# Course and Enrolment Information

## Course Overview

This comprehensive course provides you with knowledge and skills in food and nutrition sciences and complementary business knowledge and skills focusing on marketing or management. This degree is designed for employment in the health and food-related industries. Through completing this degree you will gain an understanding of food, food choice and its relationship to health, consumer perceptions, the role of nutrition in human health and disease prevention and business, economic and financial principles and concepts and analytical knowledge. You can choose to undertake a major in either management or marketing as part of this course. On successful completion of this degree you will be able to work in many areas that require knowledge of the food industry, food composition, and nutrition, as well as business-related skills. These areas may include jobs in research and development, product development, product management, consumer research and marketing and management roles in the food, nutrition and health industries. This degree can be completed in 4 years full-time or 3 years full-time if studies are undertaken in Trimester 3.

## Course Rules

The course comprises 32 credit points: 16 Food and Nutrition Sciences core units and 16 Commerce units.

The **16 Commerce (Management)** units include 13 core units: MAA103, MAE101, MAE102, MAF101, MLC101, MMM132, MIS101, MIS171, MMH299, MMK277, MMM240, MMM262, MMM365 and 3 elective units.

The **16 Commerce (Marketing)** units include 13 core units: MAA103, MAE101, MAE102, MAF101, MLC101, MMM132, MIS101, MIS171, MMH299, MMK277, MMK265, MMK266, MMK325 and 3 elective units.

With the 3 elective units: 2 must be taken from either a Management major or Marketing major sequence and one elective can be chosen from any Commerce units at level 3 (subject to meeting pre-requisites or core-requisite). For a full list of Commerce core units and electives please refer to the online handbook:

<http://www.deakin.edu.au/students/university-handbook/>

All students completing SLE133 Chemistry in Our World (and any other SLE unit) must enrol in the zero credit point unit, **SLE010** Laboratory and Fieldwork Safety Induction Program; which is a compulsory 50 minute safety training session.

Students are required to complete **HSN010** Food and Nutrition Laboratory Safety prior to their first laboratory based unit in this course. The aim of this co-requisite unit is to ensure you are safe to practice within the School laboratories. The unit consists of a short online safety quiz that must be completed prior to your first laboratory class via CloudDeakin.

You must bring your printed certificate of completion to your first laboratory class.

The unit is only required to be completed once during your degree.

Students must also complete **MCA010** Communication for Academic Studies. This is a compulsory unit for all students commencing studies with the Faculty of Business and Law and will help students to get off to the best possible start in developing academic communication skills at Deakin.

**Please refer to course grid at the back of this booklet for more details.**

## Major Sequences

Students are required to complete either the Management or Marketing major sequence as part of this degree.

Please refer to the online handbook for the most up-to-date information regarding major sequences and units.  
<http://www.deakin.edu.au/students/university-handbook/>

**IMPORTANT NOTE:** *It is important to select your chosen major sequence (Management or Marketing) at the time of enrolment via StudentConnect. This can be achieved through clicking the 'select unit set sequence' option under the 'Enrolment' link on the StudentConnect webpage.*

## **H718 Master of Dietetics Requirements**

Students who wish to complete the entry requirements for H718 will need to enrol into H315 Bachelor of Food and Nutrition Sciences course as there are no elective spaces in this course to accommodate the units required for H718 course.

## **Course/ Enrolment Terminology**

The Bachelor of Food and Nutrition Sciences/Bachelor of Commerce (Management or Marketing) consists of 32 credit points. But what is a credit point? University terminology can often be confusing to new students. The common terms that a student will encounter are deciphered below:

**Course Code:** Each course has a distinct code.

D301 is the course code for the Bachelor of Food and Nutrition Sciences/Bachelor of Commerce.

**Unit Code:** Each unit, or subject, has a distinct alphanumeric code e.g. HBS109.  
All units offered by the Faculty of Health commence with the letter 'H'.

**Unit Name:** Each unit has a distinct unit name e.g. 'Understanding Health'.

**Unit Level:** D301 studies are undertaken at three different levels:  
Level 1 represents the initial level of study (i.e. units normally taken in Year 1) with level 3 representing the most advanced level of study (i.e. units normally taken in Year 3 and 4 of study for D301).  
The level of a unit can be determined by the unit code. The first number in a unit code indicates the level of the unit e.g. HBS109 is a level 1 unit; HSN211 is a level 2 unit; HSN301 is a level 3 unit.

