BACHELOR OF BUSINESS (SPORT MANAGEMENT)

2016 STUDENT INFORMATION GUIDE
**Introduction**

Welcome to the School of Exercise and Nutrition Sciences and congratulations on your success in achieving a place in the D394 Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management).

The Bachelor of Exercise and Sport Science/ Bachelor of Business (Sport Management) comprises of 30 core units and 2 electives.

It is important to retain this guide for your information throughout your time at Deakin.

In addition to utilising the guides, we encourage students to contact us with any queries in relation to the course or enrolment.

**Health Student and Academic Services:**

The Faculty of Health Student Centre provides:
- Initial contact point for student and course related enquiries
- Distribution of forms (credit for prior learning, course transfer, enrolment variation)
- Assessment cover sheets, extension forms and submission/collection point
- Peer mentoring information
- Special consideration help and advice

The Health Student and Academic Services is located at:
- Burwood: Building Y, Room 101
- Geelong Waurn Ponds: REACH Building dd, Room 2.125
- Telephone: 9251 7777, Email: health-enquire@deakin.edu.au

Course and Enrolment Information

Course Overview

The D394 Bachelor of Exercise and Sport Science/ Bachelor of Business (Sport Management) is designed for students who wish to gain expertise in both exercise science and sport management. Graduates from this combined course will be expected to provide enhanced professional leadership in the field and make a marked impact on the continued strong development of the Australian sporting industry.

The Exercise and Sport Science aspect of the course is designed to equip students with the necessary skills, understanding and attitudes to pursue professional careers in the exercise and sport fields. The core units provide students with a sound understanding of the core sciences underpinning both competitive sport and recreational physical activity and the relationship between physical activity and health. Students may choose their two credit points of elective units from the areas of physiology, metabolism, behaviour, movement and physical activity. The Business aspect of the course is designed to equip students with a solid foundation in business studies, and the unique knowledge and specialist skills identified within the industry required by sport managers in Australian organisations.

Course Rules

The D394 Bachelor of Exercise and Sport Science/ Bachelor of Business (Sport Management) comprises of 32 credit points.

The Bachelor of Exercise and Sport Science requires completion of 16 credit points comprising of 14 core units and two HSE electives at level 2 or 3.

The Bachelor of Business (Sport Management) requires completion of 16 credit points comprising of 15 core units and one business elective at level 2 or 3.

IMPORTANT NOTE: Students are only permitted to study units available at their enrolled campus or via Cloud mode. For example, if you are enrolled in D394 course in Geelong campus, you must attend either Geelong on-campus classes or enrol in Cloud mode units.

Level 2 First Aid certificate

All students completing HSE101 Principles of Exercise and Sport Science are required to complete a Level 2 First Aid at their own expense. This certificate must be attained and submitted to the Unit Chair by the completion of the unit HSE101. Current Level 2 First Aid certificates will be accepted.

Deakin DUSA will be running Level 2 First Aid course in trimester 1 2016, for more information please refer to www.dusa.org.au and click on the tab on the left hand side ‘What’s On’ and then ‘Short Courses’.

Lab Safety Units

All students completing a HSE unit with a laboratory based component must enrol in the zero credit point unit HSE010 Exercise and Sport Science Laboratory Safety. Units requiring the laboratory safety unit are listed in the online Handbook (http://www.deakin.edu.au/students/university-handbook/). The aim of these co-requisite units is to ensure you are safe to practice within the School laboratories. The unit consists of a short online safety quiz that must be completed prior to your first laboratory class. Students must bring a printed copy of their certificate of completion to their first laboratory class. The unit is only required to be completed once during your degree.

*Please refer to course grid at the back of this booklet for more details.

All students must also complete MCA010 Communication for Academic Studies which is a 0 credit point unit. It is recommended for commencing students to complete this subject in their first trimester of study.
Electives

The D394 Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management) comprises 2 elective units in the fourth year. These units must be selected from the available Exercise and Sport Science units (HSEXXX) and must be at either level 2 or 3.

**HSE Level 2 and 3 elective units:**

- HSE208 Integrated Human Physiology (B, G, X)
- HSE212 Physical Activity Promotion and Evaluation (B, G, W)
- HSE303 Exercise Metabolism (B, G)
- HSE304 Physiology of Sport Performance (B, G)
- HSE305 Issues in Coaching (B)
- HSE309 Behavioural Aspects of Sport and Exercise (B, G, X)
- HSE311 Applied Sports Science 1 (B, G)
- HSE313 Understanding Children's Physical Activity (B, G, W, X)
- HSE314 Applied Sports Science 2 (B, G)
- HSE316 Physical Activity and Population Health (B, G, W)
- HSE320 Exercise in Health and Disease (B, G)
- HSE323 Clinical and Sport Biomechanics (B, G)

**Course/Enrolment Terminology**

The combined course D394 Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management) consists of 32 credit points. But what is a credit point? University terminology can often be confusing to new students. The common terms that a student will encounter are deciphered below:

**Course Code:** Each course has a distinct code. D394 is the course code for the Bachelor of Exercise and Business/Bachelor of Business (Sport Management).

**Unit Code:** Each unit, or subject, has a distinct alphanumeric code e.g. HBS109. All units offered by the Faculty of Health commence with the letter ‘H’.

**Unit Name:** Each unit has a distinct unit name e.g. ‘Understanding Health’.

**Unit Level:** D394 studies are undertaken at three different levels:
- Level 1 represents the initial level of study (i.e. units normally taken in first year) with level 3 representing the most advanced level of study (i.e. units normally taken in the third and final year of study for D394).
  - The level of a unit can be determined by the unit code. The first number in a unit code indicates the level of the unit e.g. HBS109 is a level 1 unit; HSE202 is a level 2 unit; HSE302 is a level 3 unit.

**Credit point:** Refers to the value of a unit. One unit is normally worth one credit point e.g. HBS109 = 1 credit point. Some units within the University are worth more than one credit point. Students may enrol in a maximum of four credit points a trimester.

**Prerequisite:** A prerequisite is a unit required to be studied and completed prior to enrolling in a subsequent unit. For example, HSE201 has a prerequisite of HBS109. Students must pass HBS109 before taking HSE201.

**Corequisite:** A corequisite is a unit required to be studied prior to or simultaneously with a particular unit.

**Elective unit:** An elective unit is a non-prescribed unit. It is a unit of choice (subject to course rules, campus availability and students having met any prerequisite requirements).
Campus Modes

The campus(es) of offer of each unit are indicated through use of the following key:

- **B**: Available on campus at Burwood
- **G**: Available on campus at Geelong - Waurn Ponds
- **S**: Available on campus at Geelong - Waterfront
- **W**: Available on campus at Warrnambool
- **Cloud (X)**: Available online/off-campus
- **CBD**: refers to Institute of Koorie Education – Community Based Delivery.

Cloud (X) indicates that all of the units in the major are available in off-campus mode. A unit delivered in off-campus mode may require students to attend workshop/lab activities at a campus for a limited time during the trimester. Students should check the delivery details of units offered in this mode in Deakin’s online undergraduate handbook.

Further Study

After completing the D394 Bachelor of Food and Nutrition Sciences/Bachelor of Commerce, students may elect to further their qualifications and expertise through study in a specific area of interest. Eligible students may undertake an Honours degree then apply for entry into the Higher Degree by research program. Alternatively, eligible students may wish to consider applying for a Graduate Certificate, Graduate Diploma or a Masters degree by coursework.

Your Future

It is never too early to start thinking about your career. The following web sites are useful resources:

Other Important Information

This section should be read in conjunction with the information distributed during Orientation Week.

Academic Calendar / Important Dates

The Deakin academic year is currently divided into three trimesters:

- Trimester 1
- Trimester 2
- Trimester 3

Trimester 3 is an optional summer trimester offering a limited number of units. The units that will be available in the next upcoming trimester 3 are advertised from early September via the Deakin website in the online handbook.

All students must refer to important dates listed on the online handbook. These dates are subject to change each year. [http://www.deakin.edu.au/study-at-deakin/important-dates](http://www.deakin.edu.au/study-at-deakin/important-dates)

Adding or Changing Units

Students have the opportunity to reassess the units that they are enrolled in for any given trimester.

Students can add further on-campus units to their enrolment (if not enrolled in the maximum of four credit points) or change an on-campus unit for another up until the last day of the first week when trimester starts. However we recommend that students finalise their enrolment before the start of the trimester.

The final deadline to add or change units can be found in the ‘Important Dates’ section of Deakin’s handbook. Students can add or change units via the relevant links in the ‘Enrolment’ section on StudentConnect. [www.deakin.edu.au/studentconnect](http://www.deakin.edu.au/studentconnect)

Assignment Writing and Referencing Guide

This guide is an excellent resource for new and continuing students. This guide looks at the types of assignments commonly set at university and considers what is involved in producing a good assignment. It covers how to report and discuss the ideas and finding of others, how to correctly reference sources and how to avoid plagiarism.

This guide will be distributed during Orientation Week. Alternatively, it is available online via [www.deakin.edu.au/students](http://www.deakin.edu.au/students) (refer to ‘Academic Skills’ under the ‘Study Support’ section).

Booklists

The list of textbooks required for each unit can be found online by visiting the ‘Student Booklist’ section of Deakin’s bookshop at [www.dusabookshop.com.au](http://www.dusabookshop.com.au). The textbooks listed as prescribed will be used throughout the trimester.

New or second hand textbooks can be purchased from the on-campus bookshop or alternatively can be ordered via their online and phone textbook service.

Careers Information

Career information is available for all Deakin Students at: [www.deakin.edu.au/students/jobs-career](http://www.deakin.edu.au/students/jobs-career)

In addition, the School of Exercise and Nutrition Sciences has developed a careers section. This information is accessible from the School website [www.deakin.edu.au/health/ens/careers/index.php](http://www.deakin.edu.au/health/ens/careers/index.php)
Change of Personal Details

Prior to the beginning of each trimester, it is a student’s responsibility to ensure their enrolment and contact details are up to date. Students can check and change their contact details using the ‘Update your addresses’ link on StudentConnect.

CloudDeakin

CloudDeakin is the primary application used at Deakin to deliver web-based course material and assessment tasks, and facilitate communication and collaboration between staff and students. It is Deakin’s online teaching and learning environment which enhances both on and off-campus learning, and contains web-based course materials and assessment tasks for each unit that a student is enrolled in.

CloudDeakin provides a range of integrated web-based tools for:

- Assessment – quizzes, self-tests, surveys, assignment submission
- Communication – announcements, mail, threaded discussion, chat
- Providing learning materials – create, upload and deliver content
- Other – calendar, ePortfolio, user preferences

It is imperative that students access CloudDeakin regularly during the trimester.

CloudDeakin can be accessed via DeakinSync:  www.deakin.edu.au/students

Counselling

Deakin offers a free and confidential professional counselling service to all students. The service offers resources, web based services and one to one personal counselling to assist students to maximise their academic potential and university experience.

For further details please refer to www.deakin.edu.au/studentlife/counselling

Deakin Card

Students must ensure that they obtain a Deakin student card from Deakin Central. The Deakin card is the only accepted form of identification for students whilst on campus. The Deakin card can be loaded with funds and used for services on campus. It is also required for borrowing library materials and accessing online library materials.

For further information on the Deakin card please refer to www.deakin.edu.au/campus-life/services-and-facilities/deakin-card

Deakin Central

Deakin Central is a one-stop-shop providing students with the following services:

- HECS and fee enquiries
- Deakin card advice
- IT services enquiries
- Graduation enquiries
- Assessment enquiries
- Official academic transcripts
- Parking permits

Deakin Central is located at:

- Burwood: Building HE, level 2  Tel: 03 9244 6333
- Geelong Waurn Ponds: Building JB, level 2  Tel: 03 5227 2333

Deakin Email

The University, Course Directors, Unit Chairs and student advisers all communicate important information to students via their Deakin email address. Students must ensure that they check their emails on a regular basis.

A student’s email address will look like: student’s username@deakin.edu.au.

Students can permanently forward their Deakin email to another frequently used email account: http://www.deakin.edu.au/about-deakin/administrative-divisions/esolutions/it-help/email-and-calendars.

Students can access their Deakin email via this link www.deakin.edu.au/owa
DeakinSync

DeakinSync is a student’s gateway into Deakin. From DeakinSync, students can gain access to personalised information, facilities and services pertinent to their life as a Deakin student (e.g. CloudDeakin, StudentConnect, Deakin email).

Students can gain access to DeakinSync by selecting the ‘Current Students’ link on Deakin’s homepage http://www.deakin.edu.au/students

Disability Resource Centre (DRC)

Staff at the Disability Resource Centre (DRC) may be able to assist a student if a physical, sensory or learning disability, or a temporary or permanent medical or mental health condition is interfering with their ability to achieve academic goals. The DRC provides a range of tailored support and services to individuals registered with them. For further details please refer to www.deakin.edu.au/equity-diversity/disability-services.php

Faculty Student Manual

The Faculty Student Manual is designed to provide students with general information about the Faculty of Health; its staff, courses, policies and procedures.

The manual is available on the Faculty website via http://www.deakin.edu.au/health/faculty-of-health-current-students

Handbook

The Deakin online handbook provides information on every course available at Deakin (via the ‘Search for a course’ link) and on the units on offer throughout the University (via the ‘Search for a unit’ link). Important dates for the year and Deakin’s academic calendar are also located in the handbook.

The handbook can be accessed via the student portal or www.deakin.edu.au/students/university-handbook

Below is an example of the information students will be provided with when they search for a unit in the handbook.

Information Technology (IT) Assistance

Students experiencing IT difficulties can seek assistance over the phone from the eSolutions service desk or in person on campus. For further information please refer to [www.deakin.edu.au/its/servicedesk](http://www.deakin.edu.au/its/servicedesk)

Intermission (Leave of Absence)

Deakin University permits enrolled students to be granted a leave of absence (intermission) for a total of two trimesters throughout the duration of their course. Students may take two trimesters of intermission concurrently or may split these over different years. As trimester 3 is an optional trimester, students do not need to apply for intermission if they elect to not undertake any study in this trimester.

International students must seek further advice from student adviser regarding intermission and visa implications. [http://www.deakin.edu.au/students/international/how-do-i](http://www.deakin.edu.au/students/international/how-do-i)

To activate a period of intermission students must apply to intermit via StudentConnect by the following deadlines:

- Trimester 1 intermission = 31 March *
- Trimester 2 intermission = 15 August *

* These dates are subject to change each year - please consult the ‘Important Dates’ section of Deakin’s handbook

Students seeking further intermission (more than two trimesters) need to apply through the Faculty of Health [https://www.deakin.edu.au/health/current-students/intermission/index.php](https://www.deakin.edu.au/health/current-students/intermission/index.php) form online (student username and password is required).

Library Use

Library use is an important part of academic life. It is essential that new students familiarise themselves with how to use the library. Library tours are available during Orientation Week and should be attended. Deakin’s online library can be accessed from the student portal or via [www.deakin.edu.au/library](http://www.deakin.edu.au/library)

Maximum Completion Time (Maximum Period of Candidature)

Deakin University sets timeframes in which degrees must be completed. These timeframes take into account the importance of the currency of knowledge in completing an award.

Students are allowed a maximum of nine years to complete the D343 Bachelor of Exercise and Sport Science/Bachelor of Commerce. Any official periods of intermission are not included when calculating the nine years.

Parking

Deakin students require a parking permit to park on campus between the hours of 8:30am and 4:30pm. Students park in the General Permit (White) bays, with costs dependent on campus and type of permit purchased. Be aware however that a parking permit does not guarantee a park, with parking on a first-come, first-parked basis.

Parking permits can be purchased from Deakin Central. For further information on pricing and type of permits available please refer to [www.deakin.edu.au/services/parking/](http://www.deakin.edu.au/services/parking/)

Part-time Study

Deakin domestic students can elect to undertake full-time or part-time study. Students are considered to be undertaking full time study if they are enrolled in 3 or 4 credit points a trimester. Part time study is equivalent to 2 or less credit points a trimester. Students do not require permission to undertake study part time.

Each credit point of study normally requires at least ten hours of a student’s time per week (including on campus classes). Part time study is therefore recommended for students who are working more than ten to fifteen hours per week and/or who have extensive commitments.

International students must seek further advice from an international student adviser regarding the implications on their visas if they wish to undertake part-time study and/or online study options. [http://www.deakin.edu.au/students/international](http://www.deakin.edu.au/students/international)
Passwords
Students can change their Deakin password to one that is easier to remember. Students who have forgotten their password can also generate a new one online in a few simple steps.

The above can be actioned from [www.deakin.edu.au/password](http://www.deakin.edu.au/password).

Re-enrolment
Students are required to re-enrol each year until the completion of their course. Re-enrolment for the subsequent academic year normally occurs between September and October and is completed online via StudentConnect.

When selecting units for the following year, students should work on the assumption that they will pass all of the units that they are currently studying.

Results
Students’ results are released at the end of each trimester. The date of result release is published in the 'Important Dates': [http://www.deakin.edu.au/study-at-deakin/important-dates](http://www.deakin.edu.au/study-at-deakin/important-dates).

Students can view their results via the ‘Results’ link on StudentConnect.

In certain circumstances, a student’s result may be pending at the time of official result release. In these instances, a RI (result pending) grade will be released until the result is finalised. Students who have submitted all unit assessments by the due dates should contact the Unit Chair immediately if a RI result is released.

Special Consideration
Students who believe that their assessment has been, or is likely to be, adversely affected on medical, compassionate or hardship/trauma grounds may apply for special consideration. Students should discuss the matter with the Unit Chair in the first instance, as in many cases an extension on the due date for an assessment will suffice.

