## Deakin Open Day 2019

**OPEN DAY**  
**A DAY THAT'S**  
**ALL ABOUT**  
**TOMORROW**

**04 AUG**  
Warrnambool

**18 AUG**  
Geelong

**25 AUG**  
Burwood

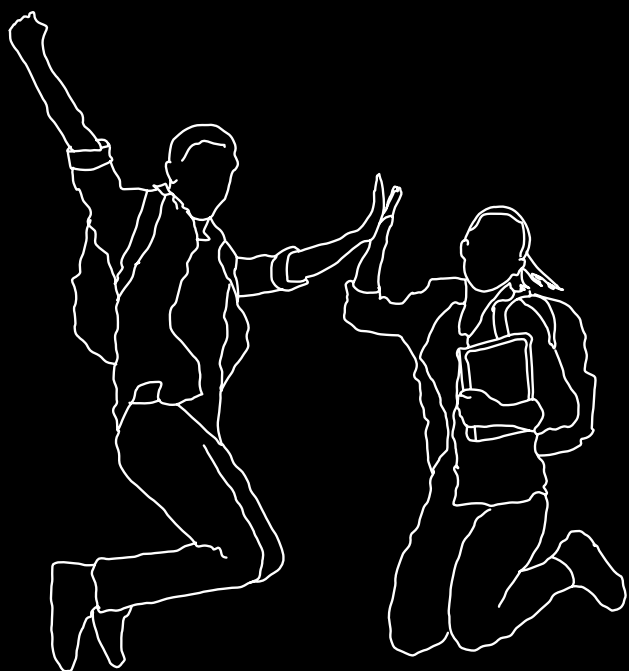

### Open Day is next month!

Open Day is the best way for your students to explore Deakin and shape their future. Encourage them to experience the best bits of Open Day where they can meet future teachers, explore the campus, and find the right course and career. See why Deakin is ranked #1 in Victoria for skills development and understand first-hand how Deakin blends cutting-edge technology with practical skills to get your students future-ready.

### Check out the online planner

To get the most out of Open Day – it's good to come prepared. Before Open Day, your students can get all the information they need online.

They can visit [deakin.edu.au/openday](http://deakin.edu.au/openday) to check out the range of information sessions, tours and experiences running at each Open Day, and use the online planner to get started with planning their day.

## OPEN DAY BRING A FRIEND AND WIN!

Deciding which uni to attend is a big decision, which is why we want your students to get a second opinion – from their friends and family.

If they register and bring someone along, they'll be winning! Seriously, just for turning up they'll score an instant prize and entry into our mega-draw to win \$2000 cash and an Apple iPhone XR!

Register at [deakin.edu.au/bring-a-friend](https://deakin.edu.au/bring-a-friend) to win!

## Job preparation sessions at Open Day

At the Burwood and Waurm Ponds Open Day events, there will be feature sessions – suitable for both students and parents – to discover how Deakin collaborates with employers to build employability skills for the jobs of the future. After the information session, students will be encouraged to speak with staff and students about our programs that enhance graduate employability, including work-integrated learning, international experiences and DeakinTALENT – voted the most popular careers service by the Australian Graduate Recruitment Industry Association. Sessions will be held at Geelong Waurm Ponds Campus as well as Melbourne Burwood Campus.

## New STEM Precinct at Open Day

Encourage your students to visit our new STEM precinct at Burwood and immerse themselves in our interactive displays and state-of-the-art science labs. Students can walk our virtual reality plank and see a robot arena in action! Or visit our 'virtual' Waterfront Campus while viewing our mini architecture student exhibit – PaperSpace, see the importance of maggots in forensic science, what our bodies look like under our skin, painted by our students, or check out our IT student capstone exhibition.

