This represented an 28% increase on the previous year.

We lent 8012 items to BONUS+ partners.

## **ERM**

Following the successful operationalisation of journal loads into Millennium via ERM, we have begun large monograph loads e.g.

Making of Modern Law : Legal Treatises 1800-1926 21810 titles

## **Program Registration**

Program Registration was implemented for Semester One 2010 and is performing well. We use it for Library classes and tours.

We installed a new server in Jan 2010. We also moved to Software Plus support for both our production and training servers.

## **Branch refurbishment**

Branch refurbishment continues, with significant moving, weeding and temporary closure of collections.
