Accessibility

The Campus interactive map includes a disability access layer that provides mobility information. Go to www.deakin.edu.au/campuses/InteractiveMapBurwood.php

Construction activity

Several major building projects are under way. See www.deakin.edu.au/about/facilities

Litter

Please use the appropriate bins to dispose of your rubbish, both on and off campus.

Parking

On-campus parking is very limited (particularly at the start of Trimester 1) and fees apply, so you are encouraged to seek alternatives such as public transport or cycling, or to carpool. See www.deakin.edu.au/travelsmart or www.metlinkmelbourne.com.au

To park on campus, you will normally need a parking permit. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available. Different permits apply in different areas. **To avoid being fined, follow the signs.** Staff and students can buy permits from the Cashier or Deakin Central. Day permits are available from permit vending machines in car parks and near campus entrances. These are valid in Blue and Red Permit Zones only. Visitors may also park in the \$1-per-hour permit zones on level 1 of Car Park 6 and level 3 of Car Park 12. See www.deakin.edu.au/parking

Security

Security Officers are available on campus **24 hours a day, seven days a week.** Call 222 from an internal phone, or 1800 062 579 or 9244 6222 from any phone. Subject to availability, a Security Officer can accompany you to your vehicle or another location on campus whenever you do not feel comfortable making the trip alone. Call 10 minutes before you wish to leave. For more information, collect a Security brochure from Deakin Central or go to www.deakin.edu.au/security

Smoking

Smoking is restricted to five signed areas: east of Building LA (Elgar Road), north of Building H, south of Building HB and along the central courtyard running from Entrance 2 to the Library.