## New exercise and sport science building at Open Day

At the Burwood Open Day, our brand new specialised indoor exercise and sport science building will be open. Equipped with specialist facilities and equipment for biomechanics, motor learning and exercise prescription teaching, our new building is packed with features that will prepare graduates to be career ready. Showcased at Open Day, will be our climate chamber, 40m indoor running lanes, motion capture systems and more. Plus, you can check out our state-of-the-art learning spaces and labs across our other study areas, as well as information sessions covering all Faculty of Health courses.

## Travelling to Open Day? We've got you covered.

If you're travelling to a Deakin Open Day, make sure you take advantage of the travel and accommodation offers we have to help with the cost of attending.

### Travel reimbursement offer

Receive a \$50 travel reimbursement if you are travelling 100km or more to attend Deakin Open Day.

### Warrnambool free accommodation offer

Experience Warrnambool, explore the surrounds and enjoy our student accommodation for free.

### Geelong Waterfront accommodation discount

Receive a great discount for you and your family in our newest student accommodation.

Find out more and register at [deakin.edu.au/openday](https://deakin.edu.au/openday). Choose your campus and select **Getting here**.

## Faculty of Arts and Education

### Screen and design work experience program

This program, involved 24 students from 14 schools at the Melbourne Burwood Campus from June 17-21 who explored design thinking, 2D animation, visual effects, logos and virtual reality. This program was highly successful and completely sold out so we will be running it again next year, please keep an eye out for information!

### CASPer webinar

Save the date for our upcoming webinar on The CASPer test – August 13, 5–6pm, online. Suitable for students, parents and career practitioners.

To find out more visit: [deakin.edu.au/courses/find-a-course/education-and-teaching/the-casper-test](https://deakin.edu.au/courses/find-a-course/education-and-teaching/the-casper-test)

## Faculty of Business and Law

In the last week of Term 2, Deakin Business School in partnership with Illuminate Education successfully delivered four NextGen programs across Melbourne, to more than 600 secondary school students. Some of the schools included Yarra Valley Grammar, Carey Baptist Grammar School, Hume Central Secondary College and Mount Scopus Memorial College. During the one-week intensive program, students developed skills in communication, understanding, problem solving and working smart. Students addressed a central problem and provided a solution through a business idea. Some examples include designing a social enterprise that supports an issue within their local community, or a new business that could be accredited as a B Corporation. This was a great experience for the students to encourage their interest in the world of business and build on enterprise skills for the future.

## Faculty of Health

### Health course information sessions

The Faculty of Health hosts a range of exciting information sessions in the second half of July and early August. Hear from our course directors and discipline experts on what makes our Deakin health degrees unique, the opportunities our students have for placements, study tours, online resources and access to world-class facilities.

To register for any of the course information sessions listed please visit: [deakin.edu.au/health/events](https://deakin.edu.au/health/events)

### Melbourne Burwood Campus

#### Psychology

Tuesday 23 July, 6–7.30pm

#### Nutrition and dietetics

Tuesday 23 July, 6–7.30pm

## 20 20 Deakin Accelerate Program

Deakin Accelerate is a distinctive VCE extension studies program offering high-achieving students university-level learning opportunities.

In this program, students will complete two units of a first-year university subject at the same time as their Year 12 studies, at one of Deakin's four vibrant locations, or at the Cloud Campus – our innovative online learning environment.

Students get the same benefits as studying a fifth or sixth VCE subject, while gaining university credit and reducing the cost of their future degree.

### We offer 14 exciting study areas:

- accounting
- criminology
- disability, diversity and inclusion
- economics
- health practice and research
- journalism
- law
- management
- marketing
- philosophy (new in 2020)
- psychological science
- public relations (new in 2020)
- robotics and data science
- sport management

### Information evenings

Students, parents and career practitioners are invited to attend an information evening to learn about the Deakin Accelerate program. Hear from past program students and find out about the application process. Registrations will open next month.

