2.1 In this Agreement, unless the contrary intention appears:

- (a) words in the singular number include the plural and words in the plural number include the singular;
- (b) words importing a gender include any other gender;
- (c) words importing persons include a partnership and a body whether corporate or otherwise;
- (d) clause headings, words capitalised or in bold format and notes in square brackets (“[]”) are inserted for convenience only, and have no effect in limiting or extending the language of provisions, except for the purpose of rectifying any erroneous cross-reference;
- (e) all references to Clauses are to Clauses in this Agreement;
- (f) all references to dollars are to Australian dollars and this Agreement uses Australian currency;
- (g) a reference to any statute or other legislation (whether primary or subordinate) is to a statute or other legislation of the Commonwealth and, if it has been or is amended, is a reference to that statute or other legislation as amended;
- (h) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form in respect of that word or phrase has a corresponding meaning.

2.2 This Agreement operates subject to the Act. If there is any conflict between this Agreement and the Act, the Act prevails.

3 Entire Agreement and Variation

3.1 This Agreement, including Schedules, the Project Application and the Funding Rules constitutes the entire agreement between the parties and supersedes all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Agreement.

3.2 If any part of this Agreement conflicts with any other part, that part higher in the following list shall take precedence:

- (a) the terms and conditions contained in the Clauses of this Agreement;
- (b) the Schedules;
- (c) the Funding Rules; and
- (d) the Project Application.

3.3 The Organisation and the Commonwealth may agree to vary this Agreement. Any variation to this Agreement must be in writing and signed by both parties.

3.4 The Organisation is required to do all things incidental or reasonably necessary to give effect to this Agreement, including procuring any researchers or third parties to do such incidental or reasonably necessary tasks.

4 Funding Period

4.1 Subject to Clause 5 of this Agreement, the Funding period is for the period(s) set out in Schedule A for each Project, unless the Funding is terminated earlier.

5 Payment of Funding

5.1 Subject to Parliamentary appropriation and the provisions of the Act, the Commonwealth shall pay the Funds, in accordance with the Act, to the Organisation as specified in Schedule A. Chief Investigators, including Fellows, take intellectual responsibility for the Project, its conception, any strategic decisions called for in its pursuit, and communication of results. Funding is awarded on the basis that the researcher identified as the first-named Chief Investigator or Fellow on the Project Application, or a person subsequently approved by the ARC pursuant to Clause 14, leads and co-ordinates the Project.

5.2 The Commonwealth will pay to the Organisation, by way of financial assistance in accordance with the Act, the amount set out in Schedule A, which is exclusive of GST, where 'GST' has the meaning as given in Section 195-1 of the *A New Tax System (Goods and Services Tax) Act 1999*. For government-related entities (such as a government funded university or research institute) there will be no GST payable on the funding transaction between the entity and the ARC. Non-government-related entities, which are liable to pay GST on this transaction with the ARC, will receive a base-funding amount and an additional amount to cover the GST.

5.3 The duration of the Funding for *Discovery Projects* projects, including Fellowships, is indicative only of the intent of the Minister at the time of making the offer of Funding and is not binding on the Commonwealth. In the event that the Minister subsequently makes a determination under Section 51 of the Act to continue the Funding, this Agreement will

continue to apply to any Project, including Fellowships, granted financial assistance under such a determination.

5.4 The Commonwealth shall have the right to unilaterally vary the amounts set out in the Approved Proposal.

5.5 The ARC notional salary rates for Fellowships as set out in Schedule B are applicable. In the event that the Minister makes a determination under Section 51 of the Act, the Commonwealth shall have the right to unilaterally vary Schedule B of this Agreement to reflect annual adjustments in the ARC salary levels for Fellowships.

5.6 Where the Commonwealth exercises its rights under Clause 5.4 or 5.5 above, it shall inform the Organisation of the variation within thirty (30) days of that variation.

5.7 The Commonwealth will not provide additional funding for any project set out in Schedule A except where allowed for under Clause 5.4 and 5.5 above.

6 Accuracy of Information/Malpractice

6.1 The funding is subject to the condition that the information contained in the Project Application(s) and all reports required by this Agreement from the Organisation are complete, accurate and not misleading. The Commonwealth regards inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other sources and false claims in the publication record, e.g. describing a paper as being “in press” or accepted even if it has only been submitted.

