

Bachelor of Health Sciences

South West Institute of TAFE Portland and Hamilton

'It was one of the best experiences of my life and looking back I am so happy I decided to take the chance and do something so incredible. I enjoyed the Bachelor of Health Sciences because I had tailored my majors to suit my interests.'

ANDREE SCHIER

Graduate: Bachelor of Health Sciences,
Warrnambool Campus

Benefits of studying the Bachelor of Health Sciences in Hamilton or Portland

- A chance to study close to home
- Part-time or full-time study options
- First year delivery via video conferencing with face-to-face tutorial support
- Develop a knowledge and skill base to become highly valued in the employment market.

Course overview

The first year of the Bachelor of Health Sciences at the Deakin Learning Centres in Hamilton or Portland will be a converged mode of delivery. You will be able to study up to four units per trimester with two units delivered through interactive video conference technology and face to face tutorials conducted at the Learning Centres. The remaining two units will be delivered online through CloudDeakin.

First year course structure

Bachelor of Health Sciences – Year 1

Trimester 1

HBS107 Understanding Health
HBS109 Human Structure and Function
HPS111 Psychology A: Fundamentals of Human Behavior
HSN101 Food: Nutrition, Culture and Innovation

Trimester 2

HBS108 Health Information and Data
HBS110 Health Behavior
HPS121 Psychology B: Individual and Social Development
HDS106 Diversity, Disability and Social Exclusion

*AIX160 Introduction to University Study can be taken in Trimester 1 as an elective unit if desired.

Pathway after first year

Following completion of first year, you can undertake your second and third years at the Warrnambool campus or elect to study online. You need to complete two major sequences from those offered at the Warrnambool campus; Health Promotion, Nutrition, Physical Activity and Health and Psychology.

For further course information please visit:

www.deakin.edu.au/health-sciences.

Deakin also offers courses in allied health fields such as Nursing, Occupational Therapy and Social Work. If you wish to undertake these courses you will need to follow the Faculty of Health's course transfer process.

Am I eligible to apply?

The Bachelor of Health Sciences is open to applicants from a range of backgrounds, including those who are:

- Mature-age and returning to study
