Choose Deakin

‘My favourite part of Deakin is the learning environment fostered on campus. From the facilities themselves to the incredibly accommodating staff, it’s a wonderful place to learn.’

Ellen Gunn
Bachelor of Biomedical Science student
Vice-Chancellor’s Professional Excellence Program (VCPEP) Scholarship recipient

Learn from leaders in their field
Our outstanding academic staff are active participants and influencers in their fields. They share their skills and knowledge and give you valuable industry insights.

Travel overseas
See the world with an international internship, exchange, study tour or volunteer placement. Gain a competitive edge in the workplace and get credit towards your degree by studying abroad at a Deakin partner university, located in more than 40 different countries. Visit deakin.edu.au/overseas-study for more information on where your Deakin degree can take you.

Study when and where it suits you
Join the thousands of students currently studying online at Deakin’s Cloud Campus. You can:
- choose from more than 160 courses – single and combined
- experience world-class learning 24/7
- use the latest digital tools
- fast-track your degree by taking extra units throughout the year.
Find out more on page 7.

Why you can confidently choose Deakin
Top 1% university worldwide
At #211, Deakin is ranked in the top 1% of universities globally. Academic Ranking of World Universities 2018

5-star rated university
Rated 5 stars for our world-class facilities, teaching and research. QS Stars University Ratings 2016–2017

Most employable students
#1 university in Victoria for employment outcomes. Graduate Outcomes Survey 2018

Most satisfied students
Voted #1 for overall student satisfaction in Victoria nine years running. Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2018 (GOS), Quality Indicators for Learning and Teaching (QILT)

#1 university under 50 years old
Victoria’s #1 university under 50 years old. Times Higher Education 150 under 50 Rankings 2018

#1 university for both teaching and skills development
#1 in Victoria for both undergraduate teaching quality and skills development. Student Experience Survey 2018

#1 careers service in Australia
DeakinTALENT was awarded the most popular university careers service in Australia by the graduate recruitment industry in both 2017 and 2018.
Your guide to applying to Deakin

Applying for your undergraduate degree at Deakin couldn’t be easier. Most applications are straightforward and easy to complete. Follow these steps to make the process as simple as possible. Visit deakin.edu.au/courses/how-to-apply.

1. Choose Deakin
Find your ideal course
Browse the Courses at Deakin section of this guide (pages 16–59) or browse online at deakin.edu.au. Our undergraduate courses generally begin in March; some courses also have intakes in July and November.

Check entry requirements, application methods and application dates. Phone 1800 693 888 to discuss your options.

2. Study the way you want
Study where you want
Deakin allows you to study where you are, with five campuses, including our online Cloud Campus, to choose from. Make the most of what we can offer you and explore our locations in more detail on pages 7–11.

3. Ways we can support you to get there
Find out all the information and support we provide to understand fees, other study costs, government assistance and scholarships on page 12. There are also many pathways to studying at Deakin – find one that suits you on page 14.

4. Let us help you apply
Whether you’ve just finished Year 12, or you haven’t studied for a number of years, you’ll find a Deakin course or pathway that’s right for you.

Generally, applicants are considered either as a recent secondary education applicant or a non-Year 12 applicant, depending on your highest level of educational attainment.

Recent secondary education applicant
• Current Year 12 student in 2019
• Completed Year 12 in 2017 or 2018
• Interstate Year 12 student
• New Zealand school leaver
• International Baccalaureate (IB) student
• Gap-year student

Non-Year 12 applicant
• Applicants with higher education study
• Applicants with VET study
• Applicants with work and life experience
• Applicants who completed Year 12 in 2016 or earlier.

For more information on admission requirements and to understand the type of applicant you are, visit deakin.edu.au/courses/how-to-apply.

5. Supporting a diverse range of needs
We’re committed to offering equity and access for individuals and groups who might not otherwise enjoy the benefits of higher education. Deakin gives additional consideration to applicants who might have experienced difficult circumstances, such as family, financial or medical difficulties, a disability or other challenges.

When applying through VTAC, submit an application through VTAC’s Special Entry Access Scheme (SEAS). If applying direct to Deakin, please provide information and supporting documentation regarding your circumstances when prompted in our online applicant portal.

deaquin.edu.au/access-equity

6. It’s important to understand the entry requirements
Make sure you understand the entry requirements for your chosen course by reading the course page carefully. For recent secondary education applicants, in addition to the listed ATAR, some courses may require you to have studied a prerequisite subject(s), while others may also need you to submit extra materials, such as a portfolio or personal statement.

Selection requirements for non-Year 12 applicants may include one or more of the following:
• a personal statement
• entrance tests as specified, e.g. STAT (Special Tertiary Admissions Test), or a non-academic assessment (for all applicants to teaching courses)
• a supplementary information form
• an audition
• an interview
• a folio presentation.

For an explanation of key terms, please refer to pages 60–63.

Further information is listed in this guide’s course table (page 16 onwards), as ‘recent secondary education applicant’ and ‘non-Year 12 applicant’.

If you need further assistance, email myfuture@deakin.edu.au or call 1800 MYFUTURE (1800 693 888).

Gather the supporting documents you’ll need
When you apply direct to Deakin as a non-Year 12 applicant, it’s important to attach any requested supporting documentation, which could include a CV, academic transcripts, STAT results or a personal statement – otherwise, your application might be delayed. We recommend gathering all this documentation before you start the application process, so that you can complete it in one sitting. However you can save and return to your application at a later time, if required.

Apply online – through VTAC or Deakin’s applicant portal
Depending on your course, you might be able to start in Trimester 1 (March), 2 (July) or 3 (November).

If you’re a recent secondary education applicant, you should submit your application for Trimester 1 through VTAC (vtac.edu.au).

If you’re a non-Year 12 applicant, you should apply directly to Deakin. 1 Otherwise if applying for more than one course, you should apply through VTAC.

Applications for Trimesters 2 or 3 should be made directly to Deakin via the applicant portal at applicantportal.deakin.edu.au.

When can I expect an offer?
Information about dates and offers from VTAC can be found on the VTAC website, vtac.edu.au. For Trimester 1, Deakin makes most of its offers in the first round of offers to applicants. For applications made direct to Deakin, offers are made via email. Timing varies depending on the course and time of year, but offers are generally made within 10 working days.

Can I defer my studies?
We understand that you might want to have a break before you begin your university course. It’s easy to defer your studies at Deakin – most courses let you postpone your studies while retaining your Deakin place for up to two years. Visit deakin.edu.au/deferment for information on offers, deferring and more.

2 Some courses in Deakin’s Faculty of Health and Faculty of Science, Engineering and Built Environment are offered by semester. Semester 1 runs from February to June; Semester 2 runs from July to November. See the course table or visit deakin.edu.au/courses.
Study the way you want

Learning that fits in – study full time or part time
You can switch between part-time and full-time study at Deakin, and set your own pace throughout your education.
This means that if things change, you’re not locked into a study commitment that no longer suits you.
You’re considered a full-time student if you’re enrolled in three or more credit points (units) in a trimester. Any fewer, and you’re considered a part-time student.

Study when you’re ready
Deakin has three study periods during the teaching year. This gives you more choice and flexibility about when to start your degree and can even help you fast-track your study by taking extra units throughout the year.
Some students take a trimester off to work or travel, then catch up later. You can also spread your study load, to fit your studies into your lifestyle.
Deakin’s trimesters run from:
• March to June (Trimester 1)
• July to October (Trimester 2)
• November to February (Trimester 3).
Trimester 3 is optional and subject to availability of units.
Visit deakin.edu.au/flexible-study to find out more about your study options at Deakin.

Study where you want
Cloud Campus
Australia’s leading online education provider
Do you need choice and flexibility for your studies? Look no further than Deakin’s Cloud Campus – a 15,000-strong community of online students.

Vibrant and virtual
The Cloud Campus is your online one-stop shop to access classes, seminars and resources, participate in live-streaming seminars and class discussions, chat with academic staff and students and submit assignments. When, where and how you study is up to you.

Extensive online support
Mastering your studies requires ambition, independence and organisation. That’s why the Cloud Campus supports you with:
• orientation sessions
• tailored support services
• innovative but easy-to-use digital tools and resources
• 24/7 access to library resources
• a dedicated student success coach in Trimester 1 to keep you on track.

Personalised digital hub
DeakinSync will make your transition to online study a smooth one. It’s the online place you’ll call home. Here, you’ll find everything you need to manage your enrolment and course material, communicate with your classmates and teachers, sort out your timetable and plan your career.

Welcome on campus
Everything you need for online study is available online but if you live near one of Deakin’s physical campuses or learning centres, you’re always welcome. Make the most of our fast, free wi-fi, use our study facilities and connect with staff and students.

Connect with others
Connect with other students for study, support and socialising. Our Cloud Campus is accessible and flexible – making it everything you need it to be.
deakin.edu.au/courses/study-online

Take advantage of cutting-edge digital tools and resources
As a Deakin student you’re fully supported with a range of online resources. Through your personalised digital study hub, DeakinSync, you connect with:
• students
• learning and assessment experiences
• teaching and support staff
• potential employers.
If you’re a Cloud Campus student, an experienced student success coach reaches out to you via Skype and email, offering ongoing support for your personal and professional development.

Support services
You get support every step of the way at Deakin.
For job advice, our career service can help. For health or mental wellbeing services, healthcare professionals are on hand. From childcare services to disability support, we take care of your needs so you can enjoy life at university.
deakin.edu.au/life-at-deakin/support-services

1 You may need to meet academic requirements before you can switch modes.

#1 careers service in Australia
Get prepared for the jobs and careers of the future through our Graduate Employment division. Use DeakinTALENT’s programs and services to research different career options, hone your interview skills, look for casual work while you study or find a graduate job.

Melbourne Burwood Campus
A stunning and spacious campus with state-of-the-art digital facilities
A 30-minute drive from Melbourne's bustling CBD, Deakin's Melbourne Burwood Campus is our busiest campus, with around 30,000 students. Set in a leafy suburb with plenty of open spaces and parks, the campus includes architecturally impressive buildings and outstanding facilities, including:
- a professional motion capture lab
- dance, drama and television studios
- food and nutrition labs
- nursing clinical simulation centres
- IT gaming facilities
- a simulated foreign currency trading floor.

Enjoying campus life
Burwood students love the relaxed suburban atmosphere and huge choice of learning and social spaces.
Enjoy cafes and food outlets, a bookshop and merchandise shop, medical centre, gallery, gymnasium, great study spaces and much more.
The campus sits alongside parkland, which is great for cycling, walking and jogging, and is easily accessible via cycling paths, public transport or car.