7 Use of the Funding: activities, facilities and types of work

7.1 The Organisation will ensure that each Project described in Schedule A is carried out in accordance with this Agreement, in a diligent and competent manner, subject to the provision of indicative funds. - (a) suitably equipped and furnished accommodation (eg., laboratory and office);
- (b) access to standard workshop services (eg., machine tools and qualified technicians available to each member of staff, to enable them to carry out their research;

- (d) standard reference materials or funds for abstracting services;
- (e) adequate access to computers (excluding access to high performance computers unless specified in the Project Application);
- (f) adequate access to basic computing, word processing and microfilm reading facilities;
- (g) use of photocopiers, telephones, mail, facsimile, email and internet services.

7.5 As set out in the *Discovery Projects Funding Rules* for Funding commencing in 2006, Funds may not be used for:

- (a) salaries of Chief Investigators and Partner Investigators;
- (b) teaching;
- (c) Special Studies (Study Leave) Programs;

- (a) in the case of overseas-based Partner Investigators only, their travel and living expenses while within Australia (but not in travelling to Australia) associated directly with visits for the purposes of the Project; and
- (b) purposes outlined in the Project Application and not prohibited as a Special Condition as specified in Schedule A.

8.4 If expenditure is incurred as allowed for in Clause 8.3 above, the Organisation shall ensure that expenditure is in accordance with the broad structure of the Project Description and costs contained in the Project Application or any revised Project Budget, aims and research plan approved by the ARC.

8.5 Funds may be used by the Organisation to employ Personnel other than the Specified Personnel where provision for such was included in the Project Application. They may be employed full-time or part-time, as required.

8.6 The Organisation must ensure that a person who is studying full-time for a postgraduate degree or other postgraduate qualification shall not be employed on a Project for more than 20 hours per week or such lesser time as the internal policies and procedures of the Organisation provide.

8.7 In respect of Personnel other than Chief Investigators or Partner Investigators, unless the Minister otherwise determines:

- (a) in recruiting Personnel, the Organisation shall follow its normal recruitment procedures;
- (b) the provision of salaries, recreation leave, sick leave and other conditions of employment for Personnel shall be those of the Organisation.
- (c) The on-costs provisions beyond the ARC contribution of 26% (eg., extended periods of leave or severance pay) remains the responsibility of the Organisation and shall not be provided from the Project funding.

8.8 Funding that is allocated for relief of Specified Personnel from teaching or other duties for a maximum of 6 months per annum as a special condition for a Project (and specified in Schedule A) may not be used for any other purpose.

8.9 The Organisation must ensure that any Personnel who are employed full-time on the Project and whose salary is provided from the Funding shall not, without the prior agreement of the Minister, accept any remuneration whatsoever from any source other than the Organisation in respect of work performed on the Project.

9 Over-expenditure by the Organisation

9.1 Any Project expenditure, additional to the approved amount for that Project specified in Schedule A in the columns headed 'Indicative Funds' incurred by the Organisation for a Project, is the responsibility of the Organisation. Subject to a variation to the funding in accordance with clauses 5.4 and 5.5 of this Agreement, the Commonwealth will not reimburse the Organisation for such costs under any circumstances.

10. Multi-Institutional Agreements

10.1 A project may not begin, nor grant funds be expended, until the Administering Organisation and each collaborating Organisation have entered into a written agreement. The agreement must cover the role of the institutions/organisations in the project including:

- contributions and research undertaken by the institutions/organisations
- payment of salaries for ARC Fellows
- intellectual property arrangements
- an undertaking by the institutions/organisations to abide by the Funding Agreement

The Organisation will retain the agreement, and make it available to the ARC if required.

11. Commencement of Projects and Fellowships

11.1 Subject to Clause 12 below, all new Projects must commence by 31 July in the first year of the Funding. Failure to do so will result in the withdrawal of the funding and termination of any individual Projects which have not commenced. The Organisation is responsible for reporting accurate start and end dates for the Project.

12. Deferment of Commencement of Project and/or Fellowship

12.1 If the Organisation wishes to defer commencement of a Project and/or Fellowship, a written request seeking permission to commence between 31 July and 31 October in the first year of the Funding, justifying the requested deferral in terms of special circumstances, must be made to the Scheme Coordinator, through the Institution's/Organisation's Research Office prior to 31 July in the first year of the Funding.

12.2 The Organisation must not defer commencement of the Project or the Fellowship unless the Organisation has received written permission from the ARC.

12.3 Any Projects which have not commenced by 31 October may be terminated and the funding recovered.

12.4 Where a Fellow is one of several Specified Personnel on a Project and it is proposed to begin the Project before the Fellow can commence on the Project, approval must be obtained from the ARC for the Project to commence (unless the commencement date is specified in the Project Application).

