Secure your place in the future of work at Deakin

Deakin offers you a first-class learning experience, and is proud of being a multi-award winning, internationally recognised university. Join more than 58,000 high-performing students who have chosen Deakin for:

• practical, real-world learning
• teachers that are leaders in their field, who can offer you industry experience
• flexible learning, whether on campus or online
• leading-edge facilities
• our proven record of scientific achievements.

Top 2%
of universities worldwide#

Get work ready – we are the #1 university for skills development

Deakin integrates real-world expertise with practical skills to give you a competitive edge – proven by Deakin being ranked the #1 university for skills development in Victoria.*

This means you graduate:
• highly skilled
• work ready
• in-demand from employers.

* 2016 Student Experience Survey.

Deakin industry connections = work placement opportunities

Our industry partnerships mean:
• courses for you that match current industry practice
• a qualification that will be widely recognised in the workplace
• a range of work placement and study abroad opportunities for students like you.

Study credits + real-world experience

You can also gain credit towards your degree with work experience in an area that interests you.

Depending on the course, we offer:
• workplace internships
• placements
• work-integrated learning programs.

You’ll get your career off to the best start by gaining the skills, knowledge and networks you need and employers want.

The most satisfied students – 8 years in a row

At Deakin, we pride ourselves on the satisfaction of our students and the success of our graduates. To us, the experience of each student matters, from the quality of teaching they receive to their ongoing employability.

When Deakin scores highly in a number of rankings year on year, it’s thanks to many thousands of these great individual experiences.

Our students are the most satisfied students of all Victorian universities*, and have been for the past 8 years.

I love the culture at Deakin. I always feel comfortable around campus and have a great support network, both academically and socially.

Alice Bleathman  
Bachelor of Food and Nutrition Sciences* student  
Vice-Chancellor’s Academic Excellence Scholarship recipient

* Now known as Bachelor of Nutrition Science

We’ll support your learning

Whether you want to improve your study skills or need help on a tricky assignment, there’s plenty of support available. As a Deakin student, every aspect of your study will be supported by student mentors, online resources and, of course, our staff. Our easy-to-use online system, DeakinSync, enables like-minded students to connect online, collaborate and support each other.

Get a world-class education

Deakin is a world-class university – with leading-edge facilities powering our record of world-renowned scientific achievements and teaching. All three international university rankings put us in the top 2% of the world’s universities. Access tomorrow’s technology today in our inspiring learning environments, where you can walk through virtual landscapes, prototype ideas with 3D printing, trade stock in a simulated trading room, and merge movement and art in our motion capture lab.

Our outstanding facilities are enhanced by our outstanding academic staff, who are enthusiastic about sharing their skills and knowledge and providing you with valuable industry insights.

Travel the world

See the world with an international internship, exchange, study tour or volunteer placement. Get a competitive edge in the workplace and gain credit towards your degree by studying overseas at a Deakin partner university, located in more than 40 different countries. Visit deakin.edu.au/overseas-study for more information on where in the world your Deakin degree can take you.

Learn without limits

Study where, when and how it suits you at Deakin. Join our online Cloud Campus, switch between part- and full-time study, fast-track your degree by taking extra units throughout the year, taking advantage of our three trimesters of study, or combine your degrees – the choice is yours.

Join the online learning revolution

Join the thousands of students currently studying online at Deakin’s Cloud Campus. Choose from more than 160 courses and experience world-class learning 24/7 using the latest digital tools.

Find out more on page 4.

#1 university for skills development

Ranked the #1 university in Victoria for skills development. 2016 Student Experience Survey

#1 careers service in Australia

DeakinTALENT was awarded the most popular university careers service in Australia by the graduate recruitment industry in 2017.

Student life

Getting started at university is a fun and exciting experience, but it’s not without its challenges. That’s why we lend a hand, helping you find somewhere great to live, scope out the clubs and societies you’d like to join and discover your campus’ best local spots to shop and eat. We can even help with finding a job, student finances, how to get involved at uni, disability support and health services.

Find out more at deakin.edu.au/life-at-deakin/student-life.
Locations

Cloud Campus
Deakin’s Cloud Campus is a 14,000-strong community of online students. As a flagship provider of distance education for more than 40 years, Deakin has a unique understanding of students who need choice and flexibility.

• The Cloud Campus is a vibrant and virtual campus. It’s your one-stop online place to access classes, seminars and resources, participate in live-streaming seminars and class discussions, chat with academic staff and students and submit assignments. When, where and how you study is up to you.
• Studying at the Cloud Campus doesn’t mean you’re confined to the cloud. You can jump offline anytime and head to your closest Deakin campus to meet with your teachers or other students, visit the library or simply make the most of our fast, free Wi-Fi.
• Deakin’s Cloud Campus enables you to connect with other students for study, support and socialising, including an online student club. Accessible and flexible – it can be as much as you want, or need, it to be.

Visit deakin.edu.au/courses/study-online for more information.

Melbourne Burwood Campus
Our Melbourne Burwood Campus is a 30-minute drive from Melbourne’s bustling central district in a leafy suburb with many open spaces and parks.

• Melbourne Burwood Campus is our busiest campus, with around 30,000 students.
• The campus boasts architecturally impressive buildings and outstanding facilities, including the professional motion capture lab; dance, drama and television studios; food and nutrition labs; nursing clinical simulation centres; IT gaming facilities; simulated foreign currency trading floor; and much more.
• Burwood students love the relaxed suburban atmosphere and huge choice of learning and social spaces.
• Enjoy a choice of cafes and food outlets, bookshop and merchandise shop, medical centre, gallery, gymnasium, great study spaces and much more.
• The campus sits alongside parkland, which is great for cycling, walking and jogging, and is easily accessible via cycling paths, public transport or car.

Living on campus
• Campus residences accommodate more than 1000 students year-round, with a range of accommodation options, from private studio apartments to private bedrooms within large unit complexes.
• Life on campus is so much more than just a comfy bed in a safe building. It’s a unique opportunity to immerse yourself in the Deakin experience. Those who live on campus are shown to make better connections with their peers and with the University. Plus, they’re more likely to achieve great results with their study.

To learn more, visit deakin.edu.au/live.

Living near campus
• The closest suburbs to our Melbourne Burwood Campus are Burwood East, Box Hill South, Camberwell and Ashburton.
• From Melbourne’s CBD it takes about an hour to get to our Melbourne Burwood Campus using either train, tram or bus, or about half an hour by car. It is also possible to cycle to Burwood. The tram stop is located on the Burwood Highway in front of the campus.
• To find accommodation near campus visit Houseme at deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

Visit deakin.edu.au/burwood for more information.

#1 careers service in Victoria
Our Graduate Employment division is dedicated to preparing you for the jobs and careers of the future. Through DeakinTALENT’s programs and services you can research different career options, hone your interview skills, as well as look for casual work while you study or find a graduate job. Visit blogs.deakin.edu.au/deakintalent.
Locations

Geelong Waterfront Campus
Our Geelong Waterfront Campus is right on Corio Bay – in the heart of Geelong, about an hour’s drive from Melbourne. Originally built as wool stores in the 19th century, the buildings have been extensively renovated, creating a modern, impressive campus.

- Geelong is the second-most populated urban area in Victoria (after Melbourne), with a population of about 180,000 people.
- One of the world’s most beautiful coastal drives, the Great Ocean Road, is just 30 minutes away, complete with famous surf beaches and the occasional whale sighting.
- Geelong Waterfront Campus was founded in 1994. It currently has 5000 students and offers 201 courses.

Living on campus
- The Geelong Waterfront Campus will accommodate its first residential community of 410 students in 2018, with 33 studio apartments also available within Geelong’s iconic T&G House.
- Our campus-based residents enjoy a range of exclusive activities across the year. You’ll be connected with a supportive student community and an encouraging environment ensures a balanced study/social life.

To learn more, visit deakin.edu.au/live.

Living near campus
If you choose to live centrally, you’ll be residing very close to your classes. If you live further from the city centre, getting to the Geelong Waterfront Campus by car, bike or public transport is easy.

To find accommodation visit Houseme at deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.
Visit deakin.edu.au/waterfront for more information.

Getting to Geelong
Travel to Geelong is easy and, if you’re based in Melbourne, the commute with the new regional rail link is quick, with travel from Southern Cross Station to Geelong taking less than an hour. If you live in Melbourne’s west, you may find your commute is as short as 30 minutes by car.

Geelong Waurn Ponds Campus
You get the best of both worlds at our Geelong Waurn Ponds Campus – access to world-class programs and superb facilities, as well as a relaxing, regional environment, close to some of Australia’s best surf beaches.

- Geelong is on a peninsula, with surf beaches, diving and recreational fishing all on offer.
- On campus, outdoor areas and spacious new buildings are perfect for both socialising and studying.
- Geelong Waurn Ponds Campus offers incredible sport facilities. The campus is home to Deakin’s Elite Sport Precinct, which includes an MCG-sized AFL oval, FIFA-grade soccer pitch, eight-lane 400-metre athletics track, outdoor basketball court and more. A deluxe health club complete with gym, workout studios and group fitness classes is also available.
- There are around 7300 students at the Geelong Waurn Ponds Campus.

Living on campus
- We have townhouses, units and apartments available for 800 students at our Geelong Waurn Ponds Campus, close to classes and our sporting grounds.
- Living on campus gives you exclusive access to residential programs including health and wellbeing, social, academic, arts and culture and leadership, connecting you in a supportive student environment to ensure a balanced study and social life.

To learn more, visit deakin.edu.au/live.

Living near campus
Our Geelong Waurn Ponds Campus is a 20-minute drive from the centre of Geelong, so if you choose to live centrally you won’t be far away from your classes. Closer suburbs to live in include Grovedale, Wandana Heights and Highton.
- You can access the campus by car, train, or the free shuttle bus that runs between our two Geelong campuses – and Melbourne is just an hour away.
- To find accommodation near campus visit Houseme at deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.
Visit deakin.edu.au/waurn-ponds for more information.