**Credit point:** Refers to the value of a unit.  
One unit is normally worth one credit point e.g. HBS109 = 1 credit point.  
Some units within the University are worth more than one credit point.

Students may enrol in a maximum of four credit points a trimester.

**Pre-requisite:** A pre-requisite is a unit required to be studied and completed prior to enrolling in a subsequent unit. For example, HSN211 has a prerequisite of HBS109. Students must pass HBS109 before taking HSN211.

**Corequisite:** A corequisite is a unit required to be studied prior to or simultaneously with a particular unit.

**Elective unit:** An elective unit is a non-prescribed unit. It is a unit of choice (subject to course rules, campus availability and students having met any prerequisite requirements).

## Campus Modes

The campus(es) of offer of each major are indicated through use of the following key:

- **B:** Available on campus at Burwood
- **G:** Available on campus at Geelong - Waurin Ponds
- **S:** Available on campus at Geelong - Waterfront
- **W:** Available on campus at Warrnambool
- **Cloud (X):** Available online/off-campus
- **CBD:** refers to Institute of Koorie Education – Community Based Delivery.

**Cloud (X)** indicates that all of the units in the major are available in off-campus mode. A unit delivered in off-campus mode may require students to attend workshop/lab activities at a campus for a limited time during the trimester. Students should check the delivery details of units offered in this mode in Deakin's online handbook.

## Further Study

After completing the D301 Bachelor of Food and Nutrition Sciences/Bachelor of Commerce, students may elect to further their qualifications and expertise through study in a specific area of interest. Eligible students may undertake an Honours degree then apply for entry into the Higher Degree by research program. Alternatively, eligible students may wish to consider applying for a Graduate Certificate, Graduate Diploma or a Masters degree by coursework.

## Other Important Information

This section should be read in conjunction with the information distributed during Orientation Week.

### Academic Calendar / Important Dates

The Deakin academic year is currently divided into three trimesters:

- Trimester 1
- Trimester 2
- Trimester 3

Trimester 3 is an optional summer trimester offering a limited number of units. The units that will be available in the next upcoming trimester 3 are advertised from early September via the Deakin website in the online handbook.

Students can locate the commencement and conclusion dates of each trimester at [www.deakin.edu.au/study-at-deakin/important-dates/trimester-dates](http://www.deakin.edu.au/study-at-deakin/important-dates/trimester-dates)

All students must refer to important dates listed on the online handbook. These dates are subject to change each year. <http://www.deakin.edu.au/study-at-deakin/important-dates>

### Adding or Changing Units

Students have the opportunity to reassess the units that they are enrolled in for any given trimester.

Students can add further on-campus units to their enrolment (if not enrolled in the maximum of four credit points) or change an on-campus unit for another up until the census date (two weeks into a trimester) without incurring a financial or academic penalty. It is however recommended that these changes are made prior to the commencement of the trimester. Earlier deadlines apply to add or change off-campus units.

The final deadline to add or change units can be found in the 'Important Dates' section of Deakin's handbook.

Students can add or change units via the relevant links in the 'Enrolment' section on StudentConnect. [www.deakin.edu.au/studentconnect](http://www.deakin.edu.au/studentconnect)

### Assignment Writing and Referencing Guide

This guide is an excellent resource for new and continuing students. This guide looks at the types of assignments commonly set at university and considers what is involved in producing a good assignment. It covers how to report and discuss the ideas and finding of others, how to correctly reference sources and how to avoid plagiarism.

This guide will be distributed during Orientation Week. Alternatively, it is available online via [www.deakin.edu.au/students](http://www.deakin.edu.au/students) (refer to 'Study Skills' under the 'Study Support' section).

### Booklists

The list of textbooks required for each unit can be found online by visiting the 'Student Booklist' section of Deakin's bookshop at [www.dusabookshop.com.au](http://www.dusabookshop.com.au) The textbooks listed as prescribed will be used throughout the trimester.

New or second hand textbooks can be purchased from the on-campus bookshop or alternatively can be ordered via their online and phone textbook service.

