Potential Organisations for Professional Practice Placements

PLEASE NOTE: The organisations listed are suitable for a professional practice placement, however, you must contact each organisation individually about the possibility of undertaking a placement with them. It is up to each organisation if they can accommodate a placement for you and they are under no obligation to accept you for placement. Where there is a unit/s listed in the column below, this indicates that there is an agreement in place with the organisation. You are also able to contact other organisations who are not listed or have no agreements in place (as below). For placements at hospitals, please contact the Professional Practice Placements office in the School of Life Environmental Sciences on 92446800 or 92445505 **before** contacting hospitals.
