ARCHITECTURE AND BUILT ENVIRONMENT

If you like these types of subjects:

Maths
Design and Technology
History
English
Graphics
Art
Information Technology
Studio Arts
Business Management

Or if this is your dream job:

Architect
City or landscape planner or designer
Construction manager
Design manager
Estimator
Quantity surveyor
Site manager

Then consider a Deakin University architecture and built environment course in:

Design (architecture)
Construction management
Architectural technology

Combined courses include, but are not limited to:
Design (architecture)/Construction management
