http://www.deakin.edu.au/executive/vp/ais/governance/governance/annualreport/annual_report.php

As a public sector agency pursuant to the *Financial Management Act 1994 (Vic.)*, the University is required to submit an annual report to the Victorian Department of Education and Training for tabling during the Autumn Sitting of the Victorian Parliament. The Annual Report is the principal medium through which universities discharge their accountabilities to the Parliament, to the State Government and to the public.

The Annual Report comprises two sections:

- a Report of Operations, and
- audited financial statements in respect of the calendar year 2006.

The Annual Report 2006 will be made available on the University's website after tabling in the Victorian Parliament in May.

The next meeting of Council will be held on 12 April, 2007.
