OUR PICK

This month's recommendation is from Ursula's favourite magazine, Dumbo Feather. It's about getting involved with your own learning, turning a passion into a niche career and how 20 minutes really can change your life:

## IS 2015 YOUR YEAR FOR PERSONAL DEVELOPMENT?

### Study the Masters that makes a difference – Deakin's Master of Education

Deakin's Master of Education offers relevant professional learning to qualified teachers who seek to move into, or who already occupy, leadership, coordination, specialist or professional development positions within school systems. The course is also relevant for those who seek to move from school education to other education and training sectors.

The Master of Education is extremely flexible and it caters well to those already in the workforce and enables you to keep your current commitments while giving yourself the competitive advantage to take the next step in your education career.