Living on campus
More than 1000 students live in campus residences, year-round. Accommodation options range from private bedrooms in large unit complexes to private studio apartments.
Life on campus is so much more than just a comfy bed in a safe building – it's a unique opportunity to immerse yourself in the Deakin experience. Students who live on campus connect better with each other and with the University. Plus, they're more likely to achieve great results with their studies.
deaquin.edu.au/live

Living near campus
The closest suburbs to our Melbourne Burwood Campus are Burwood East, Box Hill South, Camberwell and Ashburton.
From Melbourne's CBD it takes about an hour to get to campus via train, bus or tram (the tram stop's on Burwood Highway, right in front of campus). Alternatively, you can get to Burwood in just half an hour by car, or even cycle to campus.
To find accommodation near campus visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.
deaquin.edu.au/burwood

Getting to Geelong
Travel to Geelong is easy and, if you're based in Melbourne, the commute with the new regional rail link is quick – from Southern Cross Station, it takes less than an hour to reach Geelong.
If you're driving from Melbourne's west, you might find your commute's as short as 30 minutes.

Geelong Waterfront Campus
Study world-class courses overlooking the stunning Corio Bay
Our Geelong Waterfront Campus is right on Corio Bay – in the heart of Geelong. Originally built as wool stores in the 19th century, the buildings have been extensively renovated, creating a modern, impressive campus.
- Geelong is the second-most populated urban area in Victoria (after Melbourne), with a population of about 195,000 people.
- One of the world’s most beautiful coastal drives, the Great Ocean Road, is just 30 minutes away, complete with famous surf beaches and the occasional whale sighting.
- Geelong Waterfront Campus was founded in 1994. It currently has 5000 students and offers 201 courses.

Living on campus
The first residential community of 410 students was housed on campus in 2018, with 33 studio apartments also available within Geelong's iconic TAG House. Students living on campus enjoy a range of exclusive activities throughout the year. You'll join a supportive student community and an encouraging environment for a balanced social/study life.
deaquin.edu.au/live

Living near campus
If you live centrally, you'll still be very close to your classes. If you live further from the city centre, it's easy to get to campus by car, bike or public transport.
To find accommodation visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

Geelong Waurn Ponds Campus
A sports focused campus close to Australia’s best surf beaches
You get the best of both worlds at our Geelong Waurn Ponds Campus. Around 7300 students access world-class programs and superb facilities, and enjoy a relaxing, regional environment, close to some of Australia’s best surf beaches.
Geelong is on a peninsula, with surf beaches, diving and recreational fishing all on offer. On campus, outdoor areas and spacious new buildings are perfect for socialising and studying.
There are also incredible sport facilities, as the campus is home to Deakin’s Elite Sport Precinct, which includes:
• an MCG-sized AFL oval
• a FIFA-grade soccer pitch
• an eight-lane 400-metre athletics track
• an outdoor basketball court.
A deluxe health club complete with an outdoor basketball court. an eight-lane 400-metre athletics track a FIFA-grade soccer pitch an MCG-sized AFL oval.

Living on campus
The Geelong Waurn Ponds Campus offers townhouses, units and apartments for 800 students. Close to classes and our sporting grounds, living on campus also gives you exclusive access to residential programs. These include health and wellbeing, social, academic, arts and culture and leadership, connecting you in a supportive student environment to help you balance study and social life.

Warrnambool Campus
Three hours from Melbourne and 1.5 hours by car from Geelong, Warrnambool is a welcoming campus, close to the town centre and beautiful surf beaches.
With close to 1000 students, Deakin’s Warrnambool Campus offers a friendly, close-knit community environment.
Set on the banks of the picturesque Hopkins River, the campus is close to local surf beaches and popular tourist attractions. The 94-hectare site is approximately 5km from the centre of Warrnambool’s CBD, which is serviced by the Princes Highway and its own railway station and bus services.
Warrnambool has a population of about 34,000 people, and is roughly 250km south-west of Melbourne.

Living on campus
Living on campus in Warrnambool means you’re part of a close-knit residential community, giving you access to exclusive residential programs. Deakin’s Warrnambool Campus offers studio apartments and shared houses available on campus at Warrnambool, just metres from the Hopkins River and close to local surf and fishing hot spots.
deakin.edu.au/live
Living near campus
Warrnambool is an increasingly popular tourist destination, with historic buildings, beautiful waterways, surf beaches and a whale-watching centre.
Living off campus is a great and affordable way to get to know the town and wider community while you’re studying.
Visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.
deakin.edu.au/warrnambool-campus

Clubs and societies
Deakin students can explore more than 120 clubs and societies across our campuses. We’ve got groups dedicated to everything from anime to basketball.
From sports, health and personal development clubs to academic, religious, and course-specific groups, there’ll be a club or society that suits you.
Make the most of your time at Deakin: meet new people, try new things, share your skills and discover your hidden talents.

Institute of Koorie Education
Offering community-based education programs, the Institute of Koorie Education gives Aboriginal and Torres Strait Islander Australians the chance to access higher education while still being able to maintain family and community commitments.
The approach to course delivery includes a combination of study intensives and distance education options that promote access and equity for Indigenous Australian students. This approach also creates a close-knit learning community, as well as an inspiring and supportive learning environment away from home.
deakin.edu.au/courses/ike

Staying on campus
During study intensives, the Kitjarra student residences are available to the Institute’s students. Kitjarra is just a short walk from the Institute’s academic building at the Geelong Waurn Ponds Campus, and is a convenient and comfortable option for study and accommodation.
deakin.edu.au/kitjarra

Ways we can support you to get there

**Fees**

Depending on the course, an Australian Commonwealth supported undergraduate student at Deakin in 2019 can expect to pay between $6566 and $10,958 per year of study. These fees will change for 2020.

Eligible students can get loans via the Higher Education Contribution Scheme (HECS-HELP) Education Loan Program. Repayments are made through the Australian taxation system once your annual income exceeds the minimum threshold.

If you’re an eligible student, you can access a range of government financial assistance programs, such as Youth Allowance and Austudy.

**Study-related costs**

Students will also need to pay for living costs and course-related expenses, like computer equipment, books, field trips and special equipment or clothing (if applicable to your course).

[deakin.edu.au/courses/fees-scholarships/ study-related-costs](deakin.edu.au/courses/fees-scholarships/ study-related-costs)

**Government assistance**

**Commonwealth Supported Place**

If you’re an Australian citizen, holder of a Permanent humanitarian visa, Permanent resident or New Zealand citizen and meet Australia’s residency requirements, you’ll be eligible for a Commonwealth Supported Place (CSP) for a bachelor course at Deakin. The Australian Government subsidises a Commonwealth Supported Place by paying part of the fees directly to the University, making your education more affordable and accessible.

If you’re a student enrolled in a CSP, you’re only required to contribute part of the cost of your course through ‘student contributions’.

The cost of your course will depend on the units you study.

**HECS-HELP Loan**

The Australian Government scheme, HECS-HELP, is a loan scheme for eligible students enrolled in a Commonwealth Supported Place.

Under the HECS-HELP loan scheme you can defer all of your tuition fees or make an upfront payment. The HECS-HELP loan covers the student contribution part of your student fees. You’ll begin paying back your loan to the Australian Taxation Office in small increments once you meet the minimum income threshold.

Deakin University is subject to Australian Government Legislation. As such, legislative changes can occur and may impact your HECS-HELP eligibility. For more information on eligibility requirements, please visit [studyassist.gov.au or deakin.edu.au/ courses/fees/fee-payment-assistance](deakin.edu.au/ courses/fees/fee-payment-assistance).

**Scholarships**

A Deakin scholarship is more than a simple financial boost – it sets you on the pathway to success at university. It’s a great opportunity to stand out from your peers and is an excellent feature on your resume.

We offer scholarships for many situations, whether you’ve experienced disadvantage and/or achieved academic merit. Awarding a Deakin scholarship is our chance to acknowledge and reward your accomplishments and hard work.

You could be eligible for a number of scholarships during your time at Deakin. Use our online search tool to help you find out what scholarships you could be eligible to apply for at [deakin.edu.au/courses/fees-scholarships/ scholarships/find-a-scholarship](deakin.edu.au/courses/fees-scholarships/ scholarships/find-a-scholarship).

Also check out [deakin.edu.au/scholarship-tips](deakin.edu.au/scholarship-tips) to read our top tips for completing a scholarship application.

**Financial support**

Deakin offers a range of financial assistance.

If you’re experiencing financial difficulties, you might also be eligible for an interest-free student loan for study-related expenses.

**Inclusive learning community**

Deakin values diversity, embraces difference and seeks to nurture a connected, safe and respectful community.

Deakin Accelerate for VCE students

If you’re a high achieving VCE student, Accelerate lets you study two first-year university subjects at the same time as your Year 12 studies, either at one of Deakin’s four locations or at the Cloud Campus – our innovative online learning environment.

When you successfully complete the Accelerate program, you’ll achieve between three and five increment points added to your ATAR aggregate.

There aren’t any tuition fees for the units you study as part of Deakin Accelerate (we pay them for you). There may be costs associated with textbooks for your particular study area or materials for seminars. Most of the unit study resources are available online, and textbooks can often be borrowed from the library.

You’ll gain credit on completion of your Accelerate units, which you can put towards a related Deakin course – that’s two units ticked off your degree.

Even if your Deakin course is unrelated to your Accelerate units, in many cases you’ll still be able to use the credit you’ve earned as electives. This means you can lighten your first-year study load or fast-track your degree by going straight into second-year units.

[deakin.edu.au/accelerate](deakin.edu.au/accelerate)

‘If you are unsure about what you would like to do once you finish school, this opportunity is a really good one to get on board with. This experience helped me pinpoint exactly what I wanted to do!’

Tamar Peterson
2017 Accelerate student – Disability, Diversity and Inclusion Bachelor of Nursing student
Find your pathway to Deakin

There are many pathways to studying at Deakin – find one that suits you!

Pathways through Deakin

Taking a pathway to Deakin means you get to start the Deakin experience sooner, beginning and completing your studies at the University.

Transfer between campuses

Start your course at a campus with a lower ATAR requirement, then transfer to your desired campus after first year.

Transfer between courses

Apply to study a course with similar subjects or majors, but a lower ATAR, and use this as a pathway into your ideal course.

Complete an Associate degree

A Deakin Associate degree in arts or education lets you study in a supported campus environment. It also gives you a direct, guaranteed pathway to an arts, criminology or primary education bachelor degree.

