

Campuses

Deakin University has four campuses in the state of Victoria – one in **Melbourne**, two in **Geelong** and one in **Warrnambool** – as well as offering the option of studying off campus.

Our range of campuses means you can choose the study environment that suits you. Each of our campuses offers a unique atmosphere – from the inspiring architecture and bayside appeal of our Geelong Waterfront Campus, to the café culture of our Melbourne Campus at Burwood, the spectacular coastal location at our Warrnambool Campus or the mix of activity and open space at our Geelong Campus at Warrn Ponds.

Each Deakin course adheres to the same high standards, regardless of where you study. So a Bachelor of Commerce or Bachelor of Education (Primary) at Burwood is the same as a Bachelor of Commerce or Bachelor of Education (Primary) at the Warrnambool or Geelong campuses.*

Deakin University's campuses boast a range of course-specific facilities like a motion capture studio, moot court, architecture studio, nursing labs and more.

Each campus also provides you with a variety of facilities to enhance your experience. These include:

- » libraries
- » cafés and food outlets
- » 24-hour computer laboratories
- » 24-hour on site security
- » medical centres and health services
- » multi-faith prayer rooms.

Deakin's campuses have a strong presence in the local community and are all accessible by public transport or car. For public transport information for all campuses, please visit www.victrip.com.au. For information about how to travel to Deakin campuses in an environmentally friendly way, such as cycling, public transport or car pooling, please visit www.deakin.edu.au/travelsmart.

Campus maps and more information can be found at www.deakin.edu.au/campuses. If you would like to book a tour at one of Deakin's campuses, please email enquire@deakin.edu.au.

* Not all major sequences are offered at each campus.

Melbourne

The city of Melbourne has a population of 3.9 million people. It is exciting and well-known for its music and cultural festivals, quality restaurants, entertainment venues, beautiful parks and gardens and excellent shopping. Its world-class sporting and recreational facilities attract international events such as the Australian Open Tennis Championships, Melbourne Cup, and the international cricket test series.

The suburb of Burwood is a major commercial and residential municipality in Melbourne's east, approximately 15 km from the CBD. Burwood is a mix of quiet residential streets and bustling shopping centres, with important retail centres in the neighboring suburbs of Box Hill and Forest Hill. The local area has more than 350 parks and reserves.

Melbourne Campus at Burwood

This thriving campus is Deakin's largest and attracts 17 000 undergraduate and postgraduate on-campus students. It boasts open and inviting spaces for socialising and studying, innovative architecture, spacious new buildings and wireless locations.

Features of the Melbourne Campus at Burwood include:

- » Deakin University Art Gallery
- » Deakin *Motion.Lab* – motion capture facility
- » a purpose built gymnasium and sports hall
- » single room accommodation for 200 students.

New developments at Burwood

Deakin is committed to providing modern teaching spaces and as such has developed a comprehensive building and refurbishment plan for the Melbourne Campus at Burwood.

A new state-of-the-art lecture theatre in the centre of the campus has recently been constructed. The large lecture theatre is designed to respond to its immediate surroundings, with visual transparency an important aspect of the design. In addition the building includes a range of sustainable initiatives, including a rooftop rainwater collection system.

The refurbishment of another building on the campus will provide additional spaces for informal learning and student social activities, as well as an upgraded café. The project aims to enhance students' overall educational experience at Deakin. A key component of the new spaces is the Student Learning Centre, where students will be able to work independently or in small groups, with access to a range of specialist resources to assist them in developing their language and learning skills. Language and Learning Advisers will also be available within the Centre to provide further support to students if and when required.

Both projects have been funded by the Australian Government's Teaching and Learning Capital Fund.

Melbourne Campus at Burwood

DID YOU KNOW?

Deakin's tram zone has recently been extended, allowing travel along Burwood Highway to the Melbourne Campus at Burwood to be on either a Zone 1 or 2 fare.

Geelong

Geelong is Victoria's second largest city with a population close to 212 000 people. It is situated on the beautiful Corio Bay and Barwon River, and is less than one hour from the centre of Melbourne by car or train leaving from Southern Cross station in Melbourne's CBD, and arriving at Geelong station.

It is known as the gateway to the world-famous Great Ocean Road and is close to some of the best surf beaches in the world. Geelong has all the amenities of a larger city, including excellent cafés, restaurants, shopping and recreational facilities, and offers a healthy and relaxed environment in which to live. Geelong is one of Victoria's fastest growing regions. Geelong boasts strategic growth in industries such as tourism, education and knowledge, innovation and research.

The 23 km Geelong Ring Road on the city's western outskirts, has reduced travel time around the city to 15 minutes – making travel to and from Deakin's Geelong Campus at Waurin Ponds, particularly from Melbourne, even easier.

Travel between Deakin's Geelong campuses is also a breeze, only 15 minutes by car, and with five bus routes, including an express service, now linking the Waterfront and Waurin Ponds campuses.

