Location: Burwood (Melbourne), Online

Intakes: T1 (March)

Duration: 4 years full-time or part-time equivalent

Course overview

Fast track your studies and get qualified to teach in just four years with Deakin's Bachelor of Arts/Master of Teaching (Secondary). This course will equip you with the attributes, discipline-specific knowledge and professional practices required to work as a secondary school teacher in Australia, teaching from lower secondary to senior secondary levels.

Start your journey in the Bachelor of Arts, where your choice of majors and minors will form the basis of your teaching specialisation. Then, in the Master of Teaching, you'll build upon your existing knowledge and develop the skills to engage with students in your chosen area of expertise.

Get classroom-ready through a supportive step-by-step process and graduate with the skills to engage secondary-aged students in an area you're passionate about.

Professional experience

Deakin's Professional Experience Program is a key part of your course, ensuring you have the practical skills needed from day one of your teaching career. Working with more than 1,400 schools across Australia, a dedicated team will help you find the right placements based on your interests, skills, residential location and mode of transport. We'll arrange at least 60 days of placements for you in schools where you'll learn from experienced teachers.

Deakin has exclusive relationships with schools across Victoria and nation-wide.

Career opportunities

The education and training industry is one of the largest growing employment industries in Australia, and is projected to grow by 11.2% by May 2023¹ – that's 11,300 new jobs.

Teaching and education courses at Deakin lead to careers that can make a profound and lasting contribution to the future by positively influencing the lives of students. In addition, teaching is a rewarding career that offers creativity, flexibility and opportunity beyond working in a classroom.

As a Deakin graduate, you may find employment as a teacher within the private, independent or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

The Deakin difference

Deakin is ranked among the top 5 universities in Australia for its education courses, based on the 2020 QS World University Rankings by Subject, which are informed by academic and employer reputation, as well as research impact.

We maintain close links with the education sector to ensure our courses are developed and reviewed with industry and professional input. You'll be taught by teaching staff with industry experience, recognised as leaders and innovators in their fields – so you can be confident that what you learn at Deakin will be relevant to your teaching career.

If you choose to study at Deakin's Cloud Campus, you will join a vibrant online community with over 60,000 students. Deakin has over 40 years of experience in distance and online learning so we understand how to support your unique study journey. You will have access to lectures and resources and can participate in live-streamed seminars and class discussions. You can submit assignments easily and efficiently online and get assistance when you need it from Australia's highest-rated student tech support.