Clubs and societies
As a Deakin student, you can explore more than 120 clubs and societies across our campuses. We’ve got groups dedicated to everything from anime to basketball. From sports, health and personal development clubs to academic, religious, course and discipline-specific groups, there’s sure to be a club or society to suit you. Make the most of your time at Deakin: meet new people, try new things, share your skills and discover your hidden talents.
Locations

Warrnambool Campus
Three hours from Melbourne, 3.5 hours by car from Geelong, Warrnambool is a welcoming campus, close to the town centre and beautiful surf beaches. Deakin’s Warrnambool Campus offers a friendly, close-knit community environment, with close to 1000 students.

- Deakin’s Warrnambool Campus is set on the banks of the picturesque Hopkins River, close to local surf beaches and popular tourist attractions.
- The 94-hectare site is approximately 5km from the centre of Warrnambool CBD, which is serviced by the Princess Highway and its own railway station and bus services.
- Warrnambool has a population of about 34,000 people, and is roughly 255km south-west of Melbourne.

Living on campus
- We have studio apartments and shared houses available on campus at Warrnambool, just metres from the Hopkins River and close to local surf and fishing hot spots.
- Living on campus in Warrnambool means you are part of a close-knit residential community, giving you access to exclusive residential programs.

Living near campus
- Warrnambool is an increasingly popular tourist destination, with historic buildings, beautiful waterways and surf beaches, and a whale-watching centre.
- Living off campus is a great – and affordable – way to get to know the town and wider community while you’re studying.
- Visit Houseme at deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

Visit deakin.edu.au/warrnambool-campus for more information.

Study options

Study full time or part time
At Deakin, you can switch between part-time and full-time study and set your own pace throughout your education. This means if things change, you’re not locked into a study commitment that no longer suits you. If you’re enrolled in three or more credit points in a trimester, you’re considered a full-time student. Any fewer and you’ve considered a part-time student.

Study in the cloud or on campus
Did you know that you can switch between on-campus and online learning? Providing your course and unit is available in both modes, the choice is yours. You can also combine the two study modes. Need the flexibility to study some units online and others on-campus? That’s the type of flexibility our students love. If you miss a class you can catch up online when it suits you, whether you study at one of our campuses or at the Cloud Campus.

Study when you are ready
We have three study periods during the teaching year. This gives you more choice about when to start your degree and can even enable you to fast-track your study by taking extra units throughout the year. Some students take a trimester off to work or travel, then catch up later. It also allows you to spread your study load, so you can fit your studies into your lifestyle.

Deakin’s trimesters run from March to June (Trimester 1), July to October (Trimester 2) and November to February (Trimester 3). Trimester 3 is optional and subject to availability of units. Visit deakin.edu.au/flexible-study to find out more about your study options at Deakin.

Digital tools and resources
Students are fully supported with a range of online resources. Through your personalised digital study hub, DeakinSync, you connect with students, learning and assessment experiences, teaching and support staff and potential employers. An experienced student success coach connects with you via Skype and email, providing ongoing support to ensure your personal and professional development.

Institute of Koorie Education
The Institute of Koorie Education provides community-based education programs, enabling Aboriginal and Torres Strait Islander Australians the flexibility to gain access to higher education while still being able to maintain family and community connections and obligations.

The approach to course delivery promotes access and equity for Indigenous Australian students, creating a close-knit learning community, as well as an inspiring and supportive learning environment away from home. Visit deakin.edu.au/courses/ike for more information.

Staying on campus
The Kitjarra student residences are available to Institute of Koorie Education students during study intensives. Just a short walk from the Institute’s academic building at the Geelong Waurn Ponds Campus, Kitjarra is a convenient and comfortable option for study and accommodation. To learn more visit deakin.edu.au/kitjarra.

Disability support
Deakin’s Disability Resource Centre promotes inclusion and access, and delivers information and services for students with a disability, health or mental health condition that affects their study or participation in university life. If you have difficulty with reading, writing, mobility, concentration, being understood, or meeting deadlines you may be eligible for services. For more information, visit www.deakin.edu.au/disability-services.

**Applying to Deakin**

**How do I apply?**

Applying for your undergraduate degree at Deakin couldn’t be easier. Most applications are straightforward and easy to complete. Follow these steps to make the process as simple as possible. Visit deakin.edu.au/courses/how-to-apply.

1. **Find your course**

   Browse from the hundreds of exciting undergraduate courses we have on offer at deakin.edu.au. Undergraduate courses at Deakin generally begin in March, and some courses also have intakes in July and November.

   Once you find the course you’re after, make sure you understand the entry requirements, application methods and application dates. You can call us on 1800 693 888 to discuss your options.

2. **Understand the entry and documentation requirements**

   Make sure you understand the entry requirements for your chosen course by reading the course page carefully. For recent secondary education applicants, in addition to the listed ATAR, some courses may require you to have studied a prerequisite subject(s), while others may also require you to provide extra materials, such as a portfolio or personal statement.

   Selection requirements for non-Year 12 applicants may include personal statement, entrance tests as specified, e.g. STAT (Special Tertiary Admissions Test), or a non-academic assessment (for all applicants to teaching courses), supplementary information form, audition, interview or folio presentation. For an explanation of key terms, please refer to pages 57–59.

   Further information is listed in this guide’s course table (page 16 onwards), as ‘recent secondary education applicant’ and ‘non-Year 12 applicant’.

3. **Gather supporting documents**

   When applying direct to Deakin as a non-Year 12, it’s important to attach any requested supporting documentation, which may include a CV, academic transcripts, STAT results or a personal statement, otherwise your application may be delayed. We recommend gathering all this documentation before you commence the application process to ensure you can complete it in one sitting.

4. **Apply**

   Depending on your course, our flexible trimester system means you may be able to start in Trimester 1 (March), 2 (July) or 3 (November). If you’re a recent secondary education applicant, applications for Trimester 1 should be made through VTAC (vtac.edu.au).

   If you’re a non-Year 12 applying for Trimester 1 for one Deakin course only, you may apply direct to Deakin. *Applications for Trimester 2 or 3 should be made directly to Deakin via the applicant portal at applicantportal.deakin.edu.au.

**Special consideration**

At Deakin, we are committed to providing equity and access for individuals and groups who might not otherwise enjoy the benefits that flow from participation in higher education. Deakin provides additional consideration to applicants who may have experienced difficult circumstances, such as family, financial, medical, a disability or other challenges.

When applying through VTAC, submit an application through VTAC’s Special Entry Access Scheme (SEAS). If applying direct to Deakin, provide information and supporting documentation regarding your circumstances when prompted in our online applicant portal. For information visit deakin.edu.au/access-equity.

**Offers**

Information about dates and offers from VTAC can be found on the VTAC website, vtac.edu.au. For Trimester 1*, Deakin makes most of its offers in the first round of offers to applicants.

For applications made direct to Deakin, offers are made via email. Timing varies depending on the course and time of year, but offers are generally made within 10 working days.

**Defer**

We understand that you might want to have a break before you commence your university course. That’s why we have made deferring your studies easy. Most courses allow you to postpone your studies, but still retain your Deakin place for up to two years.

Visit deakin.edu.au/enrolment for information on offers, deferring and more.

* Some courses in Deakin’s Faculty of Health and Faculty of Science, Engineering and Built Environment are offered by semester. Semester 1 runs from February to June; Semester 2 runs from July to November. See the course table or visit deakin.edu.au/courses.

**Support services**

At Deakin, you get support every step of the way. For job advice, our career service can help. For health or mental wellbeing services, healthcare professionals are on hand. From childcare services to disability support, we take care of your needs so you can enjoy life at Deakin. Find out more at deakin.edu.au/life-at-deakin/support-services.
Fees and scholarships

Fees
Depending on the course, an Australian Commonwealth supported undergraduate student at Deakin in 2018 can expect to pay between $6444 and $10,754 per year of study. These fees will change for 2019.

Eligible students may obtain loans via the Higher Education Contribution Scheme—Higher Education Loan Program (HECS-HELP).

Repayments are made through the Australian taxation system once your annual income exceeds the minimum threshold.

A range of government financial assistance programs are available for eligible students, such as Youth Allowance and Austudy.

Other costs
As a student you will also need to pay for living costs and course-related expenses, such as computer equipment, books, field trips and special equipment or clothing (if applicable to your course).

deakin.edu.au/fees

Government assistance
Commonwealth Supported Place
If you are an Australian citizen, holder of a Permanent humanitarian visa, Permanent resident or New Zealand citizen and meet the residency requirements, you will be eligible to receive a Commonwealth Supported Place (CSP) for a bachelor’s course at Deakin. The Australian Government subsidises a Commonwealth Supported Place by paying part of the fees directly to the university.

Students enrolled in a CSP are only required to cover part of the cost of their course through student contributions. The cost of your course will depend on the units you study.

HECS-HELP Loan
Another Australian Government scheme that you may be eligible for is a HECS-HELP Loan. This is available for students in a Commonwealth Supported Place who meet the eligibility requirements set by the Australian Government.

Under the HECS-HELP loan scheme, you can choose to not make an upfront payment for your tuition fees. The HECS-HELP loan covers the student contribution part of your student fees. You will begin paying back your loan in small increments once you meet the minimum income threshold set by the Australian Taxation Office.

Deakin University is subject to Australian Government Legislation. As such, legislative changes can occur and may impact your HECS-HELP eligibility. For more information on eligibility requirements please visit studyassist.gov.au or deakin.edu.au/courses/fees/fee-payment-assistance.

Scholarships
A Deakin scholarship is more than simply a financial boost – it sets you on the pathway to success at university. It’s an opportunity to stand out from your peers and is an excellent feature on your resume.

We offer scholarships for many situations, whether you have experienced disadvantage and/or achieved academic merit. Awarding a Deakin scholarship is our chance to acknowledge and reward your accomplishments and hard work.

You could be eligible for a number of scholarships during your time at Deakin. Use our online search tool to help you find out what scholarships you might be eligible to apply for at deakin.edu.au/scholarships. Also check out deakin.edu.au/scholarship-tips to read through our top tips for completing a scholarship application.

