SCHOOL OF EXERCISE AND NUTRITION SCIENCES

H743 MASTER OF CLINICAL EXERCISE PHYSIOLOGY

Eligibility and Entry Requirements

1. Meet ONE of the following eligibility criteria:

A. Applicant who has graduated from H343 Bachelor of Exercise and Sport Science at Deakin University and completed the Exercise Science - ESSA Specialisation

B. Applicant who has graduated from an ESSA accredited program in Exercise Science (other than Deakin University, refer to NUCAP courses in Section B of Application Form)

C. Applicant who has graduated from degrees other than those above who can demonstrate that they have covered all or most of the elements required for full membership of ESSA (most undergraduate degrees in Exercise and Sports Science will cover this criterion)

D. Applicant who has completed a graduate assessment from ESSA

E. Exercise Scientist/Full Member of ESSA

PLUS ALL APPLICANTS: ESSA AEP logbook with 140 hours of exercise service delivery for apparently healthy clientele

2. Complete the H743 APPLICATION FORM and relevant ESSA form if you meet eligibility criteria B or C

3. Prepare a brief COVER LETTER addressing the following criteria:

• University course(s) completed and Grade Point Average (GPA) or Weighted Average Mark (WAM)*

• Relevant work experience

• Short statement articulating your reasons for wanting to become an Accredited Exercise Physiologist (AEP)

Note: You do NOT need to provide written references.

*Graduates with a GPA or WAM less than a Distinction average are encouraged to apply and may be selected based on merit for other attributes.

4. Provide EVIDENCE/LOGBOOK of at least 140 hours of exercise service delivery for apparently healthy clientele
