The requirements of the Bachelor of Design (Architecture) degree are:

- a total of 24 credit points
- All core units must be completed
- SRA010 Safety Induction Program – 1 day program worth zero credit points. No fees are charged
- successful completion of at least one wholly online unit

Industry Based Learning (IBL)

Up to 4 credit points of Industry Based Learning units (STP201, STP202, STP302) are available to eligible students. Requirements = A minimum weighted average mark (WAM) of at least 70%, To have completed at least 12 credit points (at least 8 in current course at Deakin) before commencing an IBL placement, At least 1 elective available and A well-rounded resume.
