

RESEARCH DEGREE ACADEMIC REFEREE REPORT

Information for referees

You have been asked to complete this form by a research degree (sometimes referred to as a higher degree by research or HDR) applicant to Deakin University. As a referee you should be able to comment on the applicant's research expertise and potential.

This report is to provide information on the applicant's eligibility and readiness for a research degree at Deakin University. In the case of scholarship applicants, this information will assist in their ranking.

Entry to a research degree at Deakin is based on a demonstrated capacity to undertake significant research in the proposed field. This can be done by completing:

- advanced coursework in a relevant field of study
- initial research training in appropriate methods; and
- a research project resulting in a written report, thesis or comparable output.

We would appreciate your comments on whether the applicant has achieved these goals. If you are unable to comment on a particular section please leave it blank. Below is the Deakin grading system to provide you with a guide for comparison and examples of other achievements which may show the applicant's readiness for a research degree.

Grading system
