

This regulation is made pursuant to Statute 5.2 – *Academic Awards*.

In this regulation:

**"Course"** means a set of Units or a higher degree by research program approved by the Academic Board and which, when satisfactorily completed qualifies a student for an award of the University;

**"Student"** means a person, enrolled in a Course or Unit in the University pursuant to Statute 5.1 - *Admission Selection and Enrolment*;

**"Unit"** means a component of a Course having a discrete designated code and title in which Students enrol and complete specific work requirements.

**"University Handbook"** means the official University publication containing details of Courses, Units and related information.

### 1. Academic Awards

1.1 The Academic Board must maintain Schedule 1: *Academic Awards* which lists academic awards which may be conferred or granted by Council.

1.2 To be eligible for an academic award of the University a Student must, in accordance with the relevant policies and procedures of the University:

- (a) enrol and remain enrolled in a Course leading to that academic award; and
- (b) complete the Course requirements.

1.3 If a Course leading to an academic award has been discontinued, a Student already enrolled in that Course shall be entitled to:

- (a) remain enrolled in the Course, subject to relevant University Statutes and regulations and policies; and
- (b) have the academic award conferred or granted upon satisfying all the requirements set out in Regulation 5.2(3) - *Conferring of Academic Awards*.

1.4 A Student enrolled in a Course may elect to exit that Course and take out an alternative academic award provided that the:

- (a) Student has satisfactorily met the Course requirements for that alternative academic award;
- (b) relevant Faculty or Institute approves; and
- (c) relevant University policy and procedure are complied with.

### 2. Publication of Course Requirements

2.1 Each Faculty or Institute will publish in the University Handbook annually, details of each Course and Unit and relevant information in accordance with policies and procedures and the higher education standards.

### **3. A Bachelor Degree with Distinction**

A Student who has satisfied the requirements of a bachelor degree with sustained high academic achievement, as determined by the Academic Board from time to time and published in the University Handbook, or by other appropriate means approved by the Academic Board, may be awarded a Bachelor Degree with distinction in accordance with the policy and procedure of the University.

### **4. A Combined Course**

4.1 A Student may undertake an approved combined course from those listed in Schedule 1, leading to not more than two awards of the University.

4.2 A Student who is undertaking an approved combined course, and has met the full requirements of one Course, may be conferred that award before completion of the second Course.

4.3 Establishment and approval of Combined Courses is in accordance with relevant University policies and procedures.

### **5. A Dual Course**

5.1 A Student may undertake a dual course being an approved combination of courses developed collaboratively with a partner institution that leads to the separate conferral of an Academic Award each by:

(a) Deakin University; and

(b) the partner institution.

5.2 Establishment and approval of dual courses is in accordance with relevant University policies and procedures.

### **6. A Joint Course**

6.1 A Student may undertake a joint course offered by Deakin in conjunction with one or more higher education providers in Australia or overseas, leading to the conferral of a single Award.

6.2 Establishment and approval of joint courses is in accordance with relevant University policies and procedures.

6.3 On completion of a joint course, a student will be issued with:

(a) a single testamur, which indicates that the course was undertaken as a joint course, and includes the name and insignia of each higher education provider delivering the course; or

(b) a separate testamur from each higher education provider delivering the course that includes a statement that the course was undertaken jointly with those providers.

### **7. Higher Degrees by Research**

A Higher Degree by Research means a Higher Doctoral Degree, a Doctoral Degree or a Research Masters Degree in which an approved program of research leads to an original contribution to the field of research and/or practice.

## **8. Compliance**

- 8.1 A Student must comply with all legislative, policy and procedural Course requirements, as amended or remade from time to time.
- 8.2 The relevant Faculty or Institute Board (for Students undertaking Coursework Courses) or the Academic Board (for candidates for higher degrees by research) may permit a Student to qualify under the University's Statutes, regulations, policies, procedures or rules previously in force during the period of enrolment where it is of the opinion that the Student may be or has been adversely affected by a change to the Statutes, regulations, policies, procedures or rules since first enrolling in a Course.
- 8.3 If a Student intermits his or her studies, or withdraws and returns to study, he/she will be bound by any amendment or enactment referred to in section 8.1.

Approved by Council on 3 December 2015.