Undertake single unit (non-award) study

If you just want to test the waters and see what studying at Deakin is like, consider studying a single unit (or two). The unit can count towards a Bachelor’s degree if you decide to enrol in one afterwards, and you’ll get to satisfy your personal and professional interests.

Pathways through Deakin College

A Deakin College diploma offers a pathway to enter Deakin as a 2nd year student in selected undergraduate degrees.

dekincollage.edu.au

Pathways through TAFE

Deakin partners with the country’s best TAFE institutions to offer a guaranteed entry program. Our partners include:

• Bendigo TAFE
• Box Hill Institute
• Chisholm Institute
• The Gordon
• Kangar Institute
• Melbourne Polytechnic
• South West TAFE
• TAFE NSW

dekincollage.edu.au/TAFE

Pathways through other institutions

If you’re currently studying at another university and would like to apply for entry into Deakin to finish your degree, you can apply for recognition of prior learning for your previous study.

dekincollage.edu.au/pathways

Try our Pathway Finder tool

There are many different ways you can get into an undergraduate course at Deakin. No matter your ATAR or education history, we’re here to help you find your pathway to Deakin. Try our Pathway Finder tool and explore the options that might be available to you at dekin.edu.au/courses/entry-pathways/pathway-finder or call on 1800 693 888.

1 Subject to availability and meeting academic requirements.
2 You may be eligible for up to 18 months’ (full-time study) recognition of prior learning for your previous study.

‘My favourite thing about Deakin University would be the industry connections that are handed to you on a platter, all you have to do is participate.’

Chelsea Clarke
Bachelor of Design (Architecture)/Bachelor of Construction Management student
IGNITED Scholarship and New Colombo Plan Scholarship recipient

- T1, T2, T3
- $6566

### Diploma of Spanish

**Overview**

Spanish is a great complement to your studies in any discipline, plus you’ll gain a global perspective and boost your employability. Develop fluency in Spanish by developing an understanding of grammatical structures and lexical fields through a communicative approach, and by developing skills through guided activities that target listening, speaking, reading and writing competencies. In-country language programs are also available.

**Entry Requirements**

- VCE units 3 and 4: a study score of at least 20 in English other than EAL or 25 in English (EAL)
- deakin.edu.au/course/A224

**Fees**

- $6566

**Campus and ATAR:**

- WP 10
- B 5
- T1, T2, T3
- $6566

### Associate Degree of Arts

**Overview**

University can be a challenge, which is why we’ve designed a course providing students with a supported learning environment and a guaranteed pathway into Deakin’s Bachelor of arts or Bachelor of Criminology. The Associate Degree of Arts teaches you the learning skills you need to be successful at university, including communication, digital literacy, critical thinking and teamwork skills.

**Entry Requirements**

- A minimum ATAR of 80 equivalent or a Diploma of Tertiary Education with a specialisation, plus relevant credit that you could put straight into your second year. You can also apply to transition into other bachelor degrees.
- deakin.edu.au/course/A401

**Fees**

- $6566

**Campus and ATAR:**

- WP 10
- B 5
- T1, T2, T3
- $6566

### Bachelor of Arts – Advanced (Honours)

**Overview**

Stand out from the crowd with advanced skills and knowledge gained in Deakin’s Bachelor of Arts – Advanced (Honours). Enrol immediately in a four-year degree which combines a Bachelor of Arts with an Honours year. You will develop high-level critical and systematic thinking skills in your area of interest and apply them in your fourth year as you undertake a supervised and supported independent project. You will also gain an imaginative appreciation of the social sciences, humanities and the arts, and skills relevant to employers at a global level.

**Entry Requirements**

- Your skills will be in demand in a range of careers, including: NGO policy officer; politician; marketing manager; art centre manager; artist; travel agent; social policy developer; arts editor; document editor; philosophy teacher; archivist; NGO advisor; public sector worker; records officer; event operations manager; gallery curator; public relations manager and media analyst.

Arts, humanities and social sciences

Bachelor of Criminology/Bachelor of Psychological Science

Combining Deakin’s Bachelor of Criminology/Bachelor of Psychological Science will make you rethink what we perceive as ‘crime’ and the social and justice rehabilitation that goes along with it. Offering you a grounding pathway in psychology, you’ll graduate ready to enter the workforce or continue your study in the pursuit of becoming a fully qualified psychologist.

Promising career opportunities await in the areas of criminology and psychology. You may find employment in areas such as: government agencies, state and federal police, security and intelligence agencies, research and policy development, correctional services, community services, as well as private security and consultative industries.

Fees

$7,294

Bachelor of Forensic Science/Bachelor of Criminology

Become a crime scene expert by studying the Bachelor of Forensic Science/Bachelor of Criminology, a combined course that trains you to piece together the many facets of crime, from understanding motives to unlocking hidden details in evidence.

Majors

See Bachelor of Forensic Science, page 53.

Fees

$8,180

Bachelor of Health Sciences/Bachelor of Arts

Gain a competitive edge in the fields of criminology, forensic science and forensic criminology. Your strong understanding of both the criminal justice system and forensic science prepares you to thrive in a variety of roles including: forensic scientist, research scientist, insurance investigator, crime prevention officer, cyber security specialist, intelligence analyst, risk assessment officer, as well as state and federal policing.

Majors

See Bachelor of Health Sciences, page 41, and Bachelor of Arts, page 20.

Fees

$8,005

Bachelor of International Studies/Bachelor of Commerce

Build a degree tailored to your interests with a Bachelor of Health Sciences/Bachelor of Arts. This flexible degree will allow you to draw on fields from both health sciences and arts, tapping into unique course combinations and career opportunities. You can choose your course structure to form an academic profile that richly reflects your individual passions.

Majors

See Bachelor of Health Sciences, page 41, and Bachelor of Arts, page 20.

Fees

$8,995

Bachelor of Laws/Bachelor of International Studies

For many, the beginning of your legal career will be a step towards a career that you have been preparing for your entire life. Deakin is uniquely positioned to offer you the skills and knowledge you need to develop your career.

Majors

See Bachelor of International Studies, page 21.

Fees

$8,484

Bachelor of Arts/Master of Arts (International Relations)

Studying Deakin’s Bachelor of Arts/Master of Arts (International Relations) develops your understanding of the key political dynamics of our time. International relations encompasses the study of policy-related dynamics such as diplomacy, foreign policy and international governance, as well as dynamics relating to questions of order, justice and resistance in world politics.

Majors

See Bachelor of Arts, page 20.

Fees

$8,165

Bachelor of Arts/Master of Teaching (Secondary)

Combine your passion for the arts with a desire to inspire the generations of tomorrow, with a Bachelor of Arts/Master of Teaching (Secondary) at Deakin. Our school-based learning programs and teaching practicums ensure you’re ready to teach today and in the future.

Teaching methods

Choose two secondary curriculum studies from:

• visual arts
• drama
• English
• history
• languages teaching
• media
• studies of society and environment.

Teaching courses at Deakin lead to a career that can make a profound and lasting contribution to the future, by passionately educating and influencing the lives of students. Teaching is the largest profession in Australia, with more than 200,000 teachers working across 10,000 schools, teaching more than three million students. It’s a rewarding career that offers creativity, flexibility and opportunity.

Graduates of the Bachelor of Arts/Master of Teaching (Secondary) are qualified to teach secondary schools within Victoria, in the private, independent or public education sectors.

Your specialisations and advanced knowledge will open doors to roles in community services, government agencies and not-for-profit organisations.

1. The 2019 Initiative Commonwealth Supported Place (ISP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 6 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.

2. This course is also available at the Institute of Kindergarten Education. Find out more at deakin.edu.au/ik.

3. Majors are not available at all campuses. Visit deakin.edu.au/course and head to the course of interest to find out further details on admission requirements.

4. Deakin University – applicants with work and life experience – applicants with higher education study – applicants with international qualifications

5. Bachelor of Laws/Bachelor of International Studies – applicants with work and life experience – applicants with higher education study – applicants with international qualifications

6. Recent secondary education applicants include current Year 12 students in 2019, as well as Year 12 graduates from 2018 and 2017.

7. Students are also required to complete two 2 credit points units, ENL100 and ENL101, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.

8. The four foundation units in the A250 course must be undertaken at a campus. Cloud Campus—enrolled students must travel weekly to the Melbourne Burwood Campus or the Geelong Waurn Ponds Campus to undertake these units.

9. Students enrolled in this course will be required to undertake units of study at both the Geelong Waurn Ponds Campus and the Melbourne Burwood Campus.

10. Melbourne Burwood Campus only.

11. Cloud Campus only.

12. Triple minor is not available at the Cloud Campus.

13. Students are also required to complete two 2 credit points units, ENL100 and ENL101, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.

14. Students applying to all initial teacher education courses are required to sit the CAT4 test, a non-academic assessment. Please refer to the cost of the CAT4 test if applicable.

15. National and international students are required to have an IELTS band of 7.0 overall and a minimum of 6.0 in all four core components (listening, reading, writing and speaking) in order to be able to continue any tuition costs. Find out more at deakin.edu.au/teaching.

16. Not all majors and teaching speciality areas are available at the Cloud Campus.

17. PT means part-time.

NP means not published – less than five courses recently received recent education and employment reports. RC means admission is based on a range of criteria.

