DISCOVER THE DEAKIN DIFFERENCE AT OPEN DAY

Come along to a Deakin University Open Day and get all the information you need on becoming a Deakin student.

Deakin's Open Days are a fun and informative way to gain valuable information on our broad range of courses, flexible study options such as off-campus study and state-of-the-art facilities, as well as experiencing the University environment for yourself at our four unique campuses.

As well as researching undergraduate courses, you can also learn about postgraduate study and gain advice for non-school leavers and parents. There will also be information available on scholarships, accommodation, support services and the costs associated with university study.

For more information and to download the Deakin Open Day program, visit www.deakin.edu.au/openday. We look forward to seeing you there!

PARENT INFORMATION EVENINGS

Applying for university is an exciting but often confusing time.

Deakin's Parent Information Evenings provide future students and their parents with an opportunity to have their questions answered. On the night they will have the chance to:

- » learn more about Deakin University, the VTAC application process, how to apply and key dates
- » find out about the cost of tertiary study and financial assistance available
- » speak with staff and students about courses, graduate outcomes, scholarships, pathways and support services
- » chat with current students about their experience of university life.

All parents and VCE students are welcome to attend.

MID-YEAR CSP PLACES AVAILABLE

If your 2010 VCE students feel they have made the wrong course choice and wish they had chosen Deakin, it's not too late to change their minds!

We have just opened a range of courses in Arts and Education for mid-year intake. Students may even be able to obtain credit for previous study or work they have undertaken in the past six months. But they'll need to be quick to commence a new course in July 2011. Places are available in the following courses:

- » Bachelor of Arts
- » Bachelor of Arts (Media and Communication)
- » Bachelor of Arts (Public Relations)
- » Bachelor of Creative Arts (Visual Arts)
- » Bachelor of Creative Arts (Visual Communication Design)
- » Bachelor of Criminology
- » Bachelor of Early Childhood Education (Honours)
- » Bachelor of Film and Digital Media
- » Bachelor of International Studies.

For more information on how to apply please visit www.deakin.edu.au/application-dates.

MIBT'S MID-YEAR ENTRY

Melbourne Institute of Business and Technology Pty Ltd (MIBT) offers a mid-year entry. This is a perfect opportunity for students to get their career plans back on track if they missed out in gaining a university place at the start of the year or if they are currently enrolled in a course that is not what they expected.

MIBT's mid-year entry commences 4 July 2011 and is open to both Australian and international students. Diploma courses in Commerce, Computing, Engineering, Health Sciences, Management, Media and Communication, and Science can be completed in just eight months. Students can then enter the relevant second year at Deakin University in March 2012 (conditions apply).

The diplomas articulate into many of Deakin's highly sought-after bachelors degrees in Applied Science, Biomedical Science, Commerce, Engineering, Exercise and Sport Science, Food and Nutrition, Forensic Science, Health Sciences, Information Technology, Law, Media and Communication, Psychology, Public Health and Health Promotion, Public Relations and Science.

For more information on pathways to second year bachelors degrees at Deakin, contact MIBT on 03 9244 5600 or visit www.mibt.vic.edu.au.

NURSING INFORMATION EVENINGS

Nursing at Deakin prepares students for practice within a range of health care settings and equips them with the knowledge and skills to provide safe and quality care for patients with a variety of complex illnesses.

Deakin Nursing graduates are highly sought-after for their nursing knowledge, practical and communication skills, professionalism, enthusiasm and problem-solving capabilities.

They are well prepared to pursue a career as a registered nurse in a range of work areas including hospitals, homes, hospices, aged care, clinics, schools, universities, community health centres, government agencies and industries.

Come to one of our Nursing Information Evenings and find out how a Deakin Nursing degree leads to professional registration and a career that is rich with opportunity.

NEW STUDY AREA: SUSTAINABLE TOURISM MANAGEMENT

The Faculty of Business and Law, in conjunction with The Gordon in Geelong, is pleased to announce an exciting new study area – Sustainable Tourism Management.

This course will be offered through our Geelong Waurin Ponds Campus, providing a unique opportunity to complete three qualifications within three years of leaving school. Students will attend classes at both The Gordon and Deakin Waurin Ponds Campus from year one, and will attain a Bachelor of Management, Advanced Diploma of Tourism and Diploma of Sustainability.

The course explores issues in management, ethics, sustainability and the environment within the domestic and international tourism industries. Students should apply for this course through VTAC, with further information available at Deakin's Geelong Waurin Ponds Campus Open Day on Sunday 21 August.

SEMINARS SHOWCASE SCIENCE AND TECHNOLOGY

With titles like 'Cool buildings, hot planet'; 'Tomorrow's car'; 'I'm a geek girl and proud of it!'; 'Allergy, nothing to be sneezed at' and 'Amazon: sustainability on the front lines', Deakin University's Faculty of Science and Technology Seminars for Schools program aims to provide VCE students with an insight into a variety of specialist fields of study.

Designed with the VCE curriculum in mind, seminars are conducted at your school, and are available on a range of interesting topics including design, architecture and built environment, engineering, physics, environmental science, information technology, mathematics, science, biology and chemistry.

The seminars are offered to schools in metropolitan Melbourne, Geelong and the surrounding regions. If your school is located outside of these areas and you are interested in a seminar, we would be happy to discuss the possibility of a combined school visit in your region. There are no costs to schools for the Seminars for Schools program.

Bookings are now being taken for the remainder of 2011. For a list of available seminars, please visit

www.deakin.edu.au/scitech/future/schools.

For more information, phone Leonie Keilour on 03 9244 6483 or email scitech-seminars@deakin.edu.au. We look forward to visiting your school.

YEAR 10 GUIDE – FOR UNIVERSITY ENTRY IN 2014

We're pleased to advise that Deakin University's *Year 10 Guide – for University entry in 2014* is now available and copies will be sent to your school shortly.

Information on how to request additional Year 10 Guides will also be included.

Be sure to check it out online at www.deakin.edu.au/brochures.
