	Trimester 3				

^{*}To progress into the Master of Architecture level of studies from undergraduate architecture, students must achieve a Weighted Average Mark (WAM) of 65. Students achieving a WAM between 55 and 64 have the opportunity to submit a portfolio of relevant work and personal statement for consideration to potentially progress into the master level of studies. Students cannot progress to the postgraduate level of study without completing all 24 credit points at undergraduate level. A WAM of less than 55 results in an alternative exit from D306 Bachelor of Design (Architecture)/Master of Architecture with the award: S342 Bachelor of Design (Architecture).

GENERAL INFORMATION

This course map is a guide only. You must also ensure you meet the course rules and structure as set out in the official <u>University Handbook</u> of the year you commenced your course. This course map has been created to be used electronically.

Not all units are available in all study periods or mode of delivery.

- Full time study is typically three to four units (or credit points) each study period.
- Part time study is typically one to two units (or credit points) each study period part time study will extend the duration of your studies.
- Trimester 3 is typically an optional study period unless it's your first study period and/or a compulsory study period for your course.

Unit options can be found in the 'Advanced Unit Search' in the most current year's University Handbook.

If you have applied for or received credit for units as recognition of prior learning (RPL), it may alter the units you need to study.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit options.