Deakin University

Explore career opportunities including accountant, business analyst, business development manager, business intelligence analyst, client services manager, data architect, data engineer, economist, network analyst, operations manager, risk assessor and systems administrator.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,456

### Bachelor of Laws

**Overview**
Combine a leading Law degree with the commercial skills that organisations are looking for in Deakin’s Bachelor of Commerce/Bachelor of Laws. Your broad knowledge of both business and legal concepts, as well as robust training, practical experience and industry placements, will make you a competitive candidate in all areas of corporate law.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,879

### Bachelor of International Studies/Bachelor of Commerce

**Overview**
Gain a competitive business foundation with global application. Through Deakin’s Bachelor of International Studies/Bachelor of Commerce, you’ll develop your understanding about the international forces shaping government, business and communities, and gain skills to analyse and interpret these forces. You’ll learn about commerce focuses like accounting, marketing and law, and gain insights through valuable overseas study experiences.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00
  - ATAR 95.30

**Fees**
$10,238

### Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management)

**Overview**
Experience the synergy of sport science and the business of sporting organisations with Deakin’s Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management). Gain the skills to improve the sporting performance and health of athletes and teams, as well as the expertise to become a professional leader in exercise and sport science in areas from strength and conditioning, to physiology.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,197

### Bachelor of Construction Management (Honours)/Bachelor of Property and Real Estate

**Overview**
With the Bachelor of Construction Management (Honours)/Bachelor of Property and Real Estate, you’ll learn how to drive growth, make strong commercial decisions, understand regulations and manage construction projects. The combined structure means you’ll also be equipped with vocational skills like surveying and building economics.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,238

### Bachelor of Commerce

**Overview**
With the Bachelor of Commerce you’ll be able to specialise in all facets of the construction management and property and real estate markets including commercial, industrial and residential property. Career opportunities include: architectural consultant, construction manager, conveyancer, estimator, leasing agent, portfolio manager, procurement manager, project estimator, property developer, real estate agent and valuer.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,197

### Bachelor of Arts

**Overview**
Graduates from this course can look forward to a diverse and challenging career as one of the following: conveyancer, corporate lawyer, law reform officer, federal police officer, judge, jury consultant, law professor, legal adviser, media and political development manager, policy advisor, private investigator, liquidator, legal secretaries, international trade law consultant, accountant, auditor, human resources manager, stockbroker, organisational counsellor, small business owner, immigration agent and sport law advisor.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,879

### Bachelor of Science/Bachelor of International Studies

**Overview**
Combine arts major sequences with global studies majors in Deakin’s Bachelor of Arts/Bachelor of International Studies to create a unique qualification. Learn to think more critically as you gain a strong foundation in all aspects of business with a focus on a commerce major like economics or marketing. At the same time, a complementary choice from Deakin’s arts major sequences will mean you graduate with the balanced education employers want.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$9503

### Bachelor of Business

**Overview**
With this combined course, your specialist expertise will be desirable business, marketing or management roles within the science industry. Career opportunities include: accountant, health promotion officer, human resources manager, medical marketing manager, scientific editor, stockbroker and sustainability analyst.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,238

### Bachelor of Applied Sport Science

**Overview**
Students wanting to pursue further study in exercise and sport science may consider applying for Deakin’s Bachelor of Exercise and Sport Science (Honours), Master of Clinical Exercise Physiology or Master of Applied Sport Science.

**Fees**
$9426

### Bachelor of Exercise Science

**Overview**
The Bachelor of Exercise Science at the Geelong Waurn Ponds Campus has a regional and remote entry scheme available through VTAC each year. This scheme is open to current Year 12 students who are undertaking their final year of schooling at a regional or remote secondary school (as defined by the new ABS categories); current Year 12 students from schools in the Greater Geelong City of Geelong, please note. The scheme is open to current Year 12 students only, applications via VTAC. Visit deakin.edu.au/life-at-deakin/why-study-at-deakin/elite-athlete-program for more information.

**Fees**
$8995

### Bachelor of Property and Management (Honours)/Bachelor of Construction

**Overview**
With this qualification, you’ll be able to specialise in all facets of the construction management and property and real estate markets including commercial, industrial and residential property. Career opportunities include: architectural consultant, construction manager, conveyancer, estimator, leasing agent, portfolio manager, procurement manager, project estimator, property developer, real estate agent and valuer.

**Entry requirements**
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL)

**Campus and ATAR**
- **Melbourne Burwood Campus**
  - ATAR 90.00

**Fees**
$10,197

Bachelor of Nutrition Science/Bachelor of Commerce

Overview
Build your foundational knowledge in nutrition science while understanding how business operates and guides Australia’s $20 billion dollar food industry. With a Bachelor of Nutrition Science/Bachelor of Commerce, you’ll graduate with highly transferable skills that allow you to understand and navigate the relationship between nutrition and business.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL. The degree will not go to full-time students who applied for this course.
- $9944

Campus and ATAR:
- Geelong Waterfront Campus and/or Geelong Waterfront Campus students will be required to undertake some units of study at the Cloud Campus in Trimester 3.
- Note: not available at the Warrnambool Campus.

Bachelor of Property and Real Estate/Bachelor of Laws

Overview
Combine the practicalities of real estate with the commercial knowledge you need to succeed through the Bachelor of Property and Real Estate/Bachelor of Commerce. You’ll gain a business foundation that includes economics, marketing and management, but while studying units in various aspects of real estate such as development, management and valuation.

Entry requirements
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 35 in English (EAL).
- $10,588

Campus and ATAR:
- Warrnambool Campus and/or Geelong Waterfront Campus students will be required to undertake some units of study at the Cloud Campus in Trimester 3.
- Note: not available at the Warrnambool Campus.

Bachelor of Property and Real Estate/Bachelor of Arts

Overview
Combine the practicalities of real estate with skills across property investment, valuation, development and management.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL. The degree will not go to full-time students who applied for this course.
- $9997

Campus and ATAR:
- Warrnambool Campus and/or Geelong Waterfront Campus students will be required to undertake some units of study at the Cloud Campus in Trimester 3.
- Note: not available at the Warrnambool Campus.

Bachelor of Public Health and Health Promotion/Bachelor of Commerce

Overview
Combine an education in health issues with a business foundation through the Bachelor of Public Health and Health Promotion/Bachelor of Commerce. You’ll examine approaches to improve healthcare systems and gain practical skills through field-based programs. Complement it with a criminal justice expertise in areas like economics and marketing for a diverse, transferable skill set.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL).
- $8078

Campus and ATAR:
- Geelong Waterfront Campus and/or Geelong Waterfront Campus students will be required to undertake some units of study at the Cloud Campus in Trimester 3.
- Note: not available at the Warrnambool Campus.

Bachelor of Communication (Advertising)

Overview
Catch people’s attention, understand the world of brand communication and tell the story that sells. Designed to inspire the next generation of big idea thinkers, the Bachelor of Communication (Advertising) at Deakin will ensure you learn how to understand your audience, develop unique ideas and communicate them through creative copy and visuals.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 25 in English (EAL).
- $6842

Campus and ATAR:
- T1, T2, T3
- $10.00
- $5.80

Bachelor of Communication (Journalism)

Overview
In today’s fast-paced digital age, we’ve never been hungrier for news – sharing it with the masses in real time is in business. The Bachelor of Communication (Journalism) will give you the skills to understand and write a great news story, engage with your audience and deliver the news across a range of media platforms.

Entry requirements
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- $5978

Campus and ATAR:
- T1, T2, T3
- $13.85
- $6.00

Bachelor of Communication (Public Relations)

Overview
Build the reputation of brands, people and organisations with skills and techniques developed through Deakin’s Bachelor of Communication (Public Relations). Learn how innovative and ethical communication fosters meaningful relationships with audiences as you build the capabilities to create inspiring campaigns and events, manage issues and become an adaptive communications expert.

Entry requirements
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- $6131

Campus and ATAR:
- T1, T2, T3
- $6.00
- $7.20

Bachelor of Business

Overview
Bachelor of Business at Deakin and open the door to a world of opportunity. You can tailor your degree to complement your interests and yet set yourself apart, food policy, food nutrition, communication, health promotion, marketing and media, quality assurance, as well as wholesale and retail.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL).
- $6035

Campus and ATAR:
- T1, T2, T3
- $10.00
- $6.00

Bachelor of Business and Bachelor of Laws

Overview
Combine your interests in communication technologies, social media and content production to discover a career in digital media. Through the Bachelor of Communication (Digital Media), you’ll develop confidence in storytelling, creative, analytic and production skills to communicate professionally across traditional and digital platforms – engaging audiences, building communities and helping organisations and clients with digital content solutions.

Entry requirements
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- $7207

Campus and ATAR:
- T1, T2, T3
- $13.85
- $6.00

Bachelor of Laws

Overview
Pursue a range of careers, including: law reform officer, judge, coroner, human rights lawyer, police prosecutor, conveyancer, property manager, company secretary, equity. Pursue a career in law.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL).
- $8213

Campus and ATAR:
- T1, T2, T3
- $9.70
- $8.50

Bachelor of Laws

Overview
Catch people’s attention, understand the world of brand communication and tell the story that sells. Learn to design striking buildings that are meaningful and sustainable designs for the ecosystem and community to create a healthy urban environment. Understand the built environment, and society as a whole, under the guidance of industry leaders and established designers.

Gain market-ready skills when you study electrical engineering, including renewables and alternative energy generation, and the role of energy production in climate change. You'll get hands-on experience and theoretical knowledge to tackle energy production in a changing world with Deakin's Bachelor of Electrical and Electronics Engineering (Honours).

Graduate as an industry-ready civil engineer by studying Deakin's Bachelor of Civil Engineering (Honours). This program will prepare you to be an industry-ready professional with a focus on developing expertise in structural, geotechnical, hydraulic and environmental engineering.

Bachelor of Mechanical Engineering (Honours)

If you're curious about the way things work, Deakin's Bachelor of Mechanical Engineering (Honours) allows you to turn your passion into a rewarding career. Mechanical engineering at Deakin brings together leading-edge technology with advanced materials and manufacturing knowledge to combine the most relevant mechanical engineering degrees in Australia.

Graduate ready to transition into a number of areas and roles including product development, biomedical, aerospace, automotive, field and test engineering, advanced manufacturing, mining, innovation, research and development, as well as control and systems design.

Today, mechanical engineers lend their skills to the development of almost every design imaginable – especially complete products like cars, robots and aeroplanes.

Graduates find themselves with a range of roles, including: biomedical engineer, automation engineer, electrical engineer, engineering manager, electrical and electronics technician, robotics engineers and virtual reality experience designers. Roles include: biomedical and VR designer, arts editor, virtual realities designer, real-time effects designer, and VR designer.

Deakin's Bachelor of Mechatronics Engineering (Honours) prepares you to be an industry-ready engineer, capable of creating the electronics, robotics and autonomous systems that power our future.

With ground-breaking facilities and a strong focus on project-based learning, we're changing the way students train to become engineers.

Graduates are open to many career opportunities, including in the areas of advertising and design studios, print houses and corporate companies, taking up roles as design engineers, digital designers, digital media designers, graphic designers, industrial designers, User Interface (UI) designers, virtual reality experience designers and web designers.

Graduates are open to many career opportunities, in the areas of advertising and design studios, print houses and corporate companies, taking up roles as design engineers, digital designers, digital media designers, graphic designers, industrial designers, User Interface (UI) designers, virtual reality experience designers and web designers.

Get introduced to the professional design world through Deakin's Bachelor of Design (Visual Communication). Learn the tools, strategies and design thinking methodologies required to be an effective, multidisciplinary communicating designer. From day one, we’ll help you shape your ideas into smart and appealing concepts for users, customers and society as a whole, under the guidance of industry leaders and established designers.

Challenge yourself and learn to design using 3D, 2D and animation skills that are economically and environmentally viable – and manage projects, no matter what their scale or size.