Financial support
Deakin provides financial assistance to eligible students in a number of ways, including grants, emergency food and travel vouchers. If you’re experiencing financial difficulties, you may also be eligible to receive an interest-free student loan for study-related expenses.

Useful websites
Deakin Accelerate for VCE students
If you’re a high-achieving VCE student, Accelerate allows you to study two first-year university subjects during Year 12. Studying one subject per trimester through Accelerate gives you a headstart in university studies while providing a potential boost to your ATAR.

There aren’t any enrolment costs for the units you study as part of Deakin Accelerate, your only expense could be the cost of a textbook or materials needed to participate in the class. If your subjects are related to the Deakin course you enrol in after you graduate from secondary school, you may gain credit if it’s a related course or you are able to use it as an elective – that’s two units ticked off your uni degree at minimal cost.

Most units are available on campus and online.

deaakin.edu.au/accelerate

Deakin Accelerate for VCE students
Even in my first year I can see the many benefits of the scholarship program – from being part of interesting and innovative learning experiences to developing a good rapport with my academic mentor and other scholarship recipients.

Pathways to Deakin

The traditional path from school to university isn’t the only way into Deakin. Find your pathway to study with us.

Pathways through Deakin

Taking a pathway through Deakin means you get to begin the Deakin experience immediately, starting and finishing your study at Deakin.

Transfer between campuses*
Start your course at a campus with a lower ATAR requirement, then transfer to your desired campus after first year.

Transfer between courses*
Apply to study a course with similar subjects or majors, but a lower ATAR, and use this as a pathway into your ideal course.

Complete an associate degree*
A Deakin associate degree in arts or education lets you study in a supported campus environment. It also gives you a direct, guaranteed pathway to an arts, criminology or primary education* bachelor’s degree.

Undertake single unit (non-award) study
If you just want to test the waters and see what studying at Deakin is all about, consider studying a single unit (or two). The unit can count towards a degree if you decide to enrol in one afterwards, and you’ll get to satisfy your personal and professional interests.

Pathways through Deakin College
A Deakin College diploma can provide a fast-track pathway into Deakin undergraduate degrees.

Pathways through TAFE
Deakin partners with the country’s best TAFE institutions to offer a guaranteed entry program. Our partners include:
- Bendigo Institute
- Box Hill Institute
- Chisholm Institute
- The Gordon
- Kangan Institute
- Melbourne Polytechnic
- South West TAFE
- TAFE NSW

Pathways through other institutions
If you’re currently studying at another university and wish to apply for entry into Deakin to finish your degree, you can apply for Credit for Prior Learning for your previous study.

Pathways through the workforce
Deakin students come from all walks of life – not everyone goes straight to university after finishing high school. You may be able to gain entry to Deakin and/or credit towards a Deakin course, based on your work experience or prior industry training.

Visit deakin.edu.au/courses/entry-pathways for more information.

Try our Pathway Finder tool
There are many different ways you can get into an undergraduate course at Deakin. No matter your ATAR or education history, we’re here to help you find your pathway to Deakin. Try our Pathway Finder tool and explore the options that may be available to you at deakin.edu.au/courses/entry-pathways/pathway-finder or call us on 1800 693 888.

Contact us
We have a great team at Deakin ready to help you find a pathway into university. Give us a call on 1800 693 888 to discuss your options or email myfuture@deakin.edu.au. We’re here to support you.

‘My course has exceeded my expectations. With such a wide variety of units to choose from, and areas to specialise in, there is never a dull moment. I am able to tailor my learning to my interests, allowing me to thrive!’

Beau Arnfield
Bachelor of Arts/Bachelor of Laws student

* Subject to availability and meeting academic requirements.

* You may be eligible for up to 18 months’ (full-time study) Credit for Prior Learning for your previous study.

Pathways to Deakin
Courses at Deakin

The following pages outline key details for each of Deakin’s undergraduate and related degrees. Courses are featured according to the interest areas listed here. Course name and code are included, as well as a brief course overview, major areas of study, careers and everything you need to know about getting into the course. Find out more about these interest areas and the courses available at deakin.edu.au.

Not sure where to start? Speak to one of our friendly staff on 1800 MY FUTURE (1800 693 888) to discuss your options or email myfuture@deakin.edu.au.

Courses to careers
At Deakin, we’re about careers and experience, not just courses. Visit explore.deakin.edu.au to kickstart your course and career exploration at Deakin. With more than 600 paired courses and careers, it’s the perfect destination for you to explore your future career.

Orientation and getting started
Nervous about starting university? There’s no need to be – we’ve got everything in place to help you through the process. Check out our handy online checklist at deakin.edu.au/life-at-deakin/orientation-getting-started for what to prepare before you start at Deakin and learn everything about enrolment, orientation and your course.

Campus
Deakin has five campuses – one in Melbourne and Warrnambool, two in Geelong, and the Cloud Campus. The following course table indicates the campus/campuses where you can study our range of undergraduate courses.

ATAR
The Australian Tertiary Admission Rank (ATAR) is a ranking of Year 12 results. It is a ranking from 30 (lowest) to 99.95 (highest), agreed by the Council of Australian Governments as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school. (This includes students who did not complete Year 12, completed but did not qualify for an ATAR, or had already previously left school, who account for around 30% of the age cohort.) The ATAR is derived from the scaled scores achieved for senior secondary school subjects. The specific calculation used is different in each state and territory but the result is designed to be nationally equivalent.

Admissions transparency
As per Australian Government guidelines, the ATAR published in this guide is the lowest ‘adjusted ATAR score’ to which an offer was made in 2018. The ‘adjusted ATAR score’ is an applicant’s ‘raw ATAR score’, plus any adjustment factors applied. Deakin is committed to an open and transparent admissions process, visit the VTAC course search at vtac.edu.au or deakin.edu.au/transparency for an ATAR profile of all Deakin courses.

Course duration in years
This is the course duration in years, based on completing the course full time. Part-time study options may also be available. Search for your courses at deakin.edu.au/courses to find out.

Entry requirements
The course table outlines the entry requirements for recent secondary education applicants and non-Year 12 applicants.

Recent secondary education applicants
• Current Year 12 students (2018)
• Year 12 graduates (2017 and 2016)

Non-Year 12 applicants
• Applicants with higher education study
• Applicants with VET study
• Applicants with work and life experience

For more information on entry requirements and the type of applicant you are, visit deakin.edu.au/courses/how-to-apply. You can also call us on 1800 693 888 to discuss your options.

Trimester intake
Most courses start in Trimester 1 (T1) (March to June). The course entry indicates whether you have the option of commencing your studies in Trimester 2 (T2) (July to October) or Trimester 3 (T3) (November to February). Not all units are offered in every trimester. Some courses in Deakin’s Faculty of Health and Faculty of Science, Engineering and Built Environment are offered by semester. Semester 1 runs from February to June; Semester 2 runs from July to November. Check each course at deakin.edu.au/courses for the most up-to-date intake information.

Fees
The fees listed are 2018 indicative fee rates for students enrolled in the first year of studies in a Commonwealth Supported Place (CSP). The Australian Government provides a subsidy for students enrolled in a CSP by paying part of the fees for the place directly to the university. The fees listed are the indicative amount you will need to pay for one year of study. Visit deakin.edu.au/fees for up-to-date information.

Deakin Hallmarks are prestigious University awards that recognise students’ outstanding achievement, at course level, of capabilities that are key to employment success.

Find out more at deakin.edu.au/hallmarks, including how Hallmarks are awarded.
### Architecture and built environment

#### Bachelor of Design (Architecture)*

**Overview**

Our course offers a creative environment to immerse yourself in all aspects of work within the built environment, from design to construction and evaluation on a vast range of projects – from houses to major buildings, to designing and creating places and spaces.

- **Private architectural practices, government organisations, property development, building and design.**

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English EAL.

**Campus and ATAR:**

</tr>
</tbody>
</table>

Deakin has one of the few dedicated criminology courses in Australia, allowing us to offer a wide variety of criminology topics. This course provides a solid educational foundation in the principles of criminological thought and research, enabling graduates to choose between seeking employment in related industries or seeking to undertake further study. In final year, a Criminology Practicum is available, providing you with practical experience, as well as allowing you to develop an e-portfolio that can assist you to complete the compulsory international experience.

</tbody>
</table>

Develop a systematic understanding of the international forces shaping government, business and society in contemporary Australia and the world and gain experience of living, working and studying in international environments. An important component of the degree is developing strong intercultural competence and graduate employability, which is achieved through a combination of core units and participation in a wide range of international experiences, including study tours, short-term overseas programs, in-country language courses, study exchanges and/or internships. The program offers an Asia-Pacific view on international relations, politics, security, society and culture. You can choose to specialize in language studies, anthropology, international relations or politics.

### Majors
- Anthropology
- Arabic

**Note:** Information is subject to change and should be verified on the Deakin University website.
Arts, humanities and social sciences

**Course**
- Diploma of Chinese
- Diploma of Indonesian
- Diploma of Spanish
- Associate Degree of Arts
- Bachelor of Arts – Advanced (Honours)

**Overview**
- The Chinese language program offers students the opportunity to attain proficiency in spoken and written Chinese and provides an understanding of the Chinese culture and ways of life. It’s a great complement to your studies in any discipline, plus you’ll gain a global perspective and boost your employability. In-country language programs are also available.
- Learn communication skills in Bahasa Indonesia while gaining an understanding of Indonesia’s culture, history and society. Indonesia is Australia’s closest Asian neighbour and the region is increasingly important to Australia economically, politically and culturally. In-country language programs are also available.
- Spanish is a great complement to your studies in any discipline, plus you’ll gain a global perspective and boost your employability. Develop fluency in Spanish by developing an understanding of grammatical structures and local fields through a communicative approach. Further develop through guided activities that target listening, speaking, reading and writing competencies. In-country language programs are also available.
- Develop skills you need to be successful at university, such as communication skills, digital literacy, critical thinking and teamwork skills. You will also study interesting units within arts or criminology and guaranteed entry into the Bachelor of Arts or Bachelor of Criminology after successful completion of the Associate Degree. You may also apply to transition, with credit, into a range of other bachelor’s degrees, including communications, psychology, health sciences, nursing, commerce or science.
- High-performing students will be attracted to Deakin’s Bachelor of Arts – Advanced (Honours) (Hons) which allows them to enrol immediately in a four-year honours degree.

