 Software Design and Engineering	SIT7XX ELECTIVE	SIT7XX ELECTIVE
Tri-2	SIT772 Database and Information Retrieval	SIT774 Web Technologies and Development	SIT7XX ELECTIVE	SIT7XX ELECTIVE
Tri-3				

Course Requirements:

The course comprises a total of eight (8) credit points of study. Students are required to complete 4 IT foundation units and 4 credit points of level 7 IT course grouped units available within the [Master of Information Technology \(S778\)](#).

Note: SIT771, SIT772, SIT773, SIT774 are offered in both Trimester 1 and trimester 2

Elective Units

SIT705: Research Methods for IT (MIT core)	SIT717: Enterprise Business Intelligence
SIT740: Research and Development in IT (MIT core)	SIT725: Advanced Software Engineering
SIT764: Project Management (MIT core)	SIT735: Communications Network Security
SIT782: Practical Project (MIT core)	SIT737: Service Oriented Architectures and Technologies
SIT701: Enterprise Network Construction	SIT763: IT Security Management
SIT702: Enterprise Network Management	SIT771: Object-Oriented Development
SIT703: Advanced Digital Forensics	SIT772: Database and Information Retrieval
SIT704: Advanced Topics in Digital Security	SIT773: Software Design and Engineering
SIT706: Cloud Computing Technologies	SIT774: Web Technologies and Development
SIT707: Software Quality and Testing	SIT775: IT Services in Organisations
SIT708: Mobile Systems Development	SIT780: Enterprise Applications Development
SIT715: Cloud Computing Application Design and Development	SIT794: Services Management