Gain knowledge, skills and practical experience in architecture, design and construction in this unique combined course that explores smart, sustainable design.

Deakin's Bachelor of Design (Architecture) explores the principles of sustainable design, urban design, and landscape architecture and brings them together in an integrated approach. This course allows you to develop a strong foundation in the core disciplines of architecture, design and construction, while also giving you the opportunity to specialize in areas such as interior design, furniture design, product design or graphic design.

Deakin's Bachelor of Design (Digital Technologies) is the first of its kind in Australia, offering students a unique opportunity to develop a range of skills in digital design and technology. This course provides a comprehensive education in the fundamentals of digital design, as well as the opportunity to specialize in areas such as graphic design, interaction design, and animation.

Deakin's Bachelor of Design (Architecture) provides a comprehensive education in the fundamentals of architecture, design and construction. This course provides a comprehensive education in the core disciplines of architecture, design and construction, while also giving you the opportunity to specialize in areas such as interior design, furniture design, product design or graphic design.

Deakin's Bachelor of Design (3D Animation) is the first of its kind in Australia, offering students a unique opportunity to develop a range of skills in digital design and technology. This course provides a comprehensive education in the fundamentals of digital design, as well as the opportunity to specialize in areas such as graphic design, interaction design, and animation.

Deakin's Bachelor of Design (3D Animation) provides a comprehensive education in the fundamentals of architecture, design and construction. This course provides a comprehensive education in the core disciplines of architecture, design and construction, while also giving you the opportunity to specialize in areas such as interior design, furniture design, product design or graphic design.

Deakin's Bachelor of Design (Digital Technologies) provides a comprehensive education in the fundamentals of architecture, design and construction. Deakin University
Bachelor of Civil Engineering (Honours)

Graduate as an industry-ready civil engineer by studying Deakin’s Bachelor of Civil Engineering (Honours). You’ll combine contemporary theory with hands-on projects to develop the skills needed to confidently design, construct and maintain the built infrastructure systems that are vital in our day-to-day lives.

Deakin graduates are in demand both in Australia and further afield. Graduate ready to transition into a number of areas and roles, including: construction companies, councils, engineering consultancy firms, government bodies, public works departments, water authorities, road and transport authorities, structural engineers, geotechnical engineers, water engineers, road engineers and research engineers.

Course Overview

Bachelor of Mechanical Engineering (Honours)

If you’re curious about the way things work, Deakin’s Bachelor of Mechanical Engineering (Honours) allows you to turn your passion into a rewarding career. Mechanical engineering at Deakin brings together leading computer-aided engineering technologies with advanced materials and manufacturing knowledge to provide one of the most relevant mechanical engineering degrees in Australia.

Graduate ready to transition into a number of areas and roles, including: product development, biomedical, automotive, field and test engineering, advanced manufacturing, mining, railroad, research and development, as well as control and systems design. Today, mechanical engineers lead their skills to the development of almost every design imaginable – especially complex products like cars, robots and aerospnes.

Course Overview

Bachelor of Electrical and Electronics Engineering (Honours)

Gain market-ready skills when you study electrical engineering, including renewables and alternative energy generation, and the role of energy production in climate change. You’ll get hands-on experience and theoretical knowledge to tackle energy production in a changing world with Deakin’s Bachelor of Electrical and Electronics Engineering (Honours).

Graduates find themselves with value to contribute across a range of roles, including: electrical design engineer, telecommunications engineer, industrial engineer, PIC programmer, electronic test engineer, research engineer, design engineer, special effects technician, robotics engineers and technicians, solar cell technician, clear car engineer, automotive electronics, multimedia systems specialist and computer engineer.

Course Overview

Bachelor of Environmental Engineering (Honours)

Focus on practical skills and outcomes across sustainability, climate change and infrastructure when you study environmental engineering at Deakin. Gain a broad knowledge across the industry, with solutions led technical skills to put you in high demand in this ever-changing field.

Graduates are in high demand in this rapidly evolving industry, addressing global issues like climate change and sustainability in roles such as: waterway manager, green design professional, engineering technologist, design engineer, stormwater engineer, environmental health officer, hazardous waste manager, noise control monitor, natural resource manager, sustainability analyst, sustainability consultant, waste management coordinator and water quality tester.

Course Overview

Bachelor of Software Engineering (Honours)

Create the smart software and systems of the future by studying Deakin’s Bachelor of Software Engineering (Honours). Graduate as an industry-ready software engineer, ready to solve tomorrow’s business problems through creative computing solutions.

Course Overview

Global Science and Technology Program

Add an international experience to your degree, supporting you to develop new skills and a broader world view while studying overseas. Successful applicants will be offered a monetary scholarship to assist with travel costs and will be required to participate in the Deakin Global Citizenship Program.

Course Overview

1. The 2019 Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 6 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. Cloud Campus: students will be required to participate in campus-based intensive activities each trimester at the Geelong Waurn Ponds Campus.
3. The first year of engineering is available at all three campuses. Students undertaking first year at the Melbourne Burwood Campus can choose to complete their course requirements either at the Geelong Waurn Ponds Campus or at the Cloud Campus. International students can only enrol in this course at the Geelong Waurn Ponds Campus or the Cloud Campus.
4. Recent secondary education applicants include current Year 12 students in 2019, as well as Year 12 graduates from 2018 and 2017.
5. There are four categories under which non-Year 12 applicants may apply to Deakin:

- Applicants with Vocational Education and Training (VET) study – applicants who completed VET study in the last two years and head to the course of interest to find out further details and admission requirements.
- Applicants who completed Year 12 in 2016 or earlier and head to the course of interest to find out further details and admission requirements.
- Applicants who completed Year 12 in 2015 or earlier and head to the course of interest to find out further details and admission requirements.
- Applicants with Wayne and life experience.

All applicants must also complete a specific Entrance Test, and the specific entrance tests and additional details related to the course of interest.
### Bachelor of Environmental Science (Environmental Management and Sustainability)

Combining the latest research with extensive fieldwork, this degree prepares you for career success in a variety of areas: environmental planning and policy, sustainability, environmental protection, climate change adaptation and mitigation, industry-based environmental management, waste management, environmental education, catchment management, water resource management, land rehabilitation, pollution control, environmental science, conservation and coastal and park management.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5398

**Fees**

- $10,238 (Year 1), $9,260 (Year 2), $9,959, $10,238 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Science

Gain extensive hands-on experience exploring coastal ecosystems and marine environments in an area that has some of the highest biodiversity in Australia. Learn how to sustainably manage precious marine environments with Deakin’s Bachelor of Environmental Science (Marine Biology).

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5399

**Fees**

- $10,238 (Year 1), $9,260 (Year 2), $9,959, $10,238 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Science (Wildlife and Conservation Biology)

Deakin’s Bachelor of Science (Wildlife and Conservation Biology) gets you out of the classroom and into nature. Learn how to capture and handle native animals, measure the health of ecosystems, survey wildlife populations, develop conservation strategies and even have the opportunity to visit global biodiversity hotspots.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5399

**Fees**

- $10,238 (Year 1), $9,260 (Year 2), $9,959, $10,238 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Environmental Engineering (Honours)

Focus on practical skills and outcomes across sustainability, climate change and infrastructure when you study environmental engineering at Deakin. Gain a broad knowledge across the industry, with solutions-led technical skills to put you in high demand in this ever-changing field.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and a study score of at least 20 in one of maths: mathematical methods (any) or maths: specialist mathematics.
- Deakin.edu.au/course/5465

**Fees**

- $10,238 (Year 1), $9,260 (Year 2), $9,959, $10,238 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Science/Bachelor of Laws

The commercialisation of rapidly evolving technologies has opened the door to a new kind of expert with specialist knowledge in both science and law. Study Deakin’s Bachelor of Science/Bachelor of Laws to graduate with an increasingly sought-after skill set, to succeed in either field – or where science and law intersect.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5331

**Fees**

- $10,238 (Year 1), $9,260 (Year 2), $9,959, $10,238 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Arts/Bachelor of Science

Gain a competitive edge in the job market by studying the Bachelor of Arts/Bachelor of Science combined course. Complement your understanding of science with invaluable skills like critical thinking and strong communication, and open up a world of exciting career opportunities once you graduate.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5399

**Fees**

- $7,972 (Year 1), $7,175 (Year 2), $7,175 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Commerce/Bachelor of Science

With this combined degree, your specialist expertise will be desirable business, marketing or management roles within the science industry. Career opportunities include: accountant, health promotion officer, human resources manager, medical marketing officer, scientific editor, stockbroker and trend analyst.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5399

**Fees**

- $10,238 (Year 1), $9,260 (Year 2), $9,959, $10,238 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35

### Bachelor of Arts/Bachelor of Laws

As a graduate of this course, you’ll be uniquely placed to thrive in fields where science and law intersect. Depending on your area of specialisation, you could work in: biotechnology, forensic science, environmental science and research science.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).
- Deakin.edu.au/course/5331

**Fees**

- $9,959 (Year 1), $9,260 (Year 2), $9,959, $9,959 (Year 3)

**Campus and ATAR:**

- Geelong Waurn Ponds Campus, 80.35
- Melbourne Burwood Campus, 80.35
- Geelong Waurn Ponds Campus, 80.35
- Cloud Campus, 80.35
**Bachelor of Science/Master of Teaching (Secondary)**

Graduates of the Bachelor of Science/Master of Teaching (Secondary) are qualified to teach in secondary schools within Victoria, in the private, independent or public education sectors. Your specialisations and advanced knowledge will also open doors to roles in community services, government agencies and not-for-profit organisations.

---

**Course Overview**

Translate your passion for the study of sciences into a career that inspires others, with a Bachelor of Science/Master of Teaching (Secondary) at Deakin. Create unique course combinations with science specialisations and graduate as a qualified secondary school educator.

**Teaching method areas**

Choose two teaching method areas from:

- general science
- biology
- environmental science
- chemistry
- mathematics.

---

**Entry requirements**

VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL).

All students are required to sit a non-academic assessment.

---

**Fees**

$9550

---

**Campus and ATAR:**

B3.25 and RC

---

1. The 2019 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 6 credit points, unless otherwise indicated. This fee should be used as a guide to estimate the cost of your course. Fees are subject to change.

2. Recent secondary education applicants include current Year 12 students in 2019, as well as Year 12 graduates from 2018 and 2017.

3. There are four categories under which non-Year 12 applicants may apply to Deakin:

   - applicants with VCE or equivalent study;
   - students completing Year 12 in 2018 or earlier;
   - students with a minimum VET diploma or equivalent;
   - students with a minimum AMATYC (B10) score of 50 on their Australian Year 12 Mathematics exam.