**Careers**
- Business, diplomacy, foreign policy and international development.
- Business, diplomacy, foreign policy and international development.
- Business, diplomacy, foreign policy and international development.
- Develop important and transferable career skills, making you highly employable within a wide range of industries, including in international relations, journalism, media, multimedia, publishing, public relations, marketing, government, policy development, research, business, finance, community services, ethics affairs, social work, education, policing and performing and visual arts.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- A minimum ATAR of 80 or equivalent in the Victorian Certificate of Education (VCE) OR its equivalent, with prerequisite units 3 and 4, a study score of at least 20 in English other than EAL or 25 in English (EAL).

**Fees**
- $6444

**Course**
- Bachelor of Arts/ Bachelor of Commerce
- Bachelor of Arts – Bachelor of Commerce
- Bachelor of Arts/ Bachelor of Laws
- Bachelor of Arts/ Bachelor of Science
- Bachelor of Criminology/ Bachelor of Cyber Security

**Overview**
- A flexible combined course that allows you to explore arts and commerce majors, such as politics and policy studies with economics, finance with journalism, or public relations with marketing, to create a unique qualification.
- A language qualification combined with a degree in business expands your employment opportunities locally and overseas. Mandarin is spoken in China, Taiwan, Hong Kong and Singapore and will give you a distinctive and sought-after qualification.
- Combining arts and law enhances your understanding of the context in which the law operates. You can choose to study areas such as history, sociology, philosophy, politics or literature in addition to studies in law.
- Combine arts and science studies in a variety of contemporary themes such as the body, the environment, science policy and practice and others. You may combine majors such as public relations/humanities, philosophy/mathematical modelling, sociology/human biology or environmental science/journalism.
- Deakin’s Bachelor of Criminology/Bachelor of Cyber Security is the only degree of its kind in Australia. Bringing together two independent disciplines, the course provides you with skills in securing data and data communications, as well as investigating, analysing and providing solutions to computer crime.

**Careers**
- As an alternative to practising as a lawyer, you may work in business and management roles in a wide range of organisations and government services, industrial relations, research, public administration, diplomatic service, the media, legal aid, law reform, or teaching in schools or universities.
- Find employment in government bodies and companies that have dealings with, or operations in, Chinese-speaking countries and regions or other Asian countries.
- Explore the relationships between various areas of study, combining them in innovative ways to prepare you for a career in areas like policy development and implementation to human services and in various science fields.
- Graduates may find employment in areas such as government agencies, state and federal police, security and intelligence agencies, research and policy development, correctional services, community services, and private security and consultative industries, as well as more technical roles, such as security analyst, security systems manager, security system developer/programmer, anti-virus software developer or computer forensic specialist.

**Entry requirements**

## Course Overview

**Bachelor of Commerce**

- **Overview:**
  - Look at the business side of technology and at the way that businesses make use of technology to improve their processes.
  - This course gives you the skills to analyse existing information systems, develop new systems, and find solutions to common information systems management issues.
  - **Entry requirements:**
    - VCE units 3 and 4 – a study score of at least 25 in English other than EAL or at least 20 in English (EAL).
    - At least one study score of at least 20 in mathematics.
  - **Fees:**
    - $10,239

**Bachelor of Information Systems**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or at least 20 in English (EAL).
  - **Fees:**
    - $10,239

- **Bachelor of Exercise and Sport Science/Bachelor of Management**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 25 in English other than EAL or at least 20 in English (EAL).
  - **Fees:**
    - $10,681

- **Bachelor of Nutrition Science/Bachelor of Commerce**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or at least 20 in English (EAL).
  - **Fees:**
    - $10,045

- **Bachelor of Information Technology**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 25 in English other than EAL or at least 20 in English (EAL).
  - **Fees:**
    - $10,239

- **Bachelor of Information Systems**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or at least 20 in English (EAL).
  - **Fees:**
    - $10,239

- **Bachelor of International Studies/Bachelor of Commerce**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or at least 20 in English (EAL).
  - **Fees:**
    - $10,239

## Entry Requirements

**Bachelor of Commerce**

- **Entry requirements:**
  - VCE units 3 and 4 – a study score of at least 25 in English other than EAL or at least 20 in English (EAL).

This combined course gives you a thorough understanding of the social and physical factors that cause poor health, as well as those factors that create and sustain good health. You will examine how health is created and influenced in our society, and look at the different approaches for improving the population’s health.

- Business, marketing and management roles within the health industry, as well as for health promotion and public health roles within the government, corporate, private and public sectors.

| VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL) | $9,829 |

---

*NP means not published – less than five offers made to recent secondary education applicants.

1. The 2018 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. Recent secondary education applicants include current Year 12 and Year 12 graduates from 2017 and 2018.
3. There are three categories under which non-Year 12 applicants may apply to Deakin: - applicants with higher education study - applicants with vocational education - work and life experience
4. Visit deakin.edu.au/course and head to the course of interest to find out further details on admission requirements.
5. Majors are not available at all campuses. Visit deakin.edu.au/courses for campus availability.
6. Cloud Campus only.
7. Not all majors are available at Warrnambool and some units may need to be taken online via the Cloud Campus.
### Bachelor of Creative Arts (Drama)

**Overview**

Led by a team of passionate drama practitioners with years of invaluable industry experience, you’ll develop skills in acting, improvisation, performance and voice technique.

**Careers**

Live theatre, film and television, drama education, contemporary performance companies, performing arts centres and community theatre.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- deakin.edu.au/course/A344

**Fee**

$6009

### Bachelor of Creative Arts (Photography)

**Overview**

With access to professionally equipped facilities, develop skills in chemical and digital imaging in diverse photographic formats, portfolio creation, project management, visual communication, experimental practices, exhibition and online collaboration.

**Careers**

Opportunities exist in the media, arts, art production, tourism, cultural and entertainment industries. You may also choose to combine your degree with education studies and become qualified to teach photography.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.
- deakin.edu.au/course/A351

**Fee**

$6009

### Bachelor of Creative Arts (Visual Arts)

**Overview**

Developing skills in critical thinking, collaboration, technique, visual analysis and experimentation are crucial to work as an artist, yet they are also fundamentally transferable skills highly relevant to a range of creative industry applications.

**Careers**

Visual arts graduates enjoy creative roles in a range of settings, including working within arts and cultural communities or an independent studio career working towards exhibitions in commercial galleries, public art spaces, experimental collaborative and interdisciplinary exchanges.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.
- deakin.edu.au/course/A352

**Fee**

$6009

### Bachelor of Creative Writing

**Overview**

Explore narrative-driven works, experimental innovations, editing, creative non-fiction, script writing, as well as take roles on traditional genres of poetry, and short and extended fiction writing.

**Careers**

Freelance editing and writing, in traditional online/offline publishing, in corporate and government organisations and web designer and writer/editor; in media, entertainment and other arts organisations in a range of writing/editing roles, and in the education sector at various levels.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- deakin.edu.au/course/A339

**Fee**

$6933

### Bachelor of Design (3D Animation)

**Overview**

Explore design histories and theories and develop creative, technical and analytical skills in animation production through the exploration of computer graphic animation (3D CG) modelling, character design and animation, lighting and rendering and motion capture techniques relevant to a career in motion design and animation.

**Careers**

Motion design, animation, film, video, TV and motion capture performance or in augmented reality and virtual reality.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.
- deakin.edu.au/course/A343

**Fee**

$6944

### Bachelor of Design (Digital Technologies)

**Overview**

This course combines software design, immersive virtual reality and augmented reality experience design, mobile app design, web design and strong foundations in design thinking to support employment outcomes that differ from those of traditional IT or creative arts degrees.

**Careers**

App development, software design, UX design, web design, digital design and immersive design. Graduates may find work in creative agencies, advertising and design studios, print houses and corporate companies.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- deakin.edu.au/course/A344

**Fee**

$7129

---

### Bachelor of Design (Visual Communication)

**Overview**

The design industry is changing rapidly, as is the profession of design communication. Deakin’s Bachelor of Design (Visual Communication) addresses this shift through a fresh and thinking course focusing on all facets of communication design. From day one, you are introduced to the professional design world, learning and creating in an array of state-of-the-art facilities with industry leaders. All students remain connected to industry throughout the course, with the opportunity to take part in regular exhibitions and showcases, including at Deakin’s annual Graduate Exhibition.

**Careers**

Advertising, graphic design studios, print houses, publishers, corporate communications and house design services, government and private practices.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.
- deakin.edu.au/course/A345

**Fee**

$6444

### Bachelor of Film, Television and Animation

**Overview**

From documentary and short narrative fiction, to more experimental productions, this course allows you to discover and develop your knowledge through exposure to a number of production and postproduction roles and practices.

**Careers**

Production for cinema and television work as a member in the camera, lighting, sound, design and effects or editing departments within the corporate, educational and advertising sectors, animators in the arts and digital content industries, including the animation, film, television and games design sectors and as independent professional creative practitioners.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- deakin.edu.au/course/A351

**Fee**

$6471

### Associate Degree of Arts

**Overview**

Develop the skills you need to be successful at university, such as communication skills, digital literacy, critical thinking and teamwork skills. You will also study interesting units within arts and culture to gain a more interesting understanding of the arts and culture world, learning and creating in a wide array of facilities with industry leaders. All students remain connected to industry throughout the course, with the opportunity to take part in regular exhibitions and showcases, including at Deakin’s annual Graduate Exhibition.

