

Supporting your academic progress

Academic supports

- Visit the [Study support](#) website.
- If you have just started university or are returning after a long break, visit the [New students](#) website for resources to prepare you for study.
- Visit the [Academic skills](#) website for resources to support you with your studies, including study strategies, organisation, academic writing and exams.
- [Deakin guide to referencing](#) for information on referencing, summarizing, paraphrasing and using digital sources.
- Find out what [Academic integrity](#) means and what you need to do to act with academic integrity.
- Get in touch with [Study Support](#) at all campuses and online for personalised advice on writing, referencing and other study skills.
- Visit [HDR](#) for a range of services, resources and programs to support you at all stages of your research.
- Talk to a [Student Adviser](#) about planning your course so you have the best chance of success.
- Visit the [Academic Progress](#) website for more information about these processes. If you receive a letter from the Faculty regarding your academic progress you should read the letter carefully and follow all instructions. Do not ignore the letter.
- Consider enrolling in and attending [study skills workshops](#) on exam preparation; essay writing; time management and organisation.

International students

- Remember that unsatisfactory academic progress may have implications for your visa and future enrolment.
- If you require a CoE extension, a request can be [submitted online](#) as you are not able to apply for an extension in person. If approved, you should receive your new CoE within 10 working days of submission.
- If you have questions or concerns regarding your student visa, wish to discuss an intermission (break of study), or a release, contact a member of our [Deakin International Quality and Compliance team](#).
- If you have further questions, we encourage you to contact [Student Central](#). International Student Support Officers are available to support students with complex personal or learning needs, and Student Advisers are available to assist you with enrolment and course advice.

DEAKIN
UNIVERSITY

Health and wellbeing

- Visit the [Health and Wellbeing](#) website. Deakin offer a range of services to help students to stay healthy and safe – physically, mentally and spiritually.
- Register with the [Disability Resource Centre](#) if a disability, health or mental health condition is affecting your study or participation in university life.
- [Safer Community](#) is a Deakin wide service which aims to keep all campuses safe. If you feel threatened or unsafe, are worried about someone harming themselves or someone else or something doesn't feel right, [contact](#) Safer Community.

Financial and personal supports

- If you have other financial or personal concerns, we might be able to help. Visit the [Financial Assistance](#) or [Counselling](#) websites.
- Visit the [Students Helping Students Hub](#) to connect with experienced Deakin students who are trained to help, whether you want academic, practical or social support.