   Applicants must also meet the published prerequisites for their specific course preference within the Faculty of Science, Engineering and Built Environment.

4. Applicants must meet the prerequisites for their specific environment course preference. All applicants must also complete and submit the Global Science and Technology Program Supplementary Information Form (deakin.edu.au/sebe/global).

5. N/A means admission is based on a range of criteria. N/A means admission is not available.

6. 7 Trimester 3 in year 3 is a compulsory study period.

7. There is a two-step admissions process for the combined courses. To be eligible for the undergraduate component students must meet the minimum entry requirements for the Bachelor of Arts (B10) or the Bachelor Science (B10). To proceed to the Master of Teaching (Secondary) students must earn a Weighted Average Mark (WAM) of 60% during their undergraduate studies. Additional requirements may apply.

8. This program ensures you develop the skills needed to be successful in an increasingly global society and helps you gain independence, self-confidence and self-awareness. Develop your skills and networking capabilities with international colleagues and friends, while gaining understanding and awareness of diverse cultures and backgrounds.

**Apply now**

Apply online via the Deakin University portal at deakin.edu.au/apply.

---

**Bachelor of Medical Imaging**

The Bachelor of Medical Imaging has been developed to equip you with the latest knowledge in medical radiation science, including ultrasound, CT, X-ray and magnetic resonance imaging (MRI). You’ll learn in our state-of-the-art facilities and take part in clinical placements in metro, rural and regional settings to ensure you graduate ready. This course will allow you to work as a registered diagnostic radiographer anywhere in Australia, New Zealand, the UK and Canada.

---

**Course Overview**

A rewarding career in a health-related field gives you the chance to reduce health disparity and to help people – whether in Australia or overseas – to lead fuller, healthier and happier lives.

As a Bachelor of Medical Imaging graduate, you can be confident that you’ll get a solid grounding in multiple fields of health sciences, and be prepared for a successful career in the fastest growing employment sector in Australia.

---

**Entry requirements**

VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL). This flexible degree allows you to combine study areas that you’re passionate about, and benefit from workplace learning to become a specialist in the booming health sector.

---

**Fees**

$9949

Health

Bachelor of Nutrition Science

Study a Bachelor of Nutrition Science and develop an understanding of human nutrition and its impact on our population. Learn how to tackle challenges facing our society including disease prevention, lifestyle nutrition, obesity, the spread of misinformation, and the social and physiological effects of food on our wellbeing.

As a nutritionist, you'll have the knowledge and skills to confidently provide evidence-based advice to communities regarding food and its impact on our health. Graduates of this course will be well prepared for careers requiring knowledge surrounding: nutrition, individual and population health, food analysis, sensory analysis, product development, food quality and safety, as well as food manufacturing.

You can act as a pathway into the Master of Dieters (pre-requisite subjects apply) with 60% of places held for Deakin graduates.

Bachelor of Occupational Therapy

Through the Bachelor of Occupational Therapy, you’ll receive a cutting-edge and practical education that provides you with over 1000 hours of real-world experience. This course will prepare you to improve people’s quality of life, and to educate them on how best to transition back into the occupations that are meaningful to them. We’ll give you the expertise to provide personalised strategies to help people who have mental or physical health limitations. Take all the next step towards a rewarding career helping people from all walks of life.

Find employment in areas as diverse as: acute, psychiatric or rehabilitation hospitals, community health organisations, government departments or agencies, mental health services, private practices, research institutes, primary and secondary schools, as well as workplace wellbeing, occupational health and safety, and rehabilitation services.

Bachelor of Public Health and Health Promotion

Make a difference to people’s lives on a broad scale with a Bachelor in Public Health and Health Promotion. You’ll learn how to tackle minor and major health issues and boost the wellbeing of individuals, communities and populations. Combined approaches involving community engagement, policy development, research, education and the media will give you the expertise needed to address the health of poor and broad wellbeing throughout society.

Career opportunities in government and private sector roles across Australia and internationally include: community development coordinator, health policy developer, health promotion officer, health researcher, program development coordinator, program evaluator, social planning officer and women’s health officer.

You may find employment in a range of health areas including: tackling chronic illness, healthy eating, mental health, physical activity and environmental health, social inclusion and women’s health.

Bachelor of Social Work

The Bachelor of Social Work equips you with the knowledge and skills to enhance the wellbeing of others through an understanding of policy, socioeconomic factors and social justice issues. If you’re passionate about human rights and have a strong sense of social justice, this is the perfect course to begin your journey towards a rewarding career in social work.

You may work in many general and specialist areas of social work such as: activism, advocacy, community development, consultancy, counselling, drug and alcohol counselling, education, facilitation, family therapy, health, housing, policy development and research, program management and coordination, refugee assistance and tribunal capacities, as well as involving groups such as the aged, women, youth or multicultural populations.

Bachelor of Vision Science/Bachelor of Commerce

The Bachelor of Vision Science/Bachelor of Commerce is a specialised combined degree that lets you graduate with a professional qualification in optometry in just three-and-a-half years. You’ll gain the discipline-specific knowledge and skills to be work-ready and practice as an optometrist in Australia and New Zealand, as well as learn about the broader effects that visual health has on society.

Prepare for work in a range of settings, including: clinics, corporate and community settings, health services, hospitals, non-government organisations, private practice, research institutes, state and local governments, as well as tertiary education institutions. Career opportunities for qualified optometrists include: practice ownership, private and public eye care, research and education, as well as recognised specialist within optometry such as: myopia control, dry eye management, low vision and paediatric vision.

Find employment in areas such as: corporate and community settings, health services, hospitals, non-government organisations, private practice, research institutes, state and local governments, as well as tertiary education institutions. Career opportunities for qualified optometrists include: practice ownership, private and public eye care, research and education, as well as recognised specialist within optometry such as: myopia control, dry eye management, low vision and paediatric vision.

**Medicine**

Doctor of Medicine

Set yourself up for a range of careers, from general practice and geriatric medicine through to pathology, paediatrics and surgery. Our Doctor of Medicine has an emphasis on rural and regional medicine and aims to satisfy the critical shortage of doctors in regional areas — making graduates highly employable.

Problem-based learning is a key theme of medicine at Deakin, meaning that while you’re at university, you’ll learn to solve the kinds of problems that you’ll encounter when you’re working in medicine.

You’ll also get the chance to study at our $133 million purpose-built facilities at Geelong Waurn Ponds Campus for the first two years of your course. This allows you to learn and engage through problem-based seminars and practical classes. Your clinical experience will take place in laboratories, hospitals, and other health services in the Geelong region.

Our course also includes placements in a range of medical environments, from hospitals and general practices to community healthcare settings in the Geelong region. For the third and fourth years of the course, you will have the opportunity to preference one of five clinical schools in Geelong, Ballarat, Warrnambool and Box Hill, or the Rural Community Clinical School. The course concludes in year four with two four-week rotations — an elective that can be taken in Australia or overseas, and a pre-internship hospital rotation in which you’ll experience the day-to-day life of an intern.

During the clinical placement component of the Doctor of Medicine, you’ll complete at least four weeks of a dedicated rural attachment, which meets the Commonwealth Department of Health requirements.

**Campus:**
- WP: Warrnambool Campus
- WF: Geelong Waterfront Campus
- WP: Geelong Waurn Ponds Campus
- B: Melbourne Burwood Campus
- C: Malaysian Campus

**Eligibility:**
- Australian and New Zealand applicants
- International and Non-Year 12 applicants

**Admission:**
- Visit deakin.edu.au/medicine or deakin.edu.au/medical-school for more information.

---

**Note:**
2. The Doctor of Medicine is a semester-based course. Semester 1 runs from February to June; Semester 2 runs from July to November.
3. Up to 5% of domestic places in our Doctor of Medicine course are held for Indigenous Australian applicants applying through the Indigenous Entry Stream. Indigenous Australian applicants can apply with any undergraduate degree, and aren’t required to complete the Graduate Australian Medical School Selection System (GAMSAT). For more information, visit deakin.edu.au/medicine/study-opportunities/indigenous-entry-stream-doctor-of-medicine.
Nursing

Bachelor of Nursing

Overview
Deakin’s Bachelor of Nursing gives you the knowledge, skills and clinical experience you need to become a competent and successful registered nurse. This course prepares you to provide high-quality, safe, patient-centred care in a range of settings, with clinical placements starting from year 1.

Careers
Work around the world in a range of settings, including: hospitals, homes, aged care settings, clinics, schools, universities, community health centres. You may find roles in all areas of nursing, such as: acute care/ sub-acute care, emergency, aged care, paediatrics and rehabilitation.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)
- WB: $7,252

Fees

Psychology

Bachelor of Psychological Science

Overview
Gain insight into why people think, feel and behave the way they do. You’ll uncover all aspects of human behaviour and personality, giving you the best possible foundation for further studies, as well as government agencies and private industries.

Careers
Study the mind and its processes, behaviour and mental states. With increasing focus on mental health in contemporary society, career prospects for psychology graduates are strong and varied. The honours year included in this course prepares you for provisional registration as a psychologist with the Psychology Board of Australia, and sets you on the pathway to full registration.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL)
- WB: $7,302

Fees

1. The 2019 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment with an Australian domestic student enrolled in 20 full-time study units or 6 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. Trimester 2 and 3 intakes are for applicants who are registered or eligible to register as an enrolled nurse with the Nursing and Midwifery Board of Australia (NMBA).
3. There are four categories under which non-Year 12 applicants may apply to Deakin:
   - VCE multiple choice (STAT MC) where the applicant has not completed Year 12 equivalent or any tertiary study (minimum Certificate IV) within the last 10 years (from commencement date of the course applied for). Enrolled nurses applying for nursing courses are not required to sit the DSQA.
   - Year 12 (or equivalent) or any tertiary study (minimum Certificate IV) within the last 10 years (from commencement date of the course applied for).

Psychology

Course Overview Careers Entry requirements Fees

Bachelor of Criminology/Bachelor of Psychological Science

Combining Deakin’s Bachelor of Criminology/Bachelor of Psychological Science will make you realise what we perceive as ‘crime’ and the social justice and rehabilitation that goes along with it. Offering an accredited pathway in psychology, you’ll graduate ready to enter the workforce or continue your study in the pursuit of becoming a fully qualified psychologist.

Promising career opportunities await in the areas of criminology and psychology. You may find employment in areas such as government agencies, state and federal police, security and intelligence agencies, research and policy development, correctional services, community services, as well as private security and consultative industries.