**Careers**

Students who graduate from the associate degree and then choose to continue your studies at Deakin can gain a wide range of future career opportunities. This may include within the fields of international relations, journalism, advertising, media, photography, multimedia, publishing, public relations, marketing, personnel and industrial relations, government, policy development, research, business, finance, community services, etc.

**Entry requirements**

- For information on combined arts degrees, visit deakin.edu.au/courses.
- Melbourne Burwood Campus only.
- Cloud Campus and Melbourne Burwood Campus only.

**Fee**

$5516

---

# Cloud Campus and Melbourne Burwood Campus only.

# To be eligible for entry into this course, applicants must present a portfolio of work to a satisfactory standard.

# Students enrolled in this course in Geelong will be required to undertake units of study at both the Geelong Waterfront and Geelong Waurn Ponds campuses.

# The 4 foundation units in A250 must be undertaken at a campus. Cloud Campus enrolled students must travel twice weekly to Melbourne Burwood Campus or Geelong Waurn Ponds Campus to undertake these units.

# No offers made to recent secondary education applicants.

# NP means not published – less than five offers made to recent secondary education applicants. RC means admission is based on a range of criteria.
## Bachelor of Civil Engineering (Honours)

The degree gives you the building blocks to plan, design, construct and maintain the infrastructure systems that are necessary for our day-to-day lives, such as buildings and roads, airports and railways; water supply and sewerage systems; water resources and other infrastructure systems.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- A study score of at least 20 in one of maths: mathematical methods (units 3 and 4)/or maths: specialist mathematics.
- [deakin.edu.au/course/S461](deakin.edu.au/course/S461)

## Bachelor of Electrical and Electronics Engineering (Honours)

This program covers the broad areas of electrical and electronic engineering disciplines, including renewable power generation and grid integration of renewable energy sources; smart distribution and transmission; urban, industrial, rural and regional power usage; energy efficiency and intelligent demand management.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- A study score of at least 20 in one of maths: mathematical methods (units 3 and 4)/or maths: specialist mathematics.
- [deakin.edu.au/course/S461](deakin.edu.au/course/S461)

## Bachelor of Mechanical Engineering (Honours)

The design-based approach allows students to apply fundamental theory to industry-relevant projects, combining project management and communication skills with advanced numerical simulation techniques, product realisation and testing.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- A study score of at least 20 in one of maths: mathematical methods (units 3 and 4)/or maths: specialist mathematics.
- [deakin.edu.au/course/S461](deakin.edu.au/course/S461)

## Bachelor of Mechanical Engineering (Honours)

This course integrates electronic devices with mechanical design and information technology, preparing you to be an industry-ready professional engineer. You will gain the skills to apply mechatronics engineering principles to challenging real-world projects, such as the automation of industrial processes using robotics and other cutting-edge technologies, flying drones, 3D printers, robotics and self-driving cars.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)
- A study score of at least 20 in one of maths: mathematical methods (units 3 and 4)/or maths: specialist mathematics.

Course | Overview | Careers | Entry requirements | Fees
--- | --- | --- | --- | ---
Bachelor of Environmental Science (Environmental Management and Sustainability) | Develop the skills and knowledge to enable you to manage the interaction between people and the environment, at the same time meeting society’s needs for clean water, fresh air and healthy soils through the sustainable use of natural resources, ecosystems and environment. An honours year is available for high-achieving students upon completion of this degree. Environmental planning, environmental policy, sustainability, environmental protection, climate change adaptation and mitigation, industry-based environmental management, waste management, environmental education, catchment management, water resource management, land rehabilitation, pollution control, environmental science, wildlife management, conservation, and coastal and park management. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) | $8875

Campus and ATAR: | NY12 | 80.40 |

Bachelor of Environmental Science (Science) | Our marine biology program provides a unique opportunity to study temperate marine biology in a marine environment that has some of the highest biodiversity in Australia. The course has a strong ecological focus, linking biological and oceanographic processes in the study of marine environments. An honours year is available for high-achieving students upon completion of this degree. Marine biology tour guide, fishery officers, marine biology consultant, laboratory technician, local government environmental officer, aquaculture manager and sustainability project officer, as well as moving into research or pursuing postgraduate study. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) | $9185

Campus and ATAR: | NY12 | 80.20 |

Bachelor of Environmental Science (Wildlife and Conservation Biology) | Combines theoretical and practical expertise in a range of discipline areas, such as biodiversity, wildlife ecology, landscape and vegetation management, conservation, animal biology and park management. Fairwood is a key part of the course. An honours year is available for high-achieving students upon completion of this degree. Wildlife officer, conservation officer, wildlife manager, park ranger, project officer, research scientists, wildlife biologist, conservation biologist or landscape ecologist. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) | $8960

Campus and ATAR: | NY12 | 74.30 |

Bachelor of Environmental Engineering (Honours) | Develop a breadth of knowledge across the environmental engineering discipline and the technical skills to develop sustainable engineering solutions to the challenges faced within this field. In particular, learn the fundamentals of environmental engineering and the natural and physical sciences involved in the discipline. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and a study score of at least 20 in one of maths: mathematical methods (units 3) or maths: specialist mathematics. | $9185

Campus and ATAR: | NY12 | 75.50 |

Course | Overview | Careers | Entry requirements | Fees
--- | --- | --- | --- | ---
Bachelor of Science | A flexible degree that allows you to explore a diverse range of science-related study areas and specialise in at least one area of interest as you progress through the course. Environment majors include environmental sciences, freshwater biology and fisheries and aquaculture. An honours year is available for high-achieving students upon completion of this degree. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL). | $9099

Campus and ATAR: | NY12 | 86.95 |

Bachelor of Arts | Combine arts and science studies in a variety of contemporary themes such as the body, the environment, science policy and practice and others. You may combine majors such as public policy/chemistry, philosophy/mathematical modelling, sociology and environmental science/journalism. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL). | $7805

Campus and ATAR: | NY12, T2 | 65.05 |

Bachelor of Commerce | Gain a specialised training in a scientific field, such as environmental science, natural history, chemistry and materials science, animal biology, plant biology, cell biology, human biology or mathematical modelling, while also developing your understanding of the commercial world, with specialisations including economics, accounting, management or information systems, for example. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL). | $10,045

Campus and ATAR: | NY12 | 81.15 |

Bachelor of Laws | A law degree, especially when combined with another degree such as science, is a qualification that offers numerous career opportunities. As an alternative to practising as a barrister or solicitor, you may choose to pursue a career in business and management roles in a wide range of organisations, government services, industrial relations, research, public administration, diplomatic service, the media, legal aid, law reform or teaching either in schools or universities. There is also an increasing need for lawyers who understand science and scientists who understand the law to work in specialist roles and to deal with complex, often interrelated scientific and legal issues. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL). | $8857

Campus and ATAR: | NY12 | 74.45 |
### Environment

**Bachelor of Science/ Master of Teaching (Secondary)**

**Overview**

The combined course prepares graduates with the attributes, discipline-specific knowledge, professional behaviours and standards required to work as a secondary school teacher within the private or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL). \(^1\)

**Fees**

$8970

**Campus and ATAR:**

- Melbourne Burwood: 86.05
- Geelong Waurn Ponds: 80.00
- Geelong Waterfront: 60.70
- Cloud Campus: 56.10
- VCAT only: 80.00

**N/A**

*The 2018 indicative Commonwealth Supported Place (CSP) fee is based on a typical Technology Program. See Bachelor of Science, page 50.*

---

**Global Science and Technology Program**

**Overview**

This scholarship program is designed to add an international experience to your degree, supporting you to develop new skills and a broader world view while studying overseas. Successful applicants will be offered a monetary scholarship to assist with travel costs and will be required to participate in the Deakin Global Citizenship Program.

**Entry requirements**

- Applicants must meet the prerequisites for their specific course. All students must also complete and submit the Global Science and Technology Program Supplementary Information Form (deakin.edu.au/study/global).

**Fees**

N/A

**Campus and ATAR:**

- Geelong Waurn Ponds: 60.00
- Geelong Waterfront: 80.00
- Cloud Campus: N/A

*The scheme is subject to change.*

---

**Bachelor of Medical Imaging**

**Overview**

Academic and clinical studies are fully integrated throughout the four years of the course. The program involves medical radiation science linked to principles of medical imaging, biological sciences, as well as the ethical and legal aspects of health care to inform and support your clinical practice.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- NYS units 3 and 4: a study score of at least 22 in one of maths: specialist mathematics, maths: units 3 and 4, or 25 in one of maths: mathematical methods (any) or maths: specialist mathematics or at least 30 in maths: further mathematics.
- T1, T2, T3
- Available for high-achieving students with a minimum ATAR of 80.00. Applicants must also meet the published prerequisites for their specific course preference within the Faculty of Science, Engineering and Built Environment.
- Bachelor of Arts (A300) and the Bachelor Science (S320). To proceed to the Master of Teaching (Secondary) students must earn a Weighted Average Mark (WAM) of 60 during their undergraduate studies. Additional requirements may apply.
- Available for head to the course of interest to find out further details on admission requirements.
- N/A

**Fees**

$9764

**Campus and ATAR:**

- Melbourne Burwood: 86.05
- Regional and remote entry scheme: N/A

---

**Bachelor of Nutrition Science**

**Overview**

This course addresses all aspects of human nutrition and food relevant for employment in areas such as health, food industries, with a strong focus on consumer health. It develops an understanding of food, including food choice and its relationship to health, as well as the role of nutrition in human health and disease prevention.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL).
- NYS units 3 and 4: a study score of at least 25 in one of maths: mathematical methods (any) or maths: specialist mathematics or at least 30 in maths: further mathematics.
- T1, T2
- Available for head to the course of interest to find out further details on admission requirements.
- N/A

**Fees**

$9149

**Campus and ATAR:**

- Melbourne Burwood: 86.10
- Geelong Waurn Ponds: 94.19
- Geelong Waterfront: 94.19
- Cloud Campus: 93.15

---

*The scheme is open to current Year 12 students who are undertaking their final year of schooling at a regional or remote secondary school (as defined by the new ABS categories), that is not located in a major city of Australia; current Year 12 students from schools in the Greater City of Geelong. Please note: The scheme is open to current Year 12 students only, applications via VCAT. Visit deakin.edu.au/health/regional-and-remote-entry-scheme for more information.*
Bachelor of Occupational Therapy

Overview
Occupational therapy combines physical and mental rehabilitation to support people to live happy, healthy and productive lives. Starting in your first trimester, you will have the opportunity to explore the different occupational therapy specialisations and develop your own professional network.