12.5 If the ARC does not consider the Project viable without a Fellow's contribution to the Project and the Fellow cannot commence the Project by 31 July, or by such later date approved by the Scheme Coordinator under Clause 12.1 above, the Project will be terminated.

12.6 If the ARC considers that the Project is viable without the Fellow's contribution and the Fellow is unable to commence their Fellowship by 31 July, or by such later date approved by the Scheme Coordinator under Clause 12.1 above, the Fellowship component of the Project will not be funded. Funding for fellowships may only be used to fund the person to whom the fellowship is awarded. Fellowships are not transferable to other persons and the Funds may not be used under any circumstances to fund research personnel or research activities.

13. Specified Personnel

13.1 The Organisation shall ensure that the Specified Personnel will conduct the Project in a diligent and competent manner and will comply with this Agreement.

13.2 The Organisation shall provide each Chief Investigator with a copy of this Funding Agreement within a reasonable time after the beginning of the Funding.

14. Change of Specified Personnel

14.1 If a Chief Investigator or Partner Investigator is at any time during the term of a Project no longer able to continue the Project, the Project may be continued under another Chief Investigator or Partner Investigator provided that:

14.2 Failure to fulfill the requirements set out in Clause 14.1 will result in termination of the Project. If a Fellow is no longer able to continue the Project, the Fellowship component will cease to be funded. Fellowships are not transferable to other persons and the Funds may not be used under any circumstances to fund research personnel or research activities.

14.3 If the ARC does not consider the Project viable without the Fellow's contribution to the Project, and/or the remaining funding decreases to below \$20,000, the Project as a whole will be terminated.

14.4 If the Fellow is the only Specified Personnel on the Project, and their involvement with the Project is to cease or be reduced significantly, the Project will be terminated.

15. Transfer of Project or Fellowship

15.1 Under Section 54 of the Act, prior Ministerial approval for transfers of Projects and/or Fellowships is required.

The written request must include evidence that the following parties agree to the transfer:

- (a) the relinquishing Organisation; and
- (b) all Specified Personnel on the Project; and
- (c) the recipient Organisation.

15.5 When the ARC receives a proposal requesting the transfer of Funding it will:

- (a) seek the Minister's approval for the transfer of unspent Funds and indicative Funding for the Project and any identified Assets as outlined in Clause 20 to the recipient Organisation; and
- (b) vary the Funding Agreement for the relevant Institutions/Organisations once Ministerial approval is granted.

15.6 Once approval has been granted to transfer the Funding:

- (a) the relinquishing Organisation must:
 - i. provide to the ARC, in writing, the amount of unspent Funds for the Project; and
 - ii. report expenditure of Funding for the Project prior to the transfer in its End of Year Report and identify the transfer in the relevant column; and
- (b) the recipient Organisation must:
 - i. report expenditure of Funding for the Project subsequent to the transfer in its End of Year Report and identify the transfer in the relevant column; and
- (c) the ARC will recover the unspent funds from the relinquishing Organisation, then provide the unspent funds to the recipient organisation.

15.7 If the Chief Investigator or Fellow changes Organisation and the Minister's approval is not given for arrangements for the continuation of the Project and the continued administration of the Funding, the Project may be terminated and any unspent funds recovered by the ARC.

15.8 Relocation expenses will not be paid on the transfer of any Specified Personnel from the relinquishing Organisation to the recipient Organisation. Relocation costs will not be paid on the transfer of a Fellow from the relinquishing Organisation to the recipient Organisation after the final date for commencement in Clause 11, or after the deferred commencement date approved in accordance with Clause 12.

19.3 If a Chief Investigator and/or Fellow does not undertake assessment of the assigned applications within a period specified by the ARC, in the notice referred to in Clause 19.2 above, the Organisation will be considered to be in breach of this Funding Agreement and the relevant Project, including Fellowships, may be terminated, in which case any unspent funds may be recovered by the ARC.

26.2 The ARC may conduct ad hoc on-site reviews in relation to financial and other reports to ensure that the terms of this Agreement are being, or were, met and that reports submitted to the ARC are an accurate statement of compliance by the Organisation. Persons nominated by the ARC to conduct these reviews are to be given full access by the Organisation, if required, to all accounts, records, documents and premises in relation to the Funding and the administration of the Funds in general.

27.4 Upon receipt of reasonable written notice from the CEO, the Organisation shall provide any information required by the Commonwealth for monitoring and evaluation purposes.

27.5 Nothing in Clause 27.1 to 27.4 inclusive affects the obligation of each party to continue to perform its obligations under this Agreement unless otherwise agreed between them.