Campus and ATAR: 80, 75.70 75.35

$7,294

Bachelor of Nursing/Bachelor of Psychological Science

Deakin’s Bachelor of Nursing/Bachelor of Psychological Science develops your understanding of human behaviour, and helps to build the skills you need to become a competent and successful nurse. Armed with a wealth of real-world knowledge through your clinical placements, you’ll graduate ready for work as a registered nurse and be eligible to pursue further study towards qualification as a registered psychologist.

As a registered nurse with psychology experience, you will be a unique graduate who can pursue career opportunities around the world, in numerous work settings including hospitals, homes, hospices, aged care settings, clinics, schools and community health centres.

To pursue a professional career in psychology, enrol into an approved ‘fourth year’ of psychology study such as an honours year or Deakin’s Graduate Diploma of Psychology.

$7,135

Bachelor of Health Sciences/Bachelor of Arts

Build a degree tailored to your interests with a Bachelor of Health Sciences/Bachelor of Arts. This flexible degree will allow you to major in fields from both health sciences and arts, tapping into unique course combinations and career opportunities. You can choose your course structure to hone in on whichever niche reflects your individual passions.

Majors

See Bachelor of Health Sciences, page 41, and Bachelor of Arts, page 20.

Your career outcomes will depend on the majors you complete with this degree. Options include: community health, counselling, disability and inclusion, environmental health, health education, nutrition, psychological science, advertising and marketing, business and education.

Campus and ATAR: 80.50

$8,102

Science

Course Overview Careers Entry requirements Fees

Bachelor of Biomedical Science

Develop an in-depth understanding of human biology by studying the Bachelor of Biomedical Science – and play an important role in the diagnosis and treatment of diseases at molecular, cellular and system levels.

Graduates can confidently enter a range of health-related areas including: medical research, forensic engineering, the pharmaceutical industry, pharmaceutical/medical sales and laboratory technology. You can also advance to honours or postgraduate studies, either in more specialised areas of biomedical science (which will enhance your professional development as a scientist), or in other disciplines including medicine (which will complement your scientific training and broaden your career opportunities).

Campus and ATAR: 80.15 72.30

$9,272

Bachelor of Forensic Science

Deakin’s Bachelor of Forensic Science exposes you to the full scope of modern forensic science, from simulated crime scenes to courtroom presentations. With a strong focus on practical training, you’ll graduate with the skills needed to use scientific evidence to solve crimes.

Campus and ATAR: 80.15

$8,100

Bachelor of Science

Graduate with the skills needed to unlock tomorrow’s breakthroughs, solve global issues with science and make a real difference to the health of communities.

A science degree with Deakin can lead to roles including: research scientist, field botanist, park ranger, secondary teacher, environmental manager, technician, clinical trial leader, scientific editor, chemist, project manager and environmental consultant.

Campus and ATAR: 75.20 60.00

$9,230
Science

Course Overview

Bachelor of Zoology and Animal Science

Deakin’s Bachelor of Zoology and Animal Science lets you get hands-on with animals, big and small. Apply the latest zoology theory and research in real-world settings, and develop evidence-based decision-making skills valued by industry.

Careers

Employers value Deakin graduates’ range of practical experience and evidence-based decision-making skills. You’ll be well-placed to explore opportunities in areas including: zoological research, environmental monitoring and management, wildlife biology, private environmental consulting and government quarantine.

Graduates typically take on roles such as research assistants, environmental managers, pest management officers, collection managers of aquaria and zoological gardens, as well as primary and secondary school teachers (with relevant teaching qualifications).

Further postgraduate studies, including research training either in Australia or overseas, can also lead to becoming a professional research scientist in a specific field, museum curator or even a university academic.

Campus and ATAR:

- Bachelor of Zoology and Animal Science: T1, T2, 85.30
- Deakin University Cloud Campus: T1, 85.30

Fee:

$9,359

Bachelor of Arts/ Bachelor of Science

Gain a competitive edge in the job market by studying the Bachelor of Arts/Bachelor of Science combined course. Complement your understanding of science with valuable skills like critical thinking and strong communication, and open up a world of exciting career options once you graduate.

Careers

This combined course broadens your career options. Graduate ready to take your skills into any industry and seamlessly transition into employment in a range of roles including: research scientist, science editor, chemist, environmental consultant, journalist, policy developer, public relations practitioner and photographer.

Campus and ATAR:

- Bachelor of Arts/ Bachelor of Science: T1, T2, 84.40

Fee:

$7,972

Bachelor of Commerce/ Bachelor of Science

Deakin’s Bachelor of Commerce/Bachelor of Science lets you take your science career even further. Pair your science knowledge with a strong foundation in business disciplines and graduate ready to lead, innovate and succeed in your chosen career path.

Careers

With this combined course, your specialist expertise will be desirable in business, marketing or management roles within the science industry. Career opportunities include: accountant, health promotion officer, human resource manager, management consultant, scientific editor, stockbroker and sustainability analyst.

Campus and ATAR:

- Bachelor of Commerce/ Bachelor of Science: T1, T2, 83.55

Fee:

- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL), or
- NSW HSC, ATAR of 78.4

Fees
$9,330

 Bachelor of Exercise and Sport Science

Overview
Deakin's Bachelor of Exercise and Sport Science helps you apply knowledge and skills in exercise and sport science to improve performance, health and participation of individuals, athletes and teams through teaching, coaching and advice. You’ll learn in world-class facilities at the Elite Sports Precinct in Geelong and brand new Specialised Indoor Exercise and Sport Science Building in Burwood (due for completion by Trimester 2, 2020). You’ll also graduate job-ready with 220 hours of practical experience via the Exercise Programming and Exercise and Sport Science Practicum units.

Entry requirements

Career opportunities include: Exercise Science/Bachelor of Arts, exercise science/Bachelor of Health and Sciences/Bachelor of Exercise and Sport Science, coach, sports development officer and sports event manager.

Bachelor of Health and Physical Education

Overview
Develop the skills, knowledge and understandings to become a secondary school health and physical education teacher who can make a difference to every student. You’ll learn how to create safe, inclusive and engaging learning environments to provide learning experiences that support lifelong health and physical activity with a Bachelor of Health and Physical Education.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL), or
- NSW HSC, ATAR of 78.4

Fees
$9,330

 Bachelor of Health Sciences

Overview
A rewarding career in a health-related field gives you the chance to reduce health disparities and help people—whether in Australia or overseas—to lead fuller, healthier and happier lives. You can major in exercise and sport science and as a Bachelor of Health Sciences graduate, you can be confident that you’ve got a solid grounding in multiple fields of health science, and be prepared for a successful career in the fastest-growing employment sector in Australia.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL), or
- NSW HSC, ATAR of 78.4

Fees
$9,330

 Bachelor of Sport Development

Overview
Learn about sport pathways and coaching, the business side of managing and sport, and turn your passion for sport into a rewarding career. With Deakin’s Bachelor of Sport Development, you’ll examine the science of coaching as well as the practical elements of encouraging participation and performance in sport.

Entry requirements
- VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL), or
- NSW HSC, ATAR of 78.4

Fees
$9,330

Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management)

Overview
Experience the synergy of sport science and the business of sport through Deakin’s Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management). Gain the skills to improve the performance of athletes and health and wellness teams, as well as the expertise to become a professional leader in exercise and sport science in areas of strength and conditioning, to physiology.

Entry requirements
- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL), or
- NSW HSC, ATAR of 78.4

Fees
$9,330

Bachelor of Exercise and Sport Science/Bachelor of Health Sciences

Course Overview careers Entry requirements Fees1

**Associate Degree of Education**2,3

Begin your journey to becoming a teacher by studying an Associate Degree of Education at Deakin. You’ll complete one unit from the Bachelor of Education (Primary), and develop the foundation skills required to succeed at university.

Campus:

- Valletta Campus (VT)
- Institute of Koorie Education (IKE)
- Bachelor of Education (Early Years)4

Campus and ATAR:

- 72.75

Students who graduate from the Associate Degree of Education and then the Bachelor of Education (Primary) may find careers in Australian and overseas primary schools (where VET registration is required) at all year levels, in government departments, public service, health and welfare organisations; in the media, as well as in private academies and agencies.

**Bachelor of Education (Early Years)2,3

Deakin’s Bachelor of Education (Early Years) lets you teach young children in early childhood and primary school settings. With professional experience opportunities and an ability to choose from a range of curriculum areas, you’ll graduate with a qualification that’s in high demand, meeting the significant growth of the Australian early childhood education sector.

Campus and ATAR:

- 70.65
- 77.05

Grads have scored career opportunities, including working as an early childhood teacher, service director, coordinator, preschool field officer; adviser or senior adviser within early childhood facilities. In addition, graduates can be employed as primary school teachers or seek employment in government agencies, community services and not-for-profit organisations.

**Bachelor of Education (Primary)2,3,4

Explore all areas of primary curriculum and build a solid understanding of what it takes to make a difference as a primary school educator, with a Bachelor of Education (Primary) at Deakin. From mathematics to science, visual arts to technology, you’ll learn how to guide children through their primary years learning – and graduate qualified to teach from grades prep to Year 6. You can also undertake elective units to qualify for the International Baccalaureate (IB) Primary Years Program concurrently.

Campus and ATAR:

- 70.65
- 77.05

Graduates may have the opportunity to teach within a primary school setting in the private, independent, IB schools or public education sectors. Opportunities also exist in government agencies, community services and not-for-profit organisations.

**Bachelor of Health and Physical Education**2,3

Develop the skills, knowledge and understanding to become a secondary school health and physical education teacher who makes a difference to every student. You’ll learn how to create safe, inclusive and engaging learning environments to provide learning experiences that support lifelong health and physical activity with a Bachelor of Health and Physical Education.

Campus and ATAR:

- 73.30
- 76.25

Graduates may have the opportunity to teach within the private, independent or public education sectors, as well as areas such as sport management, recreation and fitness, community and government agencies, professional coaching positions, as well as into private academies and agencies.

---

1. All applicants must meet the minimum English language requirements.
2. A Senior Secondary Certificate of Education or a Certificate III (or equivalent), other evidence of academic capability judged to be equivalent, including completion of or enrolment in a Vocational Education and Training course and/or relevant work or life experience.
3. Not all major subjects and secondary teaching specialist areas are available at the Cloud Campus.
4. Some subjects may be unavailable at the Institute of Koorie Education. Find out more at deakin.edu.au/teaching.
5. The Associate Degree of Education programme is also available at the Institute of Koorie Education.
6. If a VCE unit is not accepted as a study score, then a study score of at least 25 in English (EAL) is required.
7. For students applying to initial teacher education with less than 25 in English (EAL), a study score of at least 20 in English is required.
8. This course is also available at Deakin’s Melbourne Burwood Campus.
9. Cloud Campus students are required to attend compulsory intensives at the Geelong Waurn Ponds Campus.
10. This course is also available at the Institute of Koorie Education.

