Twelve compulsory units shown in bold

Course rules

The BBIS is a course of study amounting to 24 credit points. Students must complete 8 credit points of core Information Systems units, 4 credit points of core Commerce units, a minimum of 4 credit points of Information Systems electives and 8 credit points of electives (4 credit points of which must be from the Faculty of Business and Law).

It is also possible for students to complete a major sequence offered by the Faculty of Business and Law as part of the degree.

No more than 10 credit points may be taken at level 1 in the degree. At least 6 credit points must be taken at level 3.
