‘Studying at DUELI, I gained more than just an education in English. I gained knowledge that’s beneficial for studying at university level.

Although the course was challenging at times, the many skills that I learnt have been very useful in allowing me to stay on track during my lectures at Deakin.

Studying with many students from various countries, I have made friends with different cultural backgrounds. Though my interactions with them, I have also broadened my views on many things from around the world.

At DUELI, I improved my English, made lots of friends and really enjoyed myself. Studying at DUELI has been a very fruitful experience.’

‘When I first came to DUELI, I did not think I would get anything out of it other than improving my command of English. After 20 weeks, I have come to realise just how much I have gained from studying at DUELI.

The biggest achievement I have had so far is improving my English. The lessons were not always academic, but also involved fun and exciting methods such as learning through songs, movies, games and much more. This helped me to never be bored during lessons.

Studying at DUELI, I also got to make new friends from many different countries. We exchanged stories and information about our different cultures and backgrounds, and even shared our traditional foods and recipes with one another.

Lastly, DUELI also helped me to settle in to the Australian lifestyle and culture. We had excursions to places of interest where we were told about their histories, we also learnt about Australian slang, which was very beneficial in helping me quickly adapt to life in Melbourne.

My DUELI experience has been wonderful, and I highly recommend DUELI to anyone who is thinking of studying English.’

Refund policy

DUELI refund policy
» A course is defined as the total length of your enrolment at DUELI.
» Refunds will not be granted after your DUELI course has commenced.
» The enrolment and orientation fee is non-refundable.

Refunds prior to the DUELI course commencing
» Requests for refunds received less than 28 days prior to the commencement of the course will receive a refund of 50 per cent of the tuition fee.
» The maximum amount retained by Deakin will not exceed 12 weeks of the published tuition fee.

Full refund
A full refund of tuition fees paid may be given in special circumstances. Such circumstances are those that are beyond the control of the student or those which make it impossible for the student to continue. The following reasons are grounds to apply for a full refund:
» a student is refused a student visa by the Commonwealth Government authorities
» an offer is withdrawn or an enrolment terminated because the University is unable to provide the course of study
» the government has limited Deakin’s right to conduct courses for overseas students
» a student is unable to fulfil the conditions of an offer
» a student fails to meet progression rules and is not permitted to re-enrol
» a student provides written advice more than four weeks prior to the commencement of the English language course.

Executive discretion may be exercised to consider applications which do not comply with the above provisions but for which extraordinary circumstances may exist. An application for a refund in special circumstances must be made in writing and sent to the Director of DUELI. Proof of payment of the fees (e.g., an official receipt) and validation of the reasons for applying for a refund will be required.

Methods of refund
» If Deakin defaults in the provision of the course the refund will be made within two weeks of the default event.
» If the student defaults the refund will be made within four weeks of the University being notified.
» Refunds will be made by cheque in Australian dollars.
» Refunds in the form of the transfer of fees will be made directly to a student. The student must provide evidence of acceptance into a Deakin or MIBT award program before the approved refund will be transferred.
» Refunds may be made to a nominated person/spONSOR who initially paid the student’s fees.

This agreement does not remove the right to take further action under Australia’s consumer protection law or pursue other legal remedies.

Attendance requirements
Australian visa regulations require students to attend at least 80 per cent of classes to be eligible to continue to study in Australia. DUELI is required to keep attendance records and notify the Australian Immigration authorities in cases of unsatisfactory attendance.
