# DEAKIN CAMPUS TOURS ◀

There's only one way to choose a uni –  
you've got to experience it yourself.

We are excited to announce that Deakin is open for campus tours! Deakin Campus Tours will allow your students and their families to experience their preferred Deakin University campus through a tailored tour, during the April school holidays. Guests will join a 1-hour tour with a current Deakin student and get a first-hand look at our cutting-edge facilities and have all their study questions answered. The school holiday program will be held at all our Deakin campuses: Burwood, Waurin Ponds, Waterfront and Warrnambool.

## Term 1 school holidays – April 2022

## Publications

Our 2023 Undergraduate Publications are now available. This includes our 2023 Undergraduate Course Guide. Our next mail out will include a copy of the 2023 Undergraduate Course Guide and there will be further instructions about how to order more for your school. Orders can also be placed [here](#)

## Book in a visit with Deakin

We are excited to announce that the Deakin Future Students team have recommenced face to face activities for 2022.

We welcome invitations to visit your school, including presentations, expos, careers evenings or other events. We also have opportunities to visit our campuses, subject to room availability and COVIDSafe arrangements.

**Your in person request can be submitted [here](#)**

We are also more than happy to continue to support virtual presentation or engagement requests.

## DEAKIN ACCELERATE

On 23 and 24 February, we were delighted to welcome 300 students into the 2022 Deakin Accelerate program. Students from 159 different schools across Victoria joined us for their online Orientation, meeting their Academics and fellow students, while gaining an insight into their first trimester university studies.

We wish our 2022 Deakin Accelerate students all the best with their Accelerate and VCE studies and we will be with them every step of the way to support and drive their success. For more information on the Deakin Accelerate Program head to [deakin.edu.au/accelerate](https://deakin.edu.au/accelerate) or email [accelerate@deakin.edu.au](mailto:accelerate@deakin.edu.au)

## Course changes

You will note in our 2023 Undergraduate Course Guide that our suite of Creative Arts courses are undergoing some exciting changes for next year. These changes were unable to be confirmed at the time of printing so you will see the entry requirements have been left out. These course changes have been submitted for approval and will be confirmed in coming months. More information will be in our next Career Network Newsletter and new course and study area guides will be printed with updated information when available.

## Deakin Future Students Team

We are very pleased to welcome a number of new team members to the Future Students Engagement Team (formally known as the Deakin Student Recruitment Team). The team are very excited to hit the ground running and to meet you and your students in person over the coming months.

To stay up to date with the team and everything happening at Deakin, you can expect to receive six editions of the Careers Network News this year, based around key time-lines for your Year 12s. You can also expect to receive four direct mail packages, with the first including our new Undergraduate Course Guide in the next few weeks.

**Lauren Abel** joins the Future Students team from the Deakin Events team, with **Sid Sharma** and **Kavindya Dias** joining us from our Faculty of Business and Law. **Aiden Gillard** joins the team from outside the university sector, however having worked within

the TAFE environment, he looks forward to leveraging these skills in his work at Deakin

**Paul Newitt** rejoins the Future Students team after four years with the Market Insights Unit at Deakin and is very excited to again work closely with Careers Practitioners and schools.

These staff changes come at an exciting time as the university prepares to welcome current students back to campus to recommence their on campus learning experiences. More information on the university's COVIDsafe operating plan can be found [here](#)
