REFUND POLICY FOR DEGREE & NON-AWARD COURSES

For those new international students who have withdrawn after having paid their fees, the refund policy allows:

- 90% refund is payable if the student withdraws from unit(s) at least four weeks prior to start of teaching period;
- 50% refund is payable if the student withdraws between four weeks prior to the start of teaching period and the census date of the relevant unit(s); and
- no refund is payable if the student withdraws after census date.

If detailed in your Letter of Offer, a $5000 non-refundable amount will be retained if you withdraw from your studies prior to the census date of your first teaching period. Please refer to your Letter of Offer for details.

For those withdrawing having not paid their fees:

- their enrolment will be terminated for non-payment of fees, but they will not incur a debit of 50% of tuition fees.

The retention of 10% of the fees for commencing students is in recognition of the additional costs involved in administering the initial enrolment of international students. To apply for refund, complete the Application for Refund of Fees form (www.deakin.edu.au/current-students/assets/resources/international/compliance/refund-non-deakin.pdf) and email it to int.release.refund@deakin.edu.au. Further information about the refund policy can be found at: www.deakin.edu.au/study-at-deakin/fees/international-fee-refunds.

DUELI REFUND POLICY

DUELI has a detailed refund policy that oversees all possible stages of a student’s enrolment. Prospective DUELI students are advised that:

- A course is defined as the total length of your enrolment at DUELI;
- Refunds will not be granted after your DUELI course has commenced;
- The enrolment and orientation fee is non-refundable.

Refunds prior to the DUELI course commencing

Requests for refunds received less than 28 days prior to the commencement of the course will receive a refund of 50 per cent of the tuition fee.

The maximum amount retained by Deakin will not exceed 12 weeks of the published tuition fee.

Full refund

A full refund of tuition fees paid may be given under special circumstances. Such circumstances are those that are beyond the control of the student or those which make it impossible for the student to continue. The following reasons are grounds to apply for a full refund:

- a student is refused a student visa by the Commonwealth Government authorities;
- an offer is withdrawn or an enrolment terminated because the University is unable to provide the course of study;
- the government has limited Deakin’s right to conduct courses for overseas students;
- a student is unable to fulfil the conditions of an offer;
- a student fails to meet progression rules and is not permitted to re-enrol

- a student provides written advice more than four weeks prior to the commencement of the English language course.

Executive discretion may be exercised to consider applications which do not comply with the above provisions but for which extraordinary circumstances may exist. An application for a refund in special circumstances must be made in writing and sent to the Director of DUELI. Proof of payment of the fees (e.g. an official receipt) and validation of the reasons for applying for a refund will be required.

Methods of refund

New students should notify in writing to the Director of DUELI, any wish to cancel enrolment. If Deakin defaults in the provision of the course the refund will be made within two weeks of the default event.

If the student defaults the refund will be made within four weeks of the University being notified.

Refunds will be made by cheque or EFT in Australian dollars only. Refunds in the form of the transfer of fees to Deakin University or MIBT will not be made directly to a student.

Refunds may be made to a nominated person/sponsor who initially paid the student’s fees.

For more information on methods of refund, go to www.deakin.edu.au/future-students/international/fee-policies.php. This agreement does not remove the right to take further action under Australia’s consumer protection law or pursue other legal remedies.

MANDATORY VISA REQUIREMENT

A condition of your student visa (Condition 8533) requires you to notify your education provider of your residential address in Australia within seven days of arriving in Australia. You must notify your education provider of any change in your residential address within seven days of the change.

CONSUMER PROTECTION

This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia’s Consumer Protection laws.