Geelong Waterfront Campus

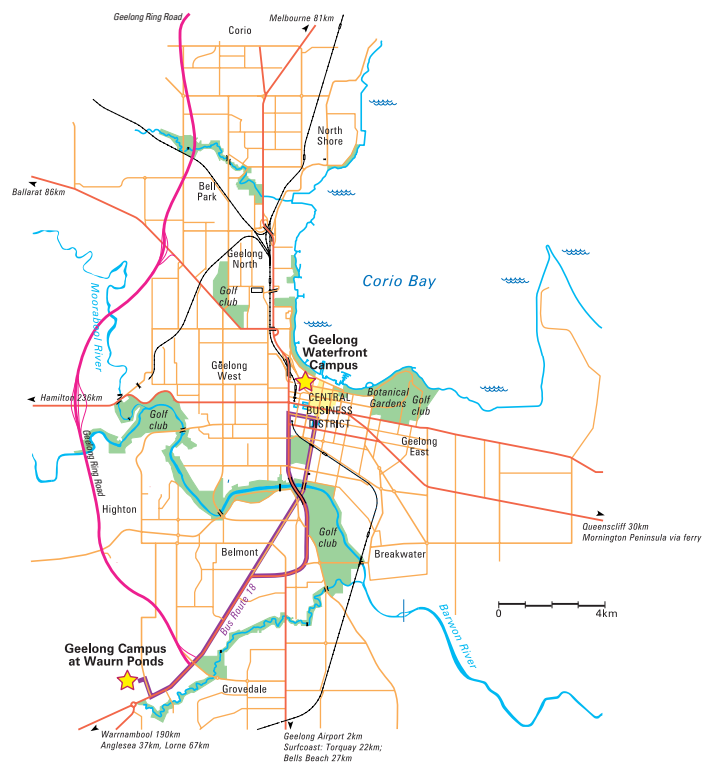

The Geelong Waterfront Campus is Deakin's newest campus, located on Corio Bay, in the central business district of Geelong. Originally built in 1893, the buildings have been extensively renovated to create a modern and impressive campus centre. More than 2100 students are based at the Geelong Waterfront Campus, which hosts the School of Architecture and Building, the School of Health and Social Development and the School of Nursing and Midwifery. Services and facilities include:

- » Computer Aided Design (CAD) laboratories
- » design studios
- » purpose built occupational therapy and nursing laboratories.

The extensively refurbished Dennys Lascelles Building houses the Alfred Deakin Prime Ministerial Library and the Alfred Deakin Research Institute. The Alfred Deakin Research Institute is an interdisciplinary teaching and research centre covering political science, public policy and governance, international relations, globalisation, journalism and communications.

Geelong Waterfront Campus

Geelong Campus at Waurnd Ponds

On the western edge of Geelong, this campus is Deakin's second-largest, with more than 4300 on-campus students. Services and facilities include:

- » fitness club and sports hall, tennis courts, walking/running track and sporting fields (cricket, football, soccer, gridiron, archery, golf driving range) and features expansive landscaped grounds
- » single room on-campus accommodation for 485 students in a mixed gender, multicultural environment
- » Deakin Medical School.

The central hub of the campus is currently being transformed to provide a contemporary learning environment, refurbished student amenities and improved IT access in informal spaces. This major project is partly funded through the Commonwealth Government's Capital Development Pool.

The campus is home to the Geelong Technology Precinct (GTP), which provides research and development capabilities and opportunities for university–industry partnerships and new enterprises in the region.

New hospitals to be built on campus

The medical precinct at this campus will be significantly upgraded, with Epworth HealthCare committing to build a 250-bed private hospital by 2013. In addition the recently elected State Liberal Government has committed \$85 million for a 32-bed public hospital.

Geelong Campus at Waurnd Ponds

Warrnambool

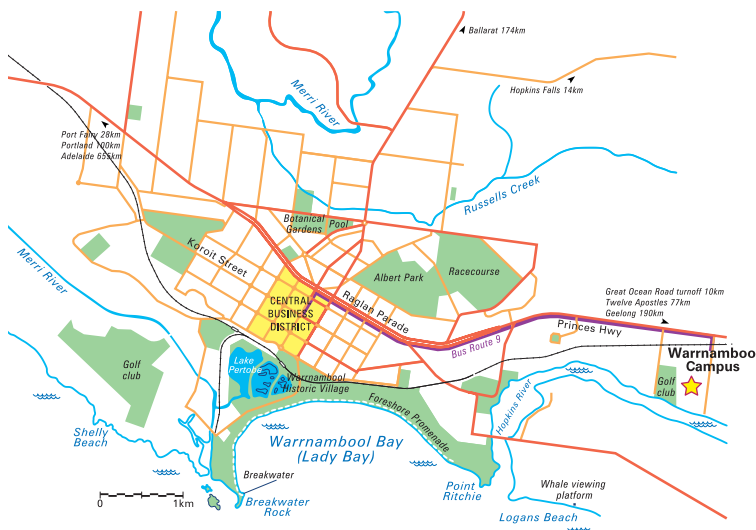

Warrnambool is three and half hours west of Melbourne at the end of the Great Ocean Road, and has a population of more than 32 000 people. It is a compact and stylish regional centre, with wide open spaces, beaches, great surf and lush green hinterland.

The city has a great range of places to eat, catering for a variety of tastes and budgets. It is a city where everything is in easy reach.

On the shores of Lady Bay, Warrnambool is nestled between two rivers and near Lake Pertobe. The wonderful environment provides the backdrop, the classroom, the recreation focus and a great reason to study in Warrnambool.

Warrnambool Campus

Warrnambool Campus

Deakin's Warrnambool Campus is set on the banks of the Hopkins River, close to local surf beaches. The Warrnambool Campus is a friendly, close-knit community, with a personal and informal relationship between students and staff. On-campus facilities include:

- » excellent teaching and learning spaces, purpose-built for niche courses, such as the Freshwater and Marine Biology courses
- » fitness club, basketball, netball and tennis courts and a golf course
- » single room on-campus accommodation for 240 students in a mixed gender, multicultural environment.

Its proximity to a range of aquatic environments provides an ideal location for specialist studies in Marine Biology and Freshwater Biology – making it a 'classroom without walls'.

The campus is well serviced by a bus which runs between the Warrnambool city centre and the campus. The V/Line train service to Melbourne runs three times a day, with two trains stopping at the campus.