Careers
You may work with children who have physical or intellectual disabilities, in aged care or with people who have had accidents or are suffering from medical problems. You may work in acute, psychiatric or rehabilitation hospitals, or in schools, community health, mental health, the workplace (such as in occupational health and safety and vocational rehabilitation), government, private practice or teaching and research.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$8018

Career and employment opportunities for occupational therapists are varied and include private and public eye-care practice, practice ownership, research and teaching, and involvement in community development and private practice.

Bachelor of Public Health and Health Promotion

Overview
This degree is designed to help you gain skills in industry-recognised competencies. You will develop your knowledge of planning and evaluation, health communication strategies, epidemiology and health research. Practical work placements give you the chance to gain valuable experience and further develop your expertise in the field.

Careers
Health promotion officer, community development officer, social planning officer, health educator, women’s health officer, health policy developer, planning officer, health researcher, program development officer or program evaluator.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$8023

Bachelor of Social Work

Overview
A degree in social work gives you the skills to enhance the wellbeing of people, taking into account the influence of policy, socio-economic factors and social justice issues. You’ll also become familiar with a range of social research methods and learn how to design and conduct research directly relevant to social work practice.

Careers
You may be involved in activities as diverse as policy development and research, counselling, family therapy, drug and alcohol counselling, community development and refugee assistance. Social workers also work as program managers or coordinators, as advocates, faith-based activists or consultants.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$7001

Bachelor of Vision Science/Master of Optometry

Overview
Offered as a combined course, the Bachelor of Vision Science/Master of Optometry is unique in many ways. It has an emphasis on core and team-based learning; an extensive, fully equipped clinical skills facility; industry partnerships; and a curriculum that delivers excellence across clinical, commercial and professional domains in optometry.

Careers
Career and employment opportunities for optometry and optometrists include private and public eye-care practice, practice ownership, research and teaching, and involvement in community development and private practice.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$8915

Bachelor of Science/Master of Optometry

Overview
A combined course, the Bachelor of Vision Science/Master of Optometry combines physical and mental rehabilitation to support people to live happy, healthy and productive lives. Starting in your first trimester, you will have the opportunity to explore the different occupational therapy specialisations and develop your own professional network.

Careers
You may work with children who have physical or intellectual disabilities, in aged care or with people who have had accidents or are suffering from medical problems. You may work in acute, psychiatric or rehabilitation hospitals, or in schools, community health, mental health, the workplace (such as in occupational health and safety and vocational rehabilitation), government, private practice or teaching and research.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$8018

Career and employment opportunities for occupational therapists are varied and include private and public eye-care practice, practice ownership, research and teaching, and involvement in community development and private practice.

Bachelor of Nutrition Science/Bachelor of Commerce

Overview
This comprehensive course provides you with knowledge and skills in food and nutrition sciences and complementary business knowledge and skills focusing on marketing or management. It is designed for employment in health and food-related industries.

Careers
Students of this course go into roles in research and development, consumer research and marketing, and management roles in the food, nutrition and health industries.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$11695

Bachelor of Health Sciences/Bachelor of Arts

Overview
Design your own course by combining subjects from a wide range of health and arts-related areas. You choose how to structure your course and could combine, for example, food studies with language and culture studies, or psychology for professional development with sociology — the choice is yours.

Careers
Students of this course go into roles in research and development, consumer research and marketing, and management roles in the food, nutrition and health industries.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$9752

Bachelor of Nursing/Bachelor of Health and Health Promotion

Overview
In addition to the specialised skills and knowledge acquired through our nursing degree, this combined degree also gives you specialised education in public health and health promotion. Public health is the organised response by society to protect and promote health and prevent disability.

Careers
Students of this course go into roles in research and development, consumer research and marketing, and management roles in the food, nutrition and health industries.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$7943

Bachelor of Public Health and Health Promotions/Bachelor of Commerce

Overview
This combined course gives you a comprehensive understanding of the social and environmental factors that cause poor health, as well as those factors that create and sustain good health. You will examine how health is created and influenced in our society, and look at the different approaches for improving the population’s health.

Careers
Graduates of this course go into roles in research and development, consumer research and marketing, and management roles in the food, nutrition and health industries.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$8915

Bachelor of Business/Bachelor of Health Sciences

Overview
This degree is designed to help you gain skills in industry-recognised competencies. You will develop your knowledge of planning and evaluation, health communication strategies, epidemiology and health research. Practical work placements give you the chance to gain valuable experience and further develop your expertise in the field.

Careers
Health promotion officer, community development officer, social planning officer, health educator, women’s health officer, health policy developer, planning officer, health researcher, program development officer or program evaluator.

Entry requirements
VCE units 3 and 4 — a study score of at least 25 in English other than EAL or 30 in English (EAL).

Fees
$8923
## Information Technology

### Bachelor of Information Technology

### Bachelor of Laws (Honours)

Deakin's Bachelor of Laws (Honours) places significant emphasis on building high-level research skills through opportunities to conduct independent legal research.

**Entry requirements:**
- 80% WAM at Year 12 (or equivalent)
- 65% WAM must be maintained throughout the remainder of the LLB
- Successful completion of a minimum of 15 credit points of NLL-coded Bachelor of Laws units, with a Weighed Average Mark (WAM) of 65% or higher across these units. The 65% WAM must be maintained throughout the remainder of the LLB course to be eligible for the Bachelor of Laws (Honours).

**Fees:** $10,543

### Bachelor of Arts / Bachelor of Laws

Combining an arts and law enhances your understanding of the context in which the law operates. You can choose to study areas such as history, sociology, philosophy, politics or literature in addition to studies in law.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $8859

### Bachelor of Commerce / Bachelor of Laws

Develop a sound understanding of the context in which the law operates in business, with a core study approach and a strong practical legal skills component, as well as giving you comprehensive knowledge in business studies.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $10,883

### Bachelor of Criminology / Bachelor of Laws

This unique undergraduate course combines the fields of criminology and law to provide you with a wide range of exciting career opportunities.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $8859

---

### Bachelor of Science / Bachelor of Laws

Enhance your understanding of the context in which the law operates. Combine studies in law with studies in science, such as animal biology, cell biology, chemistry and materials science, environmental science, environmental biology, mathematical modelling, natural history and plant biology.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $8859

---

### Bachelor of Property and Real Estate / Bachelor of Laws

As an alternative to practising as a barrister or solicitor, you may also pursue a career in a wide range of legal firms, organisations, government services, industrial relations, research, public administration, diplomatic service, the media, the legal aid, law reform, or teaching in schools or universities.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $10,409

---

### Bachelor of International Studies

There has been a pronounced internationalisation of the practice of law in the past decade. This course provides an international perspective, with students committing to study at an overseas university or taking up an internship with an overseas organisation.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $8183

---

### Bachelor of Arts / Bachelor of International Studies

This unique undergraduate course allows you to gain professionally recognised qualifications by developing in-depth knowledge of both real estate and law and property.

**Entry requirements:**
- ATAR of 90 or above
- 10 credit points from Year 12 English (English, English as a second language or English as a learned language) and at least 8 credit points in a non-English subject.
- 10 credit points from Year 12 maths (General Mathematics or Mathematical Methods)
- 10 credit points from VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fees:** $10,409

### Medicine

#### Doctor of Medicine

Accredited by the Australian Medical Council (AMC), the Doctor of Medicine is a four-year graduate entry course for students wishing to qualify as medical practitioners. Learn about anatomy, physiology and pathology, plus clinical procedural skills, public health issues and managing chronic diseases. There is a focus on the early development of clinical, communication and procedural skills, diagnosis and management of chronic diseases, and multidisciplinary teamwork, as well as emphasis on rural and regional medicine.

In order to qualify as registered medical practitioners with the Australian Medical Council (AMC), graduates undertake accredited internships at a number of Victorian and interstate hospitals. Following successful completion of their intern year, our graduates will be able to apply for entry to specialty training programs for a diverse range of medical careers.

Admission to the Doctor of Medicine is determined by a combination of grade point average (GPA) in an approved undergraduate degree, Graduate Australian Medical School Admissions Test (GAMSAT) score, eligible bonuses and interview performance.

#### Entry requirements

- **NP**: The Doctor of Medicine is a semester-based course. Semester 1 runs from February to June; Semester 2 runs from July to November.
- **Campus**: deakin.edu.au/studymedicine
- **H911**: Deakin University
- **S1**:* medicine.
- **as well as an emphasis on rural and regional diseases, and multidisciplinary teamwork,**
- **diverse range of medical careers.**
- **will be able to apply for entry to specialty training programs for a diverse range of medical careers.**
- **of clinical, communication and procedural performance.**
- **eligible bonuses and interview performance.**

---

### Nursing

#### Bachelor of Nursing

Bachelor of Nursing gives you the knowledge, skills and ethical understanding to become a competent registered nurse, preparing you to provide high-quality, patient-centered care in a range of settings.

- **Course Overview**: Registered nurse in a range of work areas including hospitals, homes, hospices, aged care settings, clinics, schools, universities and community health centres.
- **Entry requirements**: VCE units 3 and 4 — a study score of at least 25 in English other than ESL or ESL. deakin.edu.au/course/H721

#### Bachelor of Nursing (Clinical Leadership)

The only undergraduate nursing course in Victoria with a focus on mentioned clinical leadership. It includes all Bachelor of Nursing core units, plus an additional three core units that develop and enhance leadership potential through a focus on clinical nursing leadership and management, research and education.

