### Construction activity

A number of major developments are under way on campus in 2012. For updated versions of this map, please go to [www.deakin.edu.au/maps](http://www.deakin.edu.au/maps) and for major project information go to [www.deakin.edu.au/about/facilities/index.php](http://www.deakin.edu.au/about/facilities/index.php)

### Litter

Please use the appropriate bins to dispose of your rubbish, both on and off campus.

### Parking

On-campus parking is limited, so you are encouraged to seek alternatives such as public transport or cycling, or to carpool. For more information go to [www.viclink.com.au](http://www.viclink.com.au)

To park on campus, you will normally need a parking permit. (There is some free parking around the oval, but this is a dry weather car park only, which will be closed when conditions are unsuitable for parking.) Staff and students can buy long- or short-term permits from the Cashier or Deakin Central. Day permits are available from the permit vending machine located near the information booth on the left of Aitken Drive. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available.

See [www.deakin.edu.au/parking](http://www.deakin.edu.au/parking)

### Smoking

Smoking is not allowed in, or within 10 metres of, University buildings or where there is a no smoking sign.

### Security

Security Officers are available on campus 24 hours a day, seven days a week. Call **222** from any internal phone, or **1800 062 579** or **5563 3222** from any phone. Subject to availability, a Security Officer can accompany you to your vehicle or another location on campus whenever you do not feel comfortable making the trip alone. Call 10 minutes before you wish to leave. For more information, collect a Security brochure from Deakin Central or go to [www.deakin.edu.au/security](http://www.deakin.edu.au/security)
