

Disability Resource Centre – Division of Student Life 2008 Registration Form

To register for services in 2008, please complete this form in full and tick the appropriate boxes. Return the completed form along with supporting documentation directly to the Disability Resource Centre (DRC) on your campus (refer to page 2 for details).

Implementation of services for a university setting will be based on a number of factors which include the student information provided, discussion with the student, previous disability support received, available technology, and the longer term view of student career needs and independence.

Date: ___ / ___ / ___ Student ID No: _____

The University is subject to the *Information Privacy Act 2000*. The information provided on this form and in all attached supporting documentation will be used by the University to process your registration, to determine and manage the provision of services to you, and to enable the collation of statistical data required by the Department of Education, Science and Training in return for related funding. The University's information privacy policy is available from the DRC or online at <http://theguide.deakin.edu.au/>.

In processing your registration it may be necessary to discuss the information provided to us with University staff outside the DRC or with an agency external to the university. The information discussed will be kept to a minimum. If you have particular concerns about this aspect of the process, please raise the matter with a staff member in the DRC. If you do not wish such discussions to take place then in some cases it may not be possible to implement a service.

<p>Signature of student: _____</p> <p>Date: _____</p>

Supporting documentation:

Supporting documentation must be provided by an appropriate health professional and should include:

- **information on your condition**
- **how your study may be affected**
- **whether your condition is permanent, temporary or ongoing**

This information can be provided in a report or letter, or on a Supporting Documentation Form –available in a current university handbook or on the DRC website:

www.deakin.edu.au/studentlife/disability

Supporting documentation for Learning Disability:

A current, valid report from a psychologist or other qualified professional, trained in administering standardised tests and assessing learning disabilities is required. This report should be presented in English.

Return Registration Form along with all supporting documentation to:
