Note on ESSA Registration:

H343 Bachelor of Exercise and Sport Science students who have been awarded Credit for Prior Learning for non-university studies, such as credit for prior learning obtained via TAFE study or Deakin College, please note that they may not be eligible for immediate registration with ESSA. This does not mean that ESSA registration is not available to you. What it means is that registration is not automatically granted as a Deakin graduate from the H343 Bachelor of Exercise and Sport Science course. You can still apply to ESSA for membership but you will need to apply on your own directly to ESSA when you have completed your course. Application details can be found on the ESSA website, and you will be required to complete the non-NUCAP form (<https://www.essa.org.au/membership/ways-to-join-essa>). In the application you would need to demonstrate that you have met the exercise science knowledge and skills requirements.

For course rules please visit: deakin.edu.au/XXX

#HSE111 Physical Activity and Exercise for Health is incompatible with HSE203 Exercise Behaviour.

If you have completed HSE111, you are not required to complete HSE203, you need to complete HSE212 Physical Activity Promotion and Evaluation instead.

Due to ESSA accreditation requirements, if you received preclusion from HSE111 and did not pass HSE203 in T1 2017, you need to complete HSE203 Exercise Behaviour. Please email ens-enquire@deakin.edu.au to enrol in HSE203 for 2018. You are not required to complete HSE212.

Please Note: HSE203 is offered for the last time in T1 2018.
