*"Living on campus has made my first two years of university very enjoyable and allowed me to acclimatise to city living. The residential team has helped me live in comfort, make life-long friends, and enjoy my first two 'solo' years in Melbourne. It's my final year living on campus but it doesn't seem that long ago that my parents dropped me off. I feel more prepared than ever for life after uni."*  
- **Timothy Bull (resident)**