- C1. *Importation of Experimental Organisms:* The Organisation must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, they or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.
- C2. *Research Involving Humans or Animals:* If any Project conducted by the Organisation involves research on or involving humans or animals, the Organisation shall ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Institution's/Organisation's Ethics or Biosafety Committee (or equivalent) and from any other relevant authority outside of the Organisation.

This should normally be done within 2 years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the 2-year period, s/he should include the reasons in the Project's Final Report.

Special Conditions for Fellowships**D1 Australian Postdoctoral Fellowship**

- D1.1 The Organisation must provide from the Funding to each Australian Postdoctoral Fellowship holder named on the Project at least the ARC notional APD salary and on-costs as listed in Schedule B.
- D1.2 Subject to Clause 5.3, the tenure of an Australian Postdoctoral Fellowship is 3 years and is subject to the receipt of satisfactory Annual Progress Reports. The Fellowship will not be extended beyond 3 years except under Clauses D1.3 and D7 below.
- D1.3 If the Organisation agrees to a Fellow undertaking a 4-year Australian Postdoctoral Fellowship teaching/research option, the Organisation must pay from Funds only three-quarters of the ARC notional APD salary and on-costs. The Organisation is responsible for the remaining one-quarter of the salary and on-costs.
- D1.4 The Organisation shall make up any shortfall between the ARC notional APD salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than these Funds, so that the Fellows are no worse off financially than their peers.

D2 Australian Research Fellowship/Queen Elizabeth II Fellowship

- D2.1 The Organisation must provide from the Funding to each Australian Research Fellowship holder and each Queen Elizabeth II Fellowship holder at least the ARC notional ARF/QEII salary. Subject to Clauses 5.3 and D7, the tenure of an Australian Research Fellowship or a Queen Elizabeth II Fellowship is 5 years and is subject to the receipt of satisfactory Annual Progress Reports. The Fellowship will not be extended beyond 5 years.

- D2.3 Australian Research Fellows and Queens Elizabeth II Fellows may compete for an Australian Professorial Fellowship in the last year of their current Fellowship.

D3 Australian Professorial Fellowship

- D3.1 The Organisation must provide from the Funding to each Australian Professorial Fellowship holder at least the ARC notional APF salary. Subject to Clauses 5.3 and D7, the tenure of an Australian Professorial Fellowship is 5 years and is subject to the receipt of satisfactory Annual Progress Reports. The Fellowship will not be extended beyond 5 years.
- D3.2 The Organisation shall make up any shortfall between the ARC notional APF salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than these Funds, so that the Fellows are no worse off financially than their peers.

D3.3 Australian Professorial Fellows may compete for a new Fellowship during the last year of their current Fellowship.

D4 50:50 Salary option

D4.1 In some instances the ARC has approved a proposal to pay 50% salary and 50% on-costs for APF's and ARF/QEII Fellowships. In this instance, the Organisation must provide from the Funding to each Fellowship holder 50% of the appropriate Organisation salary. The Organisation must also provide each Fellowship with 50% salary from sources other than the Funding.

D5 Use of the Funding – Relocation expenses

D5.1 The Organisation must make reimbursement payments from the Funding to Fellows, including dependants, for relocation costs (travel expenses (see Clause D5.2 below) and removal of household items only) on provision of full particulars of mode and time of travel and the receipts for all other payments *e.g.* removal expenses of household items. The Organisation should make such claims within 12 months.

D5.2 The Organisation shall ensure that the total amount of travel expenses (excluding the cost of removal of household items) claimed does not exceed the cost of the cheapest direct airfare for the Fellow and their dependants. Where a Fellow elects to travel by car, the ARC will provide a mileage allowance up to the maximum equivalent of the cheapest direct airfare. On completion of the Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.

D5.3 Reimbursement of relocation costs will be provided to the Organisation by the ARC on the basis of a claim submitted, on condition that:

- (a) all relevant receipts are provided to the ARC;
- (b) the claim is processed by the Organisation within 12 months of the relocation;
- (c) the Organisation submits the reimbursement request to the ARC within 12 months of receipt of the claim from the Fellow; and
- (d) all claims are made in Australian dollars.

D5.4 The ARC will not provide reimbursement for items including, but not limited to: costs for locating new accommodation, rental bonds, new household furniture, telephone and other utility connections, pet housing and other effects considered typical household expenses.

D5.6 For the purposes of relocation entitlements, a dependant is defined as a person who moves residence with the Fellow. A spouse who transfers employment to the city of the Organisation can be regarded as a dependant. A child continuing to study at the former city and not intending to live with the Fellow cannot be regarded as a dependant.