- **Course Overview**: Registered nurses work in hospitals, homes, hospices, aged care settings, clinical schools and universities and community health centres. Graduate may progress to clinical leadership positions.
- **Entry requirements**: VCE units 3 and 4 — a study score of at least 25 in English other than ESL or ESL. deakin.edu.au/course/H722

#### Bachelor of Nursing/Bachelor of Midwifery

Midwives play an invaluable role in facilitating childbirth and caring for mothers and babies through pregnancy, labour and beyond. Boost your skill set and open the door to rewarding career options.

- **Course Overview**: Registered nurse and/or a registered midwife in hospitals, clinics, community health centres, schools and maternity services.
- **Entry requirements**: VCE units 3 and 4 — a study score of at least 25 in English other than ESL or ESL. deakin.edu.au/course/D355

#### Bachelor of Nursing/Bachelor of Psychological Science

This combined degree prepares you to complete the requirements to embark on a nursing career while developing knowledge of human behaviour, including understanding human personality, behaviour, emotion, underlying mental processes and the factors that lead people to differ in the way they think and behave.

- **Course Overview**: Mental health rehabilitation, youth work, careers counseling, community development and work/life counselling in addition to the many nursing roles in settings such as hospitals, homes, hospices, aged care, clinics, schools, universities, community health centres, government agencies and industries.
- **Entry requirements**: VCE units 3 and 4 — a study score of at least 25 in English other than ESL or ESL. deakin.edu.au/course/D387

#### Bachelor of Nursing/Bachelor of Public Health and Health Promotion

In addition to the specialised skills and knowledge acquired through our nursing degree, this combined degree also gives you specialised education in public health and health promotion. Public health is the organised response by society to protect and promote health and prevent disability.

- **Course Overview**: health education, human services and health policy development and implementation, in addition to pursuing roles as a registered nurse in a range of work areas.
- **Entry requirements**: VCE units 3 and 4 — a study score of at least 25 in English other than ESL or ESL. deakin.edu.au/course/D388

---

* The Doctor of Medicine is a semester-based course. Semester 1 runs from February to June; Semester 2 runs from July to November.
* Visit deakin.edu.au/studymedicine for information on fees.
* The 2018 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
* Recent secondary education applicants include Year 12 and Year 12 graduates from 2015, 2016 and 2017.
* There are three categories under which non-Year 12 applicants may apply to Deakin: - applicants with higher education study - applicants with vocational education - work and life experience

**Campus**: deakin.edu.au/course and head to the course of interest to find out further details on admission requirements.

---

* This is a course also available at the Institute of Koorie Education. Find out more at deakin.edu.au/course/ike.
* All nursing and midwifery undergraduate courses require a Special Tertiary Admissions Test Multiple Choice (STAT MC) where the applicant has not completed Year 12 (or equivalent) or any tertiary study (minimum Certificate 1A) within the last 10 years (from commencement date of the course applied for). Enrolled nurses applying for nursing courses are not required to sit the STAT MC.
* Trimester 2 and 3 intakes are for applicants who are registered or eligible to register as an enrolled nurse with the Nursing and Midwifery Board of Australia (NMBA).
* NP means not published – less than five offers made to recent secondary education applicants.
Psychology

Course: Bachelor of Psychological Science

Overview: Offering an integrated approach to psychology, this course covers areas including behavioural and clinical neuroscience, child and adolescent psychology, relationships and the psychology of groups, personality, cognitive psychology, forensic psychology and psychopathology.

Careers: Psychology graduates work in schools and education settings, or in a variety of businesses, delivering employee assistance programs on training. Increasingly opportunities are available in commerce and in areas such as human resources, business and management.

Entry requirements: VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)

Fees: $7265

Campus and ATAR: NP
NP
80.00
80.25
73.80

Course: Bachelor of Psychology (Honours)

Overview: This four-year course differs from the Bachelor of Psychological Science or Bachelor of Arts (Psychology) by providing selected students with the opportunity to complete honours in psychology as part of the final year of this degree.

Careers: A wide range of areas relevant to human wellbeing, such as youth work, careers counselling, work/life counselling, developmental psychology, research psychology or mental health rehabilitation.

Entry requirements: VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)

Fees: $7209

Campus and ATAR: NP
NP
80.05
80.50

Course: Bachelor of Arts (Psychology)

Overview: The course combines research-based and professional studies in psychology with liberal studies in the liberal and creative arts. It provides you with opportunities to develop skills of critical and systematic thinking; an imaginative understanding and appreciation of the theory and practice of the social sciences, the humanities or the arts; and enhanced cultural sensitivity and understanding through genuine reciprocity of values.

Careers: Graduates of this course can work in a variety of employment fields including psychology, media and communication, photography, politics and policy studies, history, languages and visual arts.

Entry requirements: VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

Fees: $6649

Campus and ATAR: NP
NP
85.30
85.70

Course: Bachelor of Health Sciences

Overview: The Bachelor of Health Sciences offers you to concentrate your studies on two specialised health-related areas while exploring complementary study areas that appeal to your interests and career aspirations.

Careers: Depending on the majors you take and your choice of electives, you could be qualified to work in areas such as health promotion, health education, community health, family and community support, health marketing, health and sport public relations, health policy development, nutrition and research in health areas.

Entry requirements: VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)

Fees: $8189

Campus and ATAR: NP
NP
83.70
84.05
82.80

Course: Bachelor of Criminology/Bachelor of Psychological Science

Overview: This course offers an accredited undergraduate sequence in psychology and includes complementary studies in individual and group counselling, health and behavioural change.

Careers: Government agencies, state and federal police, security and intelligence agencies, research and policy development, corrective services, community services, private security and consultative industries, as well as the many fields open to traditional psychology graduates.

Entry requirements: VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)

Fees: $7163

Campus and ATAR: NP
NP
84.00
73.80
83.20

Course: Bachelor of Nursing/Bachelor of Psychological Science

Overview: This combined degree prepares you to complete the requirements to embark on a nursing career while developing knowledge of human behaviour, including understanding human personality, behaviour, emotion, underlying mental processes and the factors that lead people to differ in the way they think and behave.

Careers: Mental health rehabilitation, youth work, careers counselling, community development and work/life counselling in addition to the many nursing roles in settings such as hospitals, homes, hospices, aged care, clinics, schools, universities, community health centres, government agencies and industries.

Entry requirements: VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)

Fees: $81778

Campus and ATAR: NP
NP
64.70
72.20
NP
Science

Bachelor of Biological Science

Overview
Study life in all its forms, from microbes to plants and animals while learning about animal and plant biology, microbiology, genetics, molecular cell biology, biogeography and evolution. This course provides you with the knowledge and skills to tackle the biological challenges of the 21st century, mainly around the environment and climate change. An honours year is available for high-achieving students upon completion of this degree.

Careers
Leads you to a range of careers, including in wildlife biology, the general health and medical industry (hospital scientists, analytical and diagnostic laboratory scientists and research scientists), animal health, quarantine services, environmental consulting, museums, herbaria and the emerging biotechnology industries.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$9113

Bachelor of Biomedical Science

Overview
Biomedical science covers the science underpinning medical applications, from basic biology to specific disease processes to provide you with a thorough understanding of human biology and health, with an emphasis on causes, diagnosis and treatment of disease at the molecular, cellular and system levels. An honours year is available for high-achieving students upon completion of this degree.

Careers
Medical research, genetic engineering, the pharmaceutical industry, pharmaceutical sales and laboratory technology.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$9901

Bachelor of Forensic Science

Overview
Study forensic science at Deakin and you/ll get formal training across the full scope of modern forensic science, acquiring skills and authentic experiences from "crime scene to court" by spending time in our unique crime scene training facility. Deakin is the first university in Australia, and the only university in the Asia-Pacific region, to offer a professionally accredited forensic science course. An honours year is available for high-achieving students upon completion of this degree.

Careers
Forensic science, insurance investigation, risk analysis, research science, in government institutions and within chemical, forensic, food technology, pharmaceuticals, the general health and medical industry.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$8727

Bachelor of Science

Overview
A flexible degree that allows you to explore a diverse range of science-related study areas and specialise in at least one area of interest as you progress through the course. An honours year is available for high-achieving students upon completion of the degree.

Careers
A science degree can lead to work in fields of agriculture, animal health, biotechnology, education, forensics, food technology, pharmaceuticals, the general health and medical industry.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$9099

Bachelor of Zoology and Animal Science

Overview
Develop a broad understanding of the current field of zoology, developing a range of practical and evidence-based decision-making skills. An honours year is available for high-achieving students upon completion of this degree.

Careers
Students with this degree may find career opportunities in a range of practical and evidence-based decision-making, wildlife biology, private environmental consulting, government regulatory, research assistants, environmental managers, pest management officers, collection managers of aquaria and zoological gardens and with suitable teaching qualifications primary and secondary teachers. Further postgraduate studies including research training either in Australia or overseas, can also lead to students becoming research scientists in a specific field, museum curators or even university academic.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$8681

Bachelor of Arts/Bachelor of Science

Overview
Combine arts and science studies in a variety of contemporary themes such as the body, the environment, science policy and practice, and others. You may combine majors such as public relations/chemistry, philosophy/matemathical modelling, sociology/human biology or environmental science/journalism.

Careers
Explore the relationships between various areas of science, combining them in innovative ways to prepare yourself for a career in areas like policy development and implementation to human services and in the various science fields.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$7805

Bachelor of Commerce/Bachelor of Science

Overview
Gain a specialised training in a scientific field, such as environmental science, natural history, chemistry and materials science, animal biology, plant biology, cell biology, human biology or mathematical modelling, while also developing your understanding of the commercial world, with specialisations including economics, accounting, management or information systems, for example.