Applications for special consideration must be lodged online via the ‘Special Consideration’ link on StudentConnect.

Applications must be made no later than three University working days after the due date of the assessment task or examination date for which special consideration is sought, unless the Unit Chair is satisfied there are exceptional circumstances.

Further information on special consideration is available at: [http://www.deakin.edu.au/students/assessments/special-consideration](http://www.deakin.edu.au/students/assessments/special-consideration)

StudentConnect
StudentConnect is the online gateway to a student’s administrative records. Using StudentConnect students can:

- Add, change and withdraw from units
- Re-enrol for the following academic year
- View advanced standing awarded
- View and pay their trimester fees
- View their examination timetable
- View their results
- Amend their postal/contact details
- Apply for intermission or discontinuation

StudentConnect is accessed via the student portal or [www.deakin.edu.au/studentconnect](http://www.deakin.edu.au/studentconnect)
Student Exchange

Deakin University offers various programs which provide students with the opportunity to study overseas for a few weeks, a trimester or a year as part of their Deakin degree.

For further information please refer to www.deakin.edu.au/study-at-deakin/study-options-and-pathways/global-study-opportunities

Student Timetable Allocation and Registration (STAR)

STAR is Deakin’s personalised timetabling system that allows students enrolled in on-campus units to register online for tutorials etc. STAR is accessed via StudentConnect.

STAR is not a first come/first serve system. Students’ timetable preferences are collected and then randomly sorted to provide students with a clash free timetable.

Prior to the commencement of each trimester all students enrolled in on-campus units must login to STAR to provide preferences for the classes they wish to attend for each unit. Before placing preferences on STAR students must have a good understanding of the timetable available for each unit. The provisional class timetable can be located at http://www.deakin.edu.au/about-deakin/administrative-divisions/facilities-services/timetable

For further information on STAR please refer to: www.deakin.edu.au/star

Study Skills

Student Life provides services and resources to assist students to develop and improve their academic skills. Academic skills advisers provide individual appointments, classes and web-based study skills assistance covering such areas as referencing, writing essays, exam preparation, note taking and effective reading.

For further information and resources please refer to www.deakin.edu.au/students/study-support

Unit Guide

A unit guide provides essential information about a unit. Most importantly, the unit guide details the assessment tasks for a unit and the due dates of these. The unit guide also provides information about textbooks, extensions, special consideration and how to contact teaching staff.

Unit guides for each unit a student is enrolled in are normally made available at least one week prior to the commencement of each trimester on CloudDeakin.

Withdrawing from Units

Once the trimester has commenced, students can reduce their study load and withdraw from units that they are enrolled in. To avoid incurring a HECS debt, domestic students must ensure that they withdraw from enrolled units by the following census date deadlines:

- Trimester 1 withdrawals = 31 March *
- Trimester 2 withdrawals = 15 August *
- Trimester 3 withdrawals = 15 December *

* These dates are subject to change each year - please consult the ‘Important Dates’ section of Deakin’s handbook

International students must first consult with a student adviser before withdrawing and earlier deadlines apply to avoid incurring a fee debt.

Students can still withdraw from units after the above deadlines but a HECS debt will be incurred. A withdrawn late (WL) or withdrawn fail (WN) grade will also be recorded on a student’s academic transcript. In special circumstances, students can apply to the University to have their HECS debt waived. www.deakin.edu.au/study-at-deakin/fees/refunds-and-remissions

The final deadlines to withdraw late or withdraw fail from a unit can be found in the ‘Important Dates’ section of Deakin’s handbook.

Students can withdraw from units via the relevant link in the ‘Enrolment’ section on StudentConnect. Note: Domestic students must be enrolled in at least one unit to keep their place in the course providing they have not exceeded the maximum period of candidature. To withdraw from all units, students must apply to intermit from their studies via StudentConnect.
## 2016 – D394 Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management)
Offered at Melbourne Burwood Campus and Geelong Waurn Ponds Campus

**Course Rules:**
1. Must complete 32 credit points: 14 core units and two HSE electives at level 2 or 3 from the B Exercise and Sport Science + 16 credit points core units from B Business (Sport Management)
2. HSE312 Exercise and Sport Science Practicum is a core unit and can be completed in either Trimester 1 or 2.
3. Must complete HSE010 and MCA010 at least once during the degree.

This course grid/map is for illustrative purposes only. Students must meet the course rules and unit requirements as set out in the Handbook (http://www.deakin.edu.au/students/university-handbook/). Please contact ens-enquire@deakin.edu.au for any queries about your course planning, enrolment and progress. This course is currently under review.