D6 Promotion

D6.1 Australian Professorial Fellows must have the same access to promotion as other academic staff of the same grade. If promoted to new levels within the Australian Professorial Fellowship range, the Organisation shall seek ARC endorsement of the Fellow's new level from the Scheme Coordinator.

D6.2 Where an APF has been promoted, the Organisation may seek the Minister's approval for an increase in salary to the next step on the ARC notional APF salary scale. If approved the date for payment of the increase will be taken from the date of the ARC's written endorsement of the Fellow's new level.

D7 Conditions of Employment and Recognition of Fellows

D7.1 Fellows, other than those awarded the 50:50 salary option, may not hold another position either at the Organisation or at another Organisation. The Organisation must confirm that successful applicants have formally resigned from their positions before taking up Fellowships at the Organisation.

D7.2 The Organisation shall recognise ARC Research Fellows as academic staff and incorporate them fully into the activities and academic life of the Organisation, but should note that limits do apply (see Clause D7.3). Unless the Minister otherwise determines, the provision of salaries, recreation leave, sick leave and other conditions of employment for Fellows shall be those of the Organisation.

D7.3 Additional academic duties, including research supervision, are not discouraged but should enhance, rather than detract from, a Fellow's research. Fellows, other than those awarded the 50:50 salary option, may not accept additional appointments or remuneration without the prior agreement of the Organisation and the Minister.

D7.4 The Organisation shall ensure that, during the tenure of the Fellowship, a Fellow shall be entitled to leave of absence for recreation at the rate of four weeks per annum, to be taken at any time by arrangement between the Fellow and the Organisation. However, the ARC will not provide additional funds to cover accrued leave proposed to be taken after the Fellowship period has expired or been terminated. Fellows should therefore take their recreation leave during the period of Fellowship tenure.

D7.5 The Organisation shall ensure that eligible Fellows are entitled to up to 12 weeks' paid maternity leave, in addition to the duration of their Fellowship. The ARC will provide up to 12 weeks' additional funding, where necessary, for this purpose. The primary mechanism for claiming the additional funding for this purpose is the End of Year Report.

D7.6 The Fellow may take a total of 12 months' leave and/or part-time equivalent for parenting purposes through the duration of the Fellowship where it is in accordance with the Institution's/Organisation's practice, using accrued leave or leave without pay.

D7.7 ARC Fellow salaries include a 26 per cent loading to cover salary-related on-costs, including payroll tax, workers' compensation, leave loading, long-service leave, non-contributory and contributory superannuation, however, excludes items such as

extended leave and severance pay. On-costs that exceed 26% must be met by the Organisation.

D8 Infrastructure

- D8.1 The Organisation shall provide Fellows with the same access to infrastructure funds as applies to academic staff at the same level within the Organisation and afford them equal status with similar staff for the provision of accommodation, access to necessary laboratory and workshop facilities, adequate time on the Institution's/Organisation's computer and other equipment, stationery, photocopying and typing services. Institutions/Organisations are also required to provide reasonable time on major equipment necessary for the conduct of the Fellow's research program.

D9 Suspension of Fellowship

- D9.1 A Fellow may apply for a suspension of the Fellowship for a period of up to twelve (12) months in total during the tenure of the Fellowship. This may occur if, for example, a Fellow is offered a short-term teaching or research position. In such a case, the work to be carried out would need to be closely related to the research being undertaken under the Fellowship.
- D9.2 Applications for suspension for up to six (6) months may be approved by the Vice-Chancellor or his/her nominee unless they occur in the first year of the Fellowship.
- D9.3 A Fellow wishing to suspend for more than six (6) months, or during the first year, must seek approval through the Research Office to the Scheme Coordinator seeking the Minister's approval to suspend the Fellowship. Unless there are extenuating circumstances, a suspension will not normally be granted in the first year of the Fellowship.
- D9.4 A suspension for more than six (6) months that commences without the written permission of the Minister may result in the immediate termination of the relevant Fellowship and the recovery of any unspent funds.

D10 Relinquishment of Fellowship

- D10.1 The Organisation shall require Fellows to give one month's notice to the Organisation if they intend to relinquish the Fellowship.
- D10.2 The Organisation shall advise the ARC Scheme Coordinator of the relinquishment of a Fellowship immediately.

D11 Change of Fellow

- D11.1 If a Fellow is not able to continue the Project, the fellowship element of the Project will be terminated and any unspent funds associated with the fellowship recovered.
- D11.2 If the ARC does not consider the Project viable without the Fellow's contribution to the Project and the Fellow is not able to continue the Project, the Project in its entirety will be terminated.

IN WITNESS WHEREOF the parties have agreed to this Agreement on the date first above written.