Careers
Students with this degree may find career opportunities in a range of practical and evidence-based decision-making, wildlife biology, private environmental consulting, government regulatory, research assistants, environmental managers, pest management officers, collection managers of aquaria and zoological gardens and with suitable teaching qualifications primary and secondary teachers. Further postgraduate studies including research training either in Australia or overseas, can also lead to students becoming research scientists in a specific field, museum curators or even university academic.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$50,045

Bachelor of Forensic Science/Bachelor of Criminology

Overview
Develop the skills and techniques essential to modern forensic science, including the examination and presentation of scientific evidence. The course also gives you practical professional training and enables you to study critical analysis in the fields of policing, security, corrections, crime prevention and community safety, as well as various paralegal fields.

Careers
Forensic scientist, criminologist or related role, in both the public and private sector, including areas such as the forensic science section of law enforcement and crime-science-based industries, teaching, government agencies, state and federal police, AISO, correctional services, community services, and private security industries.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

Fees
$58405
Science

Bachelor of Science/Bachelor of Laws

- Enhance your understanding of the context in which the law operates. Combine studies in law with studies in science, such as animal biology, cell biology, chemistry and materials science, environmental science, human biology, mathematical modelling, natural resource sustainability and plant biology.
- Majors: See Bachelor of Science, page 50.
- Entry requirements:
  - VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 25 in English (EAL).
  - Access is available through VTAC.
- Fees: $8957.

Global Science and Technology Program

- The combined course prepares graduates with the attributes, discipline-specific knowledge, professional behaviours and standards required to practice as a secondary school teacher in Australia, teaching from junior secondary to VCE levels.
- Majors: See Bachelor of Science, page 50.
- Entry requirements:
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
  - Access is available through VTAC.
- Fees: $8979.

Sport

Bachelor of Business (Sport Management)

- People working behind the scenes in sport are often just as important as the players on the pitches, courts and fields. Learn all about the business aspects of sport, including sport systems and organisations, finance, promotion, and management.
- Entry requirements:
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Fees: $10,045.

Bachelor of Exercise and Sport Science

- This field-leading degree applies knowledge and skills in exercise and sport science to improve the health and well-being of the individual, through training, coaching and advice. Develop the necessary competencies to become professional leaders in exercise and sport science and allied fields, and have the opportunity to study the biological, sociological and behavioural bases of exercise and sport science.
- Campus and ATAR:
  - Campus: WP
  - ATAR: 90.80
- Regional and remote entry scheme:
  - RC

Bachelor of Health and Physical Education

- Working closely with school partners, we have developed the best learning experiences tailored to health and physical education to ensure you gain hands-on practical teaching experience.
- Campus and ATAR:
  - Campus: WP
  - ATAR: 90.70
- Bachelor of Health Sciences

- The Bachelor of Health Sciences enables you to concentrate your studies on two specialised health-related areas while exploring complementary study areas that appeal to your interests and career aspirations.
- Campus and ATAR:
  - Campus: WP
  - ATAR: 93.05
  - ATAR: 92.80
- Majors: See page 59.
- Entry requirements:
  - VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Fees: $8819.

### Sport Science/Bachelor of Sport Science/Bachelor of Business (Sport Management)

**Overview**

Along with the rapid commercialisation of sport, there is an equal growth in the sport service industry, with the development of occupations in areas such as coaching and sport business development, management and governance. This combined degree offers career variety, exposure to groundbreaking research and a network of graduates already working in the industry.

**Entry requirements**

- **University entry**: It is recommended that students have a minimum of 18 in English other than EAL or 25 in English (EAL).
- **Secondary applicants**: A sound mathematical background is recommended.
- **VCE units 1 and 2 of specialist mathematics, or units 3 and 4 of specialist mathematics** and a study score of at least 25 in English (EAL) and 25 in English other than EAL is required.

**Fees**

- Bachelor of Health Sciences: $7270
- Bachelor of Exercise and Sport Science: $9163
- Bachelor of Business (Sport Management): $9270

**Careers**

- Community health, policy, health and recreation services.
- Community health, policy, health and recreation agencies.
- Community services and non-profit organisations.
- Private academies and government agencies.
- Other education sectors.

**Overview**

- **Bachelor of Health Science**: Bachelor of Health Science.

### Teaching

**Overview**

Now in its fourth decade, Deakin University is recognised at all year levels; from day one you will commence studying a non-academic assessment prior to entry. You will benefit from small class sizes, state-of-the-art technology and outstanding facilities, allowing you to develop the necessary skills to become a successful university student.

**Entry requirements**

- **English language**: A minimum English language capability judged to be equivalent, including completion or enrollment in a Vocational Education and Training course and/or relevant work or life experience.

**Careers**

- **Students who graduate from the Associate Degree of Education** can find employment in public service, public health and welfare organisations, in the media, as well as in private academies and agencies.

Overview

As a Deakin teaching graduate, you may find employment as a secondary school teacher within the private or public education sector. Opportunities also exist in government agencies, community services or non-for-profit organisations.

Main features

- Majors

As a Deakin teaching graduate, you may find employment as a secondary school teacher within the private or public education sector. Opportunities also exist in government agencies, community services or non-for-profit organisations.

Course overview

The combined course prepares graduates with the attributes, discipline-specific knowledge, professional behaviours and standards required to practice as a secondary school teacher in Australia, teaching from junior secondary to VCE levels.

Majors

See Bachelor of Science, page 50.

Entry requirements

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL, or 25 in English (EAL).
- Completion of an associate degree may give you up to 18 months’ credit towards one of these target degrees.
- All students are required to sit a non-academic assessment.

Fee

$8970

Careers

Teaching in Australian and overseas secondary schools, government departments, universities, the public service, TAFE and adult community education institutions, health and welfare organisations, as well as in private academies and agencies. Graduates also have the opportunity to work in arts-related areas, such as youth work, community development programs, government departments, teaching and university research.

Bachelor of Arts/Master of Teaching (Secondary)

Overview

The combined course prepares graduates with the attributes, discipline-specific knowledge, professional behaviours and standards required to practice as a secondary school teacher in Australia, teaching from junior secondary to VCE levels.

Majors

See Bachelor of Science, page 50.

Entry requirements

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL, or 25 in English (EAL).
- Completion of an associate degree may give you up to 18 months’ credit towards one of these target degrees.
- All students are required to sit a non-academic assessment.

Fee

$8486

Careers

Teaching in Australian and overseas secondary schools, government departments, universities, the public service, TAFE and adult community education institutions, health and welfare organisations, as well as in private academies and agencies. Graduates also have the opportunity to work in arts-related areas, such as youth work, community development programs, government departments, teaching and university research.

Deakin University

dekin.edu.au
Graduate entry
A degree that requires prior completion of an undergraduate degree for entry. Deakin’s Bachelor of Medicine/Bachelor of Surgery is a graduate-entry course.

Higher Education Contribution Scheme—Higher Education Loan Program (HECS-HELP)
HECS-HELP is a government loan scheme to help eligible COT students pay for tuition costs. Repayments are made through the Australian taxation system once your annual income exceeds the minimum threshold for repayment.

Honours
Honours is an additional year of specialised study, usually taken after you complete a bachelor’s degree, or embedded as part of a bachelor’s degree. Honours may provide you with a competitive edge in the job market or a pathway into a higher degree.

International Baccalaureate (IB)
The IB diploma is an internationally recognised, comprehensive two-year study program designed for university entrance. Australian tertiary admission centres convert IB scores to a notional ATAR or VTAC Selection Rank, enabling IB students to be ranked for tertiary entrance alongside their peers. Deakin accepts IB diploma graduates as having satisfied the requirements for university entry. www.ibo.org

Interest area
You can choose courses at Deakin by interest area, such as Sport, Business or Health.
deakin.edu.au

Level
The year level at which units in your course are studied. Level 1 is equivalent to your first year of full-time study, level 2 is equivalent to your second year of full-time study, and so on. You can usually tell what level a unit is by looking at the first number in a unit’s code.
deakin.edu.au

Major
An approved group of at least 6 (and up to 8) credit points of related units, normally taken in sequence at each level of a course.
deakin.edu.au

Minor
A minor is a group of related units in an area of study or academic discipline. Minors are shorter than majors and are usually four units long.

Non-Year 12 applicant
There are three categories under which non-Year 12 applicants may apply to Deakin.

Postgraduate degree
A course of study usually beyond bachelor’s level, including graduate certificate, graduate diploma, master’s and research degree. In many cases, eligibility for entry to a postgraduate course requires you to have completed an undergraduate degree and/or have significant work experience.

Prerequisites
The VCE subjects or other requirements that applicants must complete to be eligible for selection into a course. Information about prerequisites is listed in this guide from page 18, on the VTAC website (vtac.edu.au) and in Victorian Tertiary Entrance Requirements (VTRC) publications.

Raw ATAR
The unadjusted ATAR of an applicant to which their selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the SAT, other supplementary tests, etc.

Seminars
A class where a small group of students discusses study materials and ideas with a member of the teaching team.

Single unit (non-award)
A unit that does not lead to a qualification. Single units are usually offered for the personal interest of students.

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the SAT, other supplementary tests, etc.

Special Entry Access Scheme (SEAS)
SEAS is a program of special entry schemes governed by VTAC, and conducted by participating tertiary institutions, including Deakin, that provides entry for the disadvantaged into undergraduate courses.
vtac.edu.au and deakin.edu.au/access-equity

Special Tertiary Admissions Test (STAT)
Special Tertiary Admissions Test (STAT) is a test developed by the Australian Council for Educational Research (ACER). The purpose of the STAT is to assess an individual’s ability to analyse information and think critically. The STAT is compulsory for non-Year 12 applicants applying for entry into any of Deakin’s undergraduate law programs.

Student Services and Amenities Fee
A fee charged by tertiary institutions for the provision of student services and amenities.

Study load
The number of credit points of units you can enrol in a given year.

Study score
A score of 0–50 that shows how a VCE student performed in a particular subject.

Student Services and Amenities Fee
A fee charged by tertiary institutions for the provision of student services and amenities.

Unit
A unit is a group of related units in an area of study or academic discipline. Units are shorter than majors and are usually four units long.

Year 12 applicant
Applicants with recent secondary education, including current Year 12 [2018] applicant and Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.

Year 12 graduates from 2017 and 2016.
