

DEAKIN
UNIVERSITY AUSTRALIA

*"Bringing together evidence on prevention
and determinants of obesity to enable you to
apply best practice to your work"*

2011 Obesity Prevention Short Course

When: Monday 12 – Thursday 15 September 2011

Where: Deakin University
Melbourne City Centre
Level 3, 550 Bourke St
Melbourne Victoria 3000 Australia

Cost: \$1450 early bird close 8 July 2011 or \$1600 full registration

To Register: <https://www.deakin.edu.au/services/online-payments/cfrstart.cgi?TRAN-NO=010&EVENT=obesity11>

Using the latest evidence this 4 day course will ...

Provide you with...

- Frameworks to understand the determinants of obesity
- An enhanced understanding of the obesity epidemic and associated burden of disease
- Best Practice Principles for community-based obesity prevention
- Tools for building obesity prevention initiatives
- Skills to collect, synthesise and understand evidence
- Examples of group work and learning techniques

... by working on real life issues from your work and case studies of existing efforts...

So you can...

- Use best practice intervention design
- Network and gain support from others
- Identify ways to incorporate system thinking into your current work
- Strengthen arguments to support your work to potential funding bodies
- Facilitate group decision making and action planning in a meaningful effective way

SPECIAL! Registration to this year's course includes a copy of *Preventing Childhood Obesity: Evidence, Policy and Practice*.

This book brings together contributors from around the world and showcases the latest evidence-based research on community and policy interventions to prevent unhealthy weight gain and improve the health and well-being of children. The authors highlight from the evidence available what is and what is not effective and provide recommendations on how to implement and evaluate promising interventions for obesity prevention.

For further details refer registration form or contact Emma Smitten admin@co-ops.net.au.

Please note places are strictly limited and demand is always very strong.

Registrations are accepted on a first come basis.
