Construction activity

A number of major developments are under way on campus in 2014. Visit www.deakin.edu.au/about-deakin/major-projects-and-initiatives for more information.

Parking

On-campus parking is very limited, so you are encouraged to seek alternatives such as public transport, cycling, or carpooling. For more information visit www.ptv.vic.gov.au.

To park on campus, you will normally need a parking permit. Staff and students can buy long- or short-term permits from Deakin Central.

Day permits are available from permit vending machines. See  icon on map for locations. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available.

Visit www.deakin.edu.au/services/parking for more information.

Smoke-free Deakin

Deakin University proudly provides a smoke-free environment on all its campuses. Visit www.deakin.edu.au/smoke-free for more information.