### Careers Information

Career information is available for all Deakin Students at: [www.deakin.edu.au/students/jobs-career](http://www.deakin.edu.au/students/jobs-career)

In addition, the School of Exercise and Nutrition Sciences has developed a careers section.

This information is accessible from the School website [www.deakin.edu.au/health/ens/careers/index.php](http://www.deakin.edu.au/health/ens/careers/index.php)

## Change of Personal Details

Prior to the beginning of each trimester, it is a student's responsibility to ensure their enrolment and contact details are up to date. Students can check and change their contact details using the 'Update your addresses' link on StudentConnect.

## CloudDeakin

CloudDeakin is the primary application used at Deakin to deliver web-based course material and assessment tasks, and facilitate communication and collaboration between staff and students. It is Deakin's online teaching and learning environment which enhances both on and off-campus learning, and contains web-based course materials and assessment tasks for each unit that a student is enrolled in.

CloudDeakin provides a range of integrated web-based tools for:

- Assessment – quizzes, self-tests, surveys, assignment submission
- Communication – announcements, mail, threaded discussion, chat
- Providing learning materials – create, upload and deliver content
- Other – calendar, ePortfolio, user preferences

It is imperative that students access CloudDeakin regularly during the trimester.

CloudDeakin can be accessed via the student portal or [www.deakin.edu.au/students](http://www.deakin.edu.au/students)

## Counselling

Deakin offers a free and confidential professional counselling service to all students. The service offers resources, web based services and one to one personal counselling to assist students to maximise their academic potential and university experience.

For further details please refer to [www.deakin.edu.au/studentlife/counselling](http://www.deakin.edu.au/studentlife/counselling)

## Deakin Card

Students must ensure that they obtain a Deakin student card from Deakin Central. The Deakin card is the only accepted form of identification for students whilst on campus. The Deakin card can be loaded with funds and used for services on campus. It is also required for borrowing library materials and accessing online library materials.

For further information on the Deakin card please refer to [www.deakin.edu.au/campus-life/services-and-facilities/deakin-card](http://www.deakin.edu.au/campus-life/services-and-facilities/deakin-card)

## Deakin Central

Deakin Central is a one-stop-shop providing students with the following services:

- HECS and fee enquiries
- Deakin card advice
- IT services enquiries
- Graduation enquiries
- Assessment enquiries
- Official academic transcripts
- Parking permits

Deakin Central is located at:

- |                         |                      |                   |
|-------------------------|----------------------|-------------------|
| • Burwood:              | Building HE, level 2 | Tel: 03 9244 6333 |
| • Geelong Waurin Ponds: | Building JB, level 2 | Tel: 03 5227 2333 |
| • Warrnambool:          | Building D, level 2  | Tel: 03 5563 3333 |

## Deakin Email

The University, Course Directors, Unit Chairs and student advisers all communicate important information to students via their Deakin email address. Students must ensure that they check their emails on a regular basis. Students can permanently forward their Deakin email to another frequently used email account.

A student's email is: <student's username@deakin.edu.au>.

Students can access or forward their Deakin email via the student portal or [www.deakin.edu.au/owa](http://www.deakin.edu.au/owa)

## DeakinSync

DeakinSync is a student's gateway into Deakin. From DeakinSync, students can gain access to personalised information, facilities and services pertinent to their life as a Deakin student (e.g. CloudDeakin, StudentConnect, Deakin email).

Students can gain access to DeakinSync by selecting the 'Current Students' link on Deakin's homepage [www.deakin.edu.au](http://www.deakin.edu.au)

## Disability Resource Centre (DRC)

Staff at the Disability Resource Centre (DRC) may be able to assist a student if a physical, sensory or learning disability, or a temporary or permanent medical or mental health condition is interfering with their ability to achieve academic goals. The DRC provides a range of tailored support and services to individuals registered with them. For further details please refer to [www.deakin.edu.au/equity-diversity/disability-services.php](http://www.deakin.edu.au/equity-diversity/disability-services.php)

## Faculty Student Manual

The Faculty Student Manual is designed to provide students with general information about the Faculty of Health; its staff, courses, policies and procedures.

The manual is available on the Faculty website via [www.deakin.edu.au/health/current-students/media/documents/health-faculty-student-manual.pdf](http://www.deakin.edu.au/health/current-students/media/documents/health-faculty-student-manual.pdf)

## Handbook

The Deakin online handbook provides information on every course available at Deakin (via the 'Search for a course' link) and on the units on offer throughout the University (via the 'Search for a unit' link). Important dates for the year and Deakin's academic calendar are also located in the handbook.

