

The University is subject to the *Information Privacy Act 2000*. The information provided on this form and in all attached supporting documentation will be used by the University to process your registration, to determine and manage the provision of services to you, and to enable the collation, from the University's Student Management System, of statistical data required by the Department of Education, Employment and Workplace Relations in return for related funding. The University's information privacy policy is available from the DRC or online at <http://theguide.deakin.edu.au/>.

In processing your registration it may be necessary to discuss the information provided to us with University staff outside the DRC or with an agency external to the university. If you do not wish such discussions to take place then in some cases it may not be possible to implement a service.

Signature of student _____

Date / /

Supporting documentation

Supporting documentation must be provided by an appropriate health professional and should include:

- **information on your condition**
- **how your study may be affected**
- **whether your condition is permanent, temporary or ongoing**

This information can be provided in a report or letter, or on a Supporting Documentation Form –available in a current university handbook or on the DRC website: www.deakin.edu.au/disability .

Supporting documentation for Learning Disability

A current, valid report from a psychologist or other qualified professional, trained in administering standardised tests and assessing learning disabilities is required. This report should be presented in English.