Less time than it would take to complete them. This means you complete two degrees in areas, studied simultaneously, which leads to studied. Traditionally known as a lecture. A presentation given by an academic to a large course selection rank. Adjustments do not Often referred to previously as 'bonus points' The ATAR is derived from the scaled scores Rank (ATAR) Australian Tertiary Admission Requirements. Adjustments do not Deakin.edu.au/courses/entry-pathways/ATAR Australian Tertiary Admission Rank (ATAR) The ATAR is derived from the scaled scores achieved for senior secondary school subjects. The specific calculation used is different in each state and territory, but the result is designed to be nationally equivalent. Adjustment factor Often referred to previously as 'bonus points' These are additional points that may be used in combination with an applicant's Australian Tertiary Admission Rank (ATAR) to derive your course selection rank. Adjustments do not change your ATAR, but change your selection rank for a particular course or courses. Bachelor degree Usually three or four full years of full-time or equivalent part-time. In some courses you may choose one or more majors in specialised areas. It is the minimum tertiary requirement for many professional careers. Class A presentation given by an academic to a large group of students on the subject area being studied. Traditionally known as a lecture. Combined course A combination of courses in complementary areas, studied simultaneously, which leads to two degrees, e.g. Bachelor of Arts/Bachelor of Laws. This means you complete two degrees in less time than it would take to complete them separately. Commonwealth Supported Place (CSP) A university place for which the government pays a proportion of the tuition costs. Diversity and inclusion Deakin values diversity and promotes inclusion. The Equity and Diversity Unit provides a range of programs and services to ensure all students have the opportunity to access university education and succeed in their studies and employment. Deakin.edu.au/equity-diversity Extra requirements These are requirements that you must meet, in addition to minimum tertiary entrance requirements, to qualify for entry to a course. Information about extra requirements is listed in this guide from page 18, on the VTAC website (vtac.gov.au) and in Victorian Tertiary Entrance Requirements (VTER) publications. Faculty An organisational division within a university; for example, the Faculty of Arts and Education is one of the four faculties at Deakin University. Within each faculty are several schools; for example, Deakin Law School is within the Faculty of Business and Law. Grade Point Average (GPA) A GPA is an internationally recognised numerical calculation used to find the average result of all grades received over a defined study period. The GPA can be used for a variety of purposes, including as a selection criteria for admission to a program or for assessing academic progress over a set period for progress review purposes. Defer The approved postponement of study for a specified period prior to enrolment in a course. Most Deakin courses allow you to defer your studies for up to two years. Deakin.edu.au/defer Discipline Also known as a study area. You can browse courses at Deakin by interest area, such as Environment, Business or Sport, and within each interest area you will find a wider range of disciplines, such as wildlife and conservation biology, commerce or exercise and sport science. Deakin.edu.au/courses Direct entry When applications can be made directly to a higher education provider rather than through a tertiary admissions centre. Higher Education Contribution Scheme-Higher Education Loan Program (HECS-HELP) HECS-HELP is a government loan scheme to assist eligible CSP students with their tuition fees (student contributions). Repayments are made through the Australian taxation system once your annual income exceeds the minimum threshold for repayment. Honours Honours is an additional year of specialised study, usually taken after you complete a bachelor’s degree, or embedded as part of a bachelor’s degree. Honours may provide you with a competitive edge in the job market or a pathway into a higher degree. International Baccalaureate (IB) The IB diploma is an internationally recognised, comprehensive two-year study program designed for university entrance. Australian tertiary admission centres convert IB scores to a notional ATAR or QTAC Selection Rank, enabling IB students to be ranked for tertiary entrance alongside their peers. Deakin accepts IB diploma graduates as having satisfied the requirements for university entry. www.ibo.org Interest area You can browse courses at Deakin by interest area, such as Sport, Business or Health. Deakin.edu.au/courses Level The year level at which units in your course are studied. Level 1 is equivalent to your first year of full-time study, level 2 is equivalent to your second year of full-time study, and so on. You can usually tell what level a unit is by looking at the first number in a unit's code. Major An approved group of at least 6 (and up to 8) credit points of related units, normally taken in sets at each level of a course. Minor A minor is a group of related units in an area of study or academic discipline. Minors are shorter than majors and are usually four units long. Non-Year 12 applicant There are three categories under which Year 12 applicant are eligible to apply to Deakin. • Higher education study – applicants whose highest level of study enrolment since leaving secondary education is a higher education course, whether at a university or non-university provider. • Vocational education and training (VET) study – applicants whose highest level of study enrolment since leaving secondary education is a VET course. • Work and life experience (includes less recent secondary results)– applicants who left secondary education more than two years previously and have not undertaken VET or higher education study since then. Offer round/s Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider. Overall position The overall position (OP) refers to a Queensland student’s position in a state-wide tertiary entrance rank order based on their overall achievement in senior secondary subjects. It indicates how well a student has done compared to all other OP-eligible students in Queensland. Students are placed in one of 25 OP bands from OP1 (highest) to OP25 (lowest). Queensland students seeking admission to higher education in other states can have their OP converted to an ATAR. Interstate students looking to study in Queensland can have their ATAR converted to a Queensland Tertiary Admissions Centre (QTAC) Selection Rank. Queensland will adopt the ATAR instead of the OP for students who commenced Year 11 in 2019 and beyond. Pathway Pathways provide alternative entry options for getting into your course. Pathways to Deakin courses can include options such as TAFE courses or starting your course at a different campus. Deakin.edu.au/courses/entry-pathways Personal statement The personal statement is a form where university applicants can bring to the attention of selection officers any relevant factors or circumstances that cannot be included in the application itself. For example, motivation to study, work experience, community experience, academic performance, languages other than English. The personal statement can be accessed online once you have received your ATAC. You can only submit one statement – so you should address all your course preferences and provide details to support your application, such as relevant work experience and your reasons for applying. It is also important that you submit the form by the specified closing date at VTAC.edu.au. If a personal statement is required or will be considered, it will be listed in the VTAC course detail online. Postgraduate degree A course of study usually beyond bachelor level, including graduate certificate, graduate diploma, masters and research degree. In many cases, eligibility for entry to a postgraduate course requires you to have completed an undergraduate degree and/or have significant work experience. Prerequisites The VCE subjects or other requirements that applicants must complete to be eligible for selection into a course. Information about prerequisites is listed in this guide from page 18, on the VTAC website (vtac.edu.au) and in Victorian Tertiary Entrance Requirements (VTER) publications. Raw ATAR The unadjusted ATAR of an applicant to which an offer of a place was made in the relevant year or year-to-date. Recent secondary education applicant Current Year 12 (2019) applicants and Year 12 graduates from 2018 and 2017 Recognition of prior learning Recognition granted towards your Deakin course for relevant approved study, experience or work, satisfactorily completed at Deakin or elsewhere. There are two aspects to recognition of prior learning: • credit may be transferred to your Deakin program from completed or partly completed studies you have undertaken at other accredited institutions; and • credit may be granted on the basis of knowledge and skills acquired through informal learning, e.g. in the workplace. Deakin.edu.au/courses/recognition-of-prior-learning Scholarships Deakin offers a range of scholarships for commencing students that recognise and reward many accomplishments, from leadership skills to academic success, extra-curricular achievements and commitment to study while experiencing personal hardship. Deakin.edu.au/scholarships
Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-study portfolio, assessments, results of the STAT, other supplementary tests, etc.

Semester
This is the method of organising some courses in Deakin’s Faculty of Health and Faculty of Science, Engineering and Built Environment. Semester 1 runs from February to June; Semester 2 runs from July to November.

Seminar
A class where a small group of students discusses study materials and ideas with a member of teaching team.

Single unit (non-award) study
Single unit (non-award) study provides access to a wide variety of university-level units, without having to study a full degree. Some units have prerequisites or special requirements but most are open to all potential students and on completion can lead to further pathway options. deakin.edu.au/courses/how-to-enroll/single-unit

Special Entry Access Scheme (SEAS)
SEAS is an umbrella program of special entry schemes governed by VTAC, and conducted by participating tertiary institutions, including Deakin, that provides entry for the disadvantaged into undergraduate courses. deakin.edu.au and deakin.edu.au/access-equity

Special Tertiary Admissions Test (STAT)
STAT is a test developed by the Australian Council for Educational Research (ACER). The purpose of the STAT is to assess an individual’s ability to participate in tertiary institutions, including Deakin, that provides entry for the disadvantaged into undergraduate courses. deakin.edu.au and deakin.edu.au/access-equity

Student Amenable-Higher Education Loan Program (SA-HELP)
SA-HELP is a government loan scheme for eligible students to defer all or part of the Student Services and Amenities Fee.

Student contribution
In a Commonwealth Supported Place (CSP), the Australian Government pays some of your fees, and you pay the rest. This is called your ‘student contribution’. If you’re enrolled in a CSP, you may be eligible for a HECS-HELP loan to cover your student contribution amount.

Student Services and Amenities Fee
This is a fee higher education providers can charge for non-academic services and amenities, such as advocacy, sporting programs, legal advice and referral, health and welfare and disability support.

Study score
A score of 0–50 that shows how a VCE student was assessed by participating tertiary institutions, in Deakin’s Faculty of Health and Faculty of Education (secondary) and Faculty of Health and physical education. An undergraduate student is assessed by participating tertiary institutions, in Deakin’s Faculty of Health Sciences. An undergraduate student is assessed by participating tertiary institutions.

Trimester
A Deakin subject or unit is normally one trimester long and most have a value of 1 or 2 credit points.

Victorian Certificate of Education (VCE)
The VCE is a certificate that recognises the successful completion of Year 12 in Victoria. The VCE can provide a pathway to university studies, TAFE and employment.

Victorian Tertiary Admissions Centre (VTAC)
VTAC is the centralised admissions centre for most undergraduate university courses in Victoria. vtac.edu.au

Victorian Tertiary Entrance Requirements (VTER)
A publication produced by VTAC for Year 10 students who are considering applying for tertiary study in the future, to help plan their pathway towards tertiary study. The VTER 2021 Guide will be most applicable for students completing Year 10 in 2019.

Weighted Average Mark (WAM)
WAM is a calculation of all your relevant unit outcomes within a course. The WAM is weighted by taking into consideration the credit points of a unit and the result. Not all grades are used in the calculation of the WAM.