#### Melbourne Burwood Campus

Tuesday 15 October

#### Warrnambool Campus

Monday 21 October

#### Geelong Warrn Ponds Campus

Thursday 17 October

#### Webinar

Tuesday 12 November

Find out more about the program and benefits at [deakin.edu.au/accelerate](https://deakin.edu.au/accelerate)

## 360 degree learning coming to Geelong

The Faculty of Arts and Education is building a one-of-a-kind, purpose-built 360-degree immersive learning space at our Geelong Waurin Ponds Campus for completion by Trimester 1, 2020. The *Imaginarium* will enable students to be transported across endless environments, conditions, concepts and eras through a fully immersive learning experience.

Through visual and audio simulations, students can journey to another time and place to learn, engage and research in selected units. Available to students across arts and education, the *Imaginarium* will enable global collaboration, connectivity, entrepreneurship and exploration – limited only by your imagination.

Experience a taster of the space at Geelong Waurin Ponds Open Day on August 18.

## DEAKIN ALL ACCESS Geelong Cats and Suncorp Super Netball

We're offering two incredible opportunities to get behind the scenes in Australian sport – an all-access immersive experience with either the Geelong Cats or Suncorp Super Netball.

The winners will go behind the curtain for the day – students can see experts prepare players, join the media pack, and watch a game from the best seats.

**To enter, your students should tell us in 50 words or less:** What do you want to learn by going behind the scenes at the Geelong Football Club and why?

**OR**

What do you want to learn by going behind the scenes at the Suncorp Super Netball Grand Final and why?

The competitions close on Friday 26 July. For more information, please visit: [deakin.edu.au/allaccesscats](https://deakin.edu.au/allaccesscats) or [deakin.edu.au/allaccessnetball](https://deakin.edu.au/allaccessnetball)

## Arts and education folio requirements

The following courses require a portfolio for entry into Deakin.

- Bachelor of Creative Arts (Dance)
- Bachelor of Creative Arts (Photography)
- Bachelor of Creative Arts (Visual Arts)
- Bachelor of Design (Visual Communication)
- Bachelor of Design (3D Animation)
- Bachelor of Design (Digital Technologies)

Stay tuned for updates at [deakin.edu.au/communication-creative-arts/portfolio-applications](https://deakin.edu.au/communication-creative-arts/portfolio-applications).

## New psychology majors available

Our three new psychology majors, which are unique in Victoria, are now available in the Bachelor of Psychology (Honours) as well as the Bachelor of Psychological Science. Students can choose from forensic studies, child and family, or organisational studies.

For more info, visit the course pages on our website.

## New dietetics pathway program

For students aspiring to a career as a dietitian, we're now offering a new course, the Bachelor of Nutrition Science (Dietetics Pathway), which guarantees graduates entry into our Master of Dietetics if they achieve a WAM of 75 or above. This course includes all of the dietetics prerequisite units as core units, as well as offering five nutrition/food related electives and two additional elective units which can be selected from across the university.

Visit [deakin.edu.au/course/bachelor-nutrition-science-dietetics-pathway](https://deakin.edu.au/course/bachelor-nutrition-science-dietetics-pathway)

## Big benefits of regional study for international students

International graduates from Deakin's Geelong and Warrnambool campuses will meet the regional criteria for an additional year of Post Study Work Rights, on top of the two years which international graduates can currently apply for.

[immi.homeaffairs.gov.au/what-we-do/regional-migration/news/new-regional-visas](http://immi.homeaffairs.gov.au/what-we-do/regional-migration/news/new-regional-visas)

Deakin also supports students at our regional campuses with extra scholarships:

- Deakin STEM Scholarship (engineering, architecture, construction management)
- Warrnambool Campus Bursary

In addition, we also have these scholarships available at all Deakin campuses for international students:

- Deakin Vice-Chancellor's International Scholarship
- Deakin International Scholarship
- STEM Scholarship (all STEM-related disciplines)

For more information about scholarship terms and conditions visit: [deakin.edu.au/courses/fees-scholarships/scholarships/find-a-scholarship](http://deakin.edu.au/courses/fees-scholarships/scholarships/find-a-scholarship)