The handbook can be accessed via the student portal or [www.deakin.edu.au/students/university-handbook](http://www.deakin.edu.au/students/university-handbook)

Below is an example of the information students will be provided with when they search for a unit in the handbook.

## Information Technology (IT) Assistance

Students experiencing IT difficulties can seek assistance over the phone from the eSolutions service desk or in person on campus. For further information please refer to [www.deakin.edu.au/its/servicedesk](http://www.deakin.edu.au/its/servicedesk)

## Intermission (Leave of Absence)

Deakin University permits enrolled students to be granted a leave of absence (intermission) for a total of two trimesters throughout the duration of their course. Students may take two trimesters of intermission concurrently or may split these over different years. As trimester 3 is an optional trimester, students do not need to apply for intermission if they elect to not undertake any study in this trimester.

International students must seek further advice from student adviser regarding intermission and visa implications. <http://www.deakin.edu.au/students/international/how-do-i>

To activate a period of intermission students must apply to intermit via StudentConnect by the following deadlines:

- Trimester 1 intermission = 31 March \*
- Trimester 2 intermission = 15 August \*

\* These dates are subject to change each year - please consult the 'Important Dates' section of Deakin's handbook

Students seeking further intermission (more than two trimesters) need to apply through the Faculty of Health <http://www.deakin.edu.au/health/current-students/index.php> through the Health Further Intermission request form online (student username and password is required).

## Library Use

Library use is an important part of academic life. It is essential that new students familiarise themselves with how to use the library. Library tours are available during Orientation Week and should be attended.

Deakin's online library can be accessed from the student portal or via [www.deakin.edu.au/library](http://www.deakin.edu.au/library)

## Maximum Completion Time (Maximum Period of Candidature)

Deakin University sets timeframes in which degrees must be completed. These timeframes take into account the importance of the currency of knowledge in completing an award.

Students are allowed a maximum of seven years to complete the D301 Bachelor of Food and Nutrition Sciences/Bachelor of Commerce course. Any official periods of intermission are not included when calculating the seven years.

## Parking

Deakin students require a parking permit to park on campus between the hours of 8:30am and 4:30pm. Students park in the General Permit (White) bays, with costs dependent on campus and type of permit purchased. Be aware however that a parking permit does not guarantee a park, with parking on a first-come, first-parked basis.

Parking permits can be purchased from Deakin Central. For further information on pricing and type of permits available please refer to [www.deakin.edu.au/services/parking/](http://www.deakin.edu.au/services/parking/)

## Part-time Study

Deakin domestic students can elect to undertake full-time or part-time study. Students are considered to be undertaking full time study if they are enrolled in 3 or 4 credit points a trimester. Part time study is equivalent to 2 or less credit points a trimester. Students do not require permission to undertake study part time.

Each credit point of study normally requires approximately ten hours of a student's time per week (including on campus classes). Part time study is therefore recommended for students who are working more than ten to fifteen hours per week and/or who have extensive commitments.

International students must seek further advice from student adviser regarding part-time study and visa implications. <http://www.deakin.edu.au/students/international>

## Passwords

Students can change their Deakin password to one that is easier to remember. Students who have forgotten their password can also generate a new one online in a few simple steps.

The above can be actioned from [www.deakin.edu.au/password](http://www.deakin.edu.au/password).

## Re-enrolment

Students are required to re-enrol each year until the completion of their course. Re-enrolment for the subsequent academic year normally occurs between September and October and is completed online via StudentConnect.

When selecting units for the following year, students should work on the assumption that they will pass all of the units that they are currently studying.

## Results

At the end of each trimester students' results are released. The date of result release is published in the 'Important Dates' section of the handbook.

Students can view their results via the 'Results' link on StudentConnect.

Grade	Explanation	Percentage
HD	High Distinction	80% and over
D	Distinction	70% - 79%
C	Credit	60% - 69%
P	Pass	50% - 59%
N	Fail	below 50%
XN	Fail, unit not assessed	0% - no work submitted

In certain circumstances, a student's result may be pending at the time of official result release. In these instances, a RI (result pending) grade will be released until the result is finalised. Students who have submitted all unit assessments by the due dates should contact the Unit Chair immediately if a RI result is released.

