Bachelor of Commerce: 3 years full time/part time available

About the course: Broad-based business degree with a solid foundation in business studies, the flexibility to choose from 17 major sequences and the option to specialise in two disciplines. Study common first year units, then choose and combine areas of study as you progress. Commerce enables you to tailor your degree for maximum employment opportunities and provides a foundation for a variety of career opportunities in virtually every area of business and government, domestically and internationally. Graduates find careers such as professional accountant, financial analyst, manager, IT consultant, economic analyst, financial planner, business analyst, human resources officer and marketing assistant/manager. Depending on units completed, graduates may apply for membership with CPA Australia, Institute of Chartered Accountants in Australia (ICAA), the Association of Chartered Certified Accountants (ACCA) and/or the Institute of Public Accountants (IPA). The course consists of 24 credit points over 3 years, 16 commerce credit points, including 10 core credit points and at least one commerce major sequence.

Listed major sequences may involve one or two units being undertaken in off-campus/online mode – refer to the University handbook for further details – www.deakin.edu.au/handbook