## Special Consideration

Students who believe that their assessment has been, or is likely to be, adversely affected on medical, compassionate or hardship/trauma grounds may apply for special consideration. Students should discuss the matter with the Unit Chair in the first instance, as in many cases an extension on the due date for an assessment will suffice.

Applications for special consideration must be lodged online via the 'Special Consideration' link on StudentConnect.

Applications must be made no later than three University working days after the due date of the assessment task or examination date for which special consideration is sought, unless the Unit Chair is satisfied there are exceptional circumstances.

Further information on special consideration is available at:

<http://www.deakin.edu.au/students/assessments/special-consideration>

## StudentConnect

StudentConnect is the online gateway to a student's administrative records.

Using StudentConnect students can:

- Add, change and withdraw from units
- View advanced standing awarded
- Re-enrol for the following academic year
- View and pay their trimester fees

- View their examination timetable
- View their results
- Amend their postal/contact details
- Apply for intermission or discontinuation

StudentConnect is accessed via the student portal or [www.deakin.edu.au/studentconnect](http://www.deakin.edu.au/studentconnect)

## Student Exchange

Deakin University offers various programs which provide students with the opportunity to study overseas for a few weeks, a trimester or a year as part of their Deakin degree.

For further information please refer to [www.deakin.edu.au/study-at-deakin/study-options-and-pathways/global-study-opportunities](http://www.deakin.edu.au/study-at-deakin/study-options-and-pathways/global-study-opportunities)

## Student Timetable Allocation and Registration (STAR)

STAR is Deakin's personalised timetabling system that allows students enrolled in on-campus units to register online for tutorials etc. STAR is accessed via StudentConnect.

STAR is not a first come/first serve system. Students' timetable preferences are collected and then randomly sorted to provide students with a clash free timetable.

Prior to the commencement of each trimester all students enrolled in on-campus units must login to STAR to provide preferences for the classes they wish to attend for each unit. Before placing preferences on STAR students must have a good understanding of the timetable available for each unit. The provisional class timetable can be located at <http://www.deakin.edu.au/about-deakin/administrative-divisions/facilities-services/timetable>

For further information on STAR please refer to: [www.deakin.edu.au/star](http://www.deakin.edu.au/star)

## Study Skills

Student Life provides services and resources to assist students to develop and improve their academic skills. Academic skills advisers provide individual appointments, classes and web-based study skills assistance covering such areas as referencing, writing essays, exam preparation, note taking and effective reading. For further information and resources please refer to [www.deakin.edu.au/students/study-support](http://www.deakin.edu.au/students/study-support)

## Unit Guide

A unit guide provides essential information about a unit. Most importantly, the unit guide details the assessment tasks for a unit and the due dates of these. The unit guide also provides information about textbooks, extensions, special consideration and how to contact teaching staff.

Unit guides for each unit a student is enrolled in are normally made available at least one week prior to the commencement of each trimester on CloudDeakin.

## Withdrawing from Units

Once the trimester has commenced, students can reduce their study load and withdraw from units that they are enrolled in. To avoid incurring a HECS debt, domestic students must ensure that they withdraw from enrolled units by the following census date deadlines:

- Trimester 1 withdrawals = 31 March \*
- Trimester 2 withdrawals = 15 August \*
- Trimester 3 withdrawals = 15 December \*

**\* These dates are subject to change each year - please consult the 'Important Dates' section of Deakin's handbook**

International students must first consult with a student adviser before withdrawing and earlier deadlines apply to avoid incurring a fee debt.

Students can still withdraw from units after the above deadlines but a HECS debt will be incurred. A withdrawn late (WL) or withdrawn fail (WN) grade will also be recorded on a student's academic transcript. In special circumstances, students can apply to the University to have their HECS debt waived.

The final deadlines to withdraw late or withdraw fail from a unit can be found in the 'Important Dates' section of Deakin's handbook.

Students can withdraw from units via the relevant link in the 'Enrolment' section on StudentConnect.

Note: Domestic students must be enrolled in at least one unit to keep their place in the course providing they have not exceeded the maximum period of candidature. To withdraw from all units, students must apply to intermit from their studies via StudentConnect.
